# SATANISM

10,000 YEARS OF TOTAL CONTROL

GOVERNMENT CONTROLLED BY SATANIC PEDOPHILIA, LOVELESS RITUAL SEX, SODOMY, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

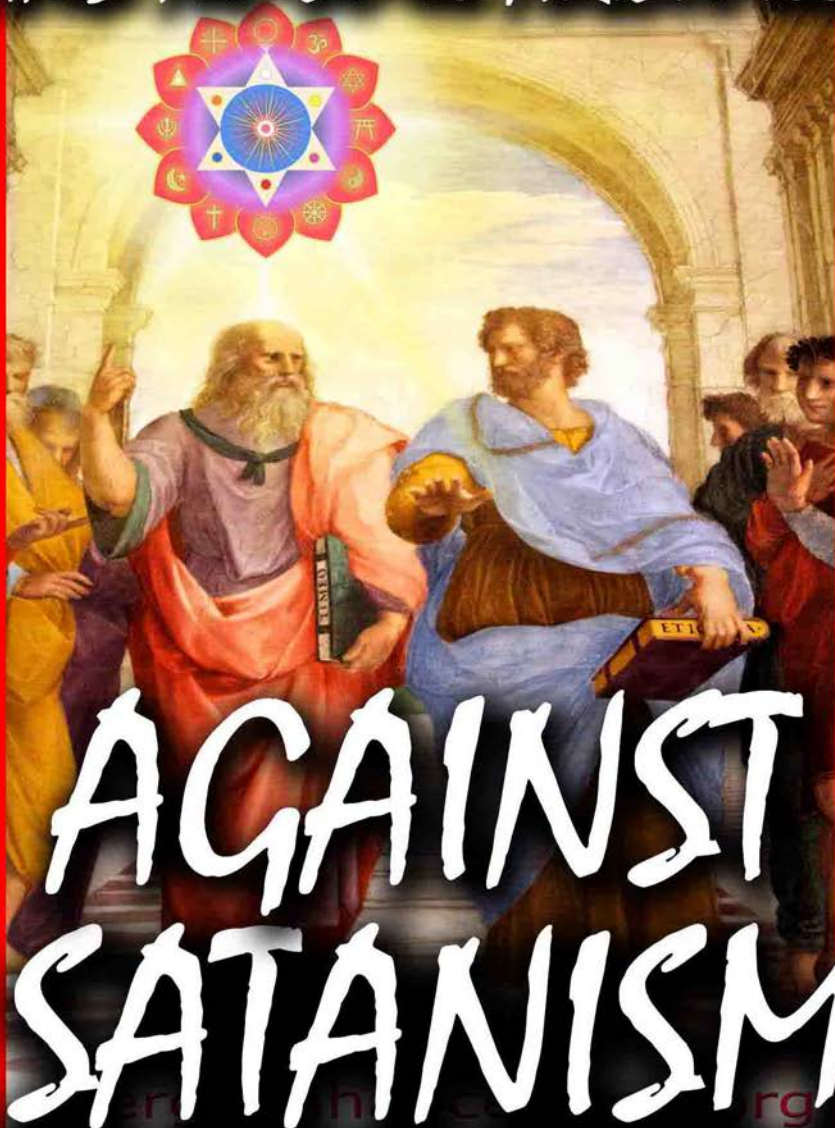

FAKE ECONOMICS - Economists have been paid - Adam Smith (and his Satanic Mandevillian, "Public benefits come from Private Vices") was a hack, paid by Lord Shelburne, Head of the British East India Company, foundation of the British Empire - to create an Economics which would perpetuate the Bankers of the British Empire, later the Anglo-American Empire. Austrian Economics and it's Austerity - The Oligarchic Principle of Poverty - was supported and spread by Nelson Rockefeller. Solution? See Hudsons Modern Monetary Theory or Larouche Hamilton Credit Theory. The Economist Fake Gangs

SATANIC SABBATEAN FRANKISTS infiltrate Jews and Jewish organisations worldwide. Pagan Rituals and Myths used to pervert, degenerate and control a Jewish psychopathic ruling class of Donmeh Attaturk, Rothschilds, Rockefellers, Schiffs, Warburgs..

SATANIC KARL MARX - Wrote Das Capital from his MI6 provided office in the British National Museum under Ambassador Urquhart creating MI6 inspired Communism, Russian Revolution (65 millions tortured dead) and Mao's Chinese Revolution (85 millions tortured dead), and Socialism. George Orwell's Totalitarian text's "1984" "A Boot, stamping in your face, forever" - the Totalitarian or Legalist Fake Gangs sprang from this bough. Capitalists, Marxists, Communists and Socialists spring from the same Fake Gangs bough.

RING OF CYGES - "CONCEALMENT OF WICKEDNESS"  
BY HUMAN SACRIFICE

# AGAINST SATANISM VOLUME TWO

The Secret History of the Modern World and the Battle for the Future -  
The "One Ring" of Gyges of Plato's Book, Republic - A Comparison between  
Ring of Gyges of the Hobbit and the One Ring of the Lord of the Rings with  
reference to the effect of Eugenic No Heart Plato and No Soul Aristotle on  
the Secret History of the Modern World and Satanic Globalism  
- the Battle for the Future.

The difference between the simple Ring of Gyges of the Hobbit and the One  
Ring of the Lord of the Rings is - "Into this ring he poured all his cruelty,  
his malice and his will to dominate all life" -

The difference is this energy of cruelty. "By our sinning and Ritual human  
sacrifices, and Ritual human sacrifices and sinning, the gods will be  
propitiated, and we shall not be punished" - Plato's Republic

Used for one purpose "The Concealment of Wickedness"

Plato's Republic - WHAT IS THY NATURE? SATANIC ADEIMANTUS

"Appearance Tyrannizes over Truth and is Lord of Happiness"

Adeimantus of Collytus (432 BCE – 382 BCE) son of Ariston of Athens was  
also known as Plato's brother. In Plato's Republic, Adeimantus questions  
whether they would be living a good life with little or no personal property.  
Consequently, Adeimantus is often associated with greed or love for money  
in interpretations of the dialogue.

He quotes Pindar (522 – 443 BC) an Ancient Greek lyric poet from Thebes—  
"Can I by justice or by crooked ways of deceit ascend a loftier tower which  
may be a fortress to me all my days? For what men say is that, if I am really  
just and am not also thought just profit there is none, but the pain and loss  
on the other hand are unmistakable. But if, though unjust, I acquire the  
reputation of justice, a heavenly life is promised to me."

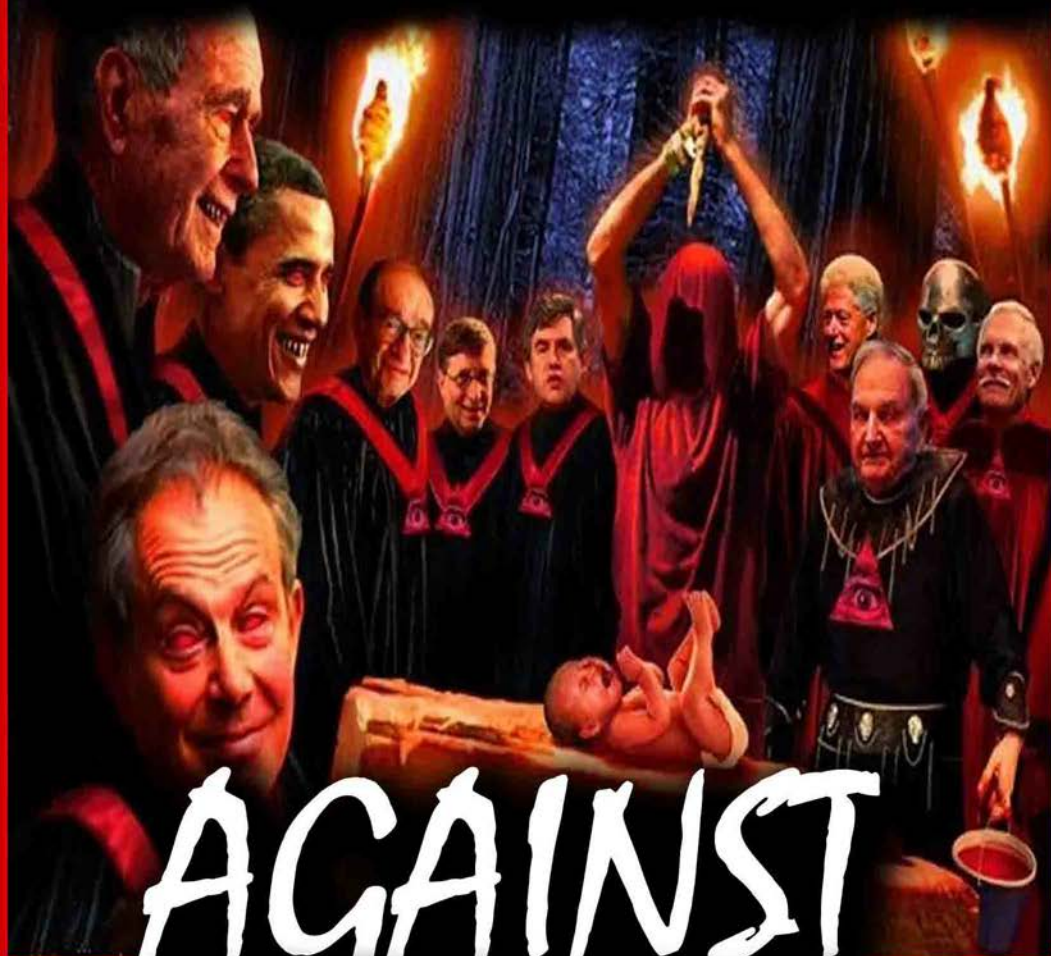

"Let us be consistent then, and believe both or neither. If the poets speak  
truly, why then we had better be unjust, and offer of the fruits of injustice;  
for if we are just, although we may escape the vengeance of heaven, we shall  
lose the gains of injustice; but, if we are unjust, we shall keep the gains,  
and by our sinning and Ritual human sacrifices, and Ritual human sacrifices  
and sinning, the gods will be propitiated, and we shall not be punished."

And here is where the elite get all their negative energy or as we call it in  
Energy Enhancement - Trauma-Formed Negative Karmic Mass.. from Ritual  
Human Sacrifice - a Satanic Ritual used in all civilisations on All Continents  
by the Satanic Elites for tens of Thousands of years.

Yes Satanism, the Occult Cult was created 10,000 years ago before Christ,  
and has been extant since that time in order to create the psychopaths which  
rule humanity, grind us down, make us into feudal wage slaves barefoot and  
back on the reservation, buying everything from the Amazon company store!

## SATANIC RITUALS AND HUMAN SACRIFICE

Sometimes people reading the Truth get depressed by it.

For people with big hearts though, the truth gets them started with an Implacable Opposition to Absolute Evil.

The Battle of Armageddon can only be won by sufficient Angels to fight against the Demons. Be an Angel!!

The point of this introductory missive is that 72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly and the society is destroyed.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Eugenics - All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!!

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and thus conquer the world.

All Rituals, Religion, Education, Secret Services and Political Movements have been Scientifically Engineered to create Fake Gangs for 10,000 Years. It's what the old Roman Empire, and the Babylonian Empire, and the Cult of Apollo, and the Byzantine Empire did before.

As you know, all the gangs have Rituals before you can join, making your bones with the Mafia means you must murder someone before you can join and Drug Cartels, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can join and before you can progress. All Rituals, Religion, Education and Political Movements are designed to create fake gangs of psychopaths who can then be used to create control through chaos created poverty - The Oligarchic Policy of Poverty - destroying infrastructure - preventing human evolution.

# AGAINST SATANISM VOLUME 4

## SATANIC HOMO OCCULTISM SATANIC HITLER

Satanic Communism and Fascism is gradually being instituted as the New World Religion defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual.

From South America Incas and Aztecs to Satanic Pagan Odin, Cybele and Attis, Baal and Molech, and the Holy Inquisition, Ritual Human Sacrifice and burning alive and Ritual Homosexuality, Sodomy and Pedophilia has been endemic for Thousands of Years.

Read Against Satanism Volume Two - The Foundation of Western Philosophy is Pagan, Satanic, based on No-Heart Plato and No-Soul Aristotle. Plato's Republic (c.370 BC) propounded the "Concealment of Wickedness" and the use of Ritual Human Sacrifice to placate the Gods of Karma. Plato's Republic's ideal state is based on Sparta - The Spartan society was dominated by a rigidly Hierarchical and Elitist Pedophile Warrior Cult that featured mandatory induction of twelve-year-old boys into Homosexual Partnerships with adult men, and which Plato argues should be ruled by Autocratic Dictator Philosopher-Kings. The Republic propounds the Eugenic elimination of the family and the elimination of private property.

Infil-traiton of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society fucked through the fear of Ritual Human Sacrifice.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Economics, Intelligence Services, Think Tanks, Banking, International Companies, Global Warming, Eugenics -

Read Against Satanism Volume One - Satanic Karl Marx created Communism for Ambassador Urquhart of British Secret Services writing Das Capital in his Office in the British National Library in London. Communism was used by British Agents Satanic Lenin and Stalin and Satanic 33rd Degree Freemason of Yale University, Mao to take over Russia and China torturing and killing 160 millions of people.

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program..

**EXCEPT ENERGY ENHANCEMENT!!** The Energy Enhancement Video Course - [energyenhancement.org](http://energyenhancement.org)

Read Against Satanism Volume Three - Satanism is Defined by Satanic Rituals - These Rituals Define Satanism.. Loveless Ritual Sex, Sodomy, Pedophilia, Ritual Drugs, Ritual Blood Sacrifice, Ritual Human Sacrifice, Ritual Torture, Ritual Burning Alive, Ritual Cannibalism, Ritual Castration.

This means Pedophilia Sex Rituals and means the Totalitarian Fear Control of Human Sacrifice. As presently occurs in Totalitarian No-Soul Communist China. Christians, Buddhists and Falun Gong are executed in special organ harvesting vans - Human Sacrifice.

They have ten of these vans in every city and they work all day long taking fresh organs to the airport for implantation in Japan. The organs harvested and sold to Rich Oligarchs Worldwide

Read Against Satanism Volume Four - SATANIC HOMO-OCCULTISM AND THE HOMOSEXUAL ROOTS OF FASCISM - Black Magician Homosexual Hitler created homosexual Cults based upon Black Magic - taught to him by Guido von List and the Armanen Order, Jorg Lanz von Liebenfels and Ariosophy, The Thule Society, Madame Blavatsky and the Theosophical Society, and Friedrich Nietzsche.

Because the Torah and the Bible prohibit Homosexuality, in order to introduce Satanism and its Satanic Rituals, Hitler decided to destroy Judaism and Also he changed Christianity - Jesus - into a Sun God associated with Odin by sending all Clerics to the Concentration Death camps along with the Satanic Ritual Burning Human Sacrifice Holocaust of Six Million Jews.

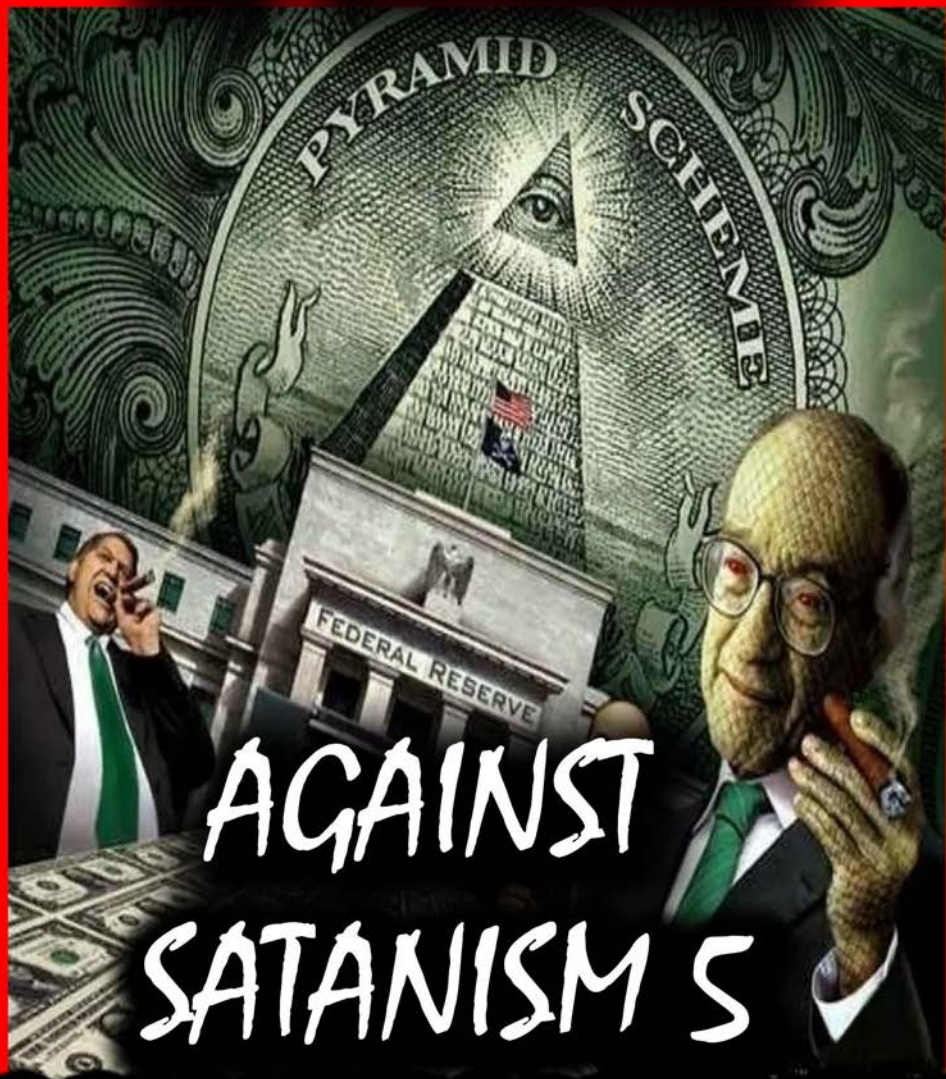

After that Hitler allied with Islam because Islam promotes Jihad Warrior Spartan Pedophilia and Sex Slavery of Women - "Women for breeding, boys for love" See, Thousands of Muslim child prostitutes in every city of Britain - Rochdale child sex abuse ring.. [https://en.wikipedia.org/wiki/Rochdale\\_child\\_sex\\_abuse\\_ring](https://en.wikipedia.org/wiki/Rochdale_child_sex_abuse_ring)

Hitler's NAZI is Satanic National Socialism, an offshoot of Satanic No-God Communism - You can see this plan occurring in Western Civilisation and China, everywhere, NOW!!

"What we are trying to do in this meeting today is to give you a new view of how the real economy  
works today and teach reality economics, instead of  
the parallel universe that you have in economic textbooks.

So, instead of learning how the economy operates, students are told how a  
parallel universe might operate on a different planet, if there were no government, if there  
were no fraud, if the entire economy operated on barter, if there was no debt, and  
that everybody wanted to help everybody else, that nobody inherited money, that  
everybody earned all of the income and wealth that they have. The reality is the  
opposite, but it seems to be talked about only in novels these days.

"Whenever you have a misunderstanding of reality year after year, decade after  
decade, and now for a century, when a false picture of the economy is painted  
you can be sure that there is a special interest benefiting. A false picture of reality  
does not happen by nature; it is subsidised. And the banking sector has subsidised  
and paid for a junk economics that is taught in the universities, broadcast from  
your newspapers, mouthed by the politicians, whose election they sponsor, to try to  
make you believe, that you're living on Mars in a different kind of a world—instead  
of the actual country that you're living in—and to pretend that there is no financial  
class that is trying to grab what belongs to the public at large.

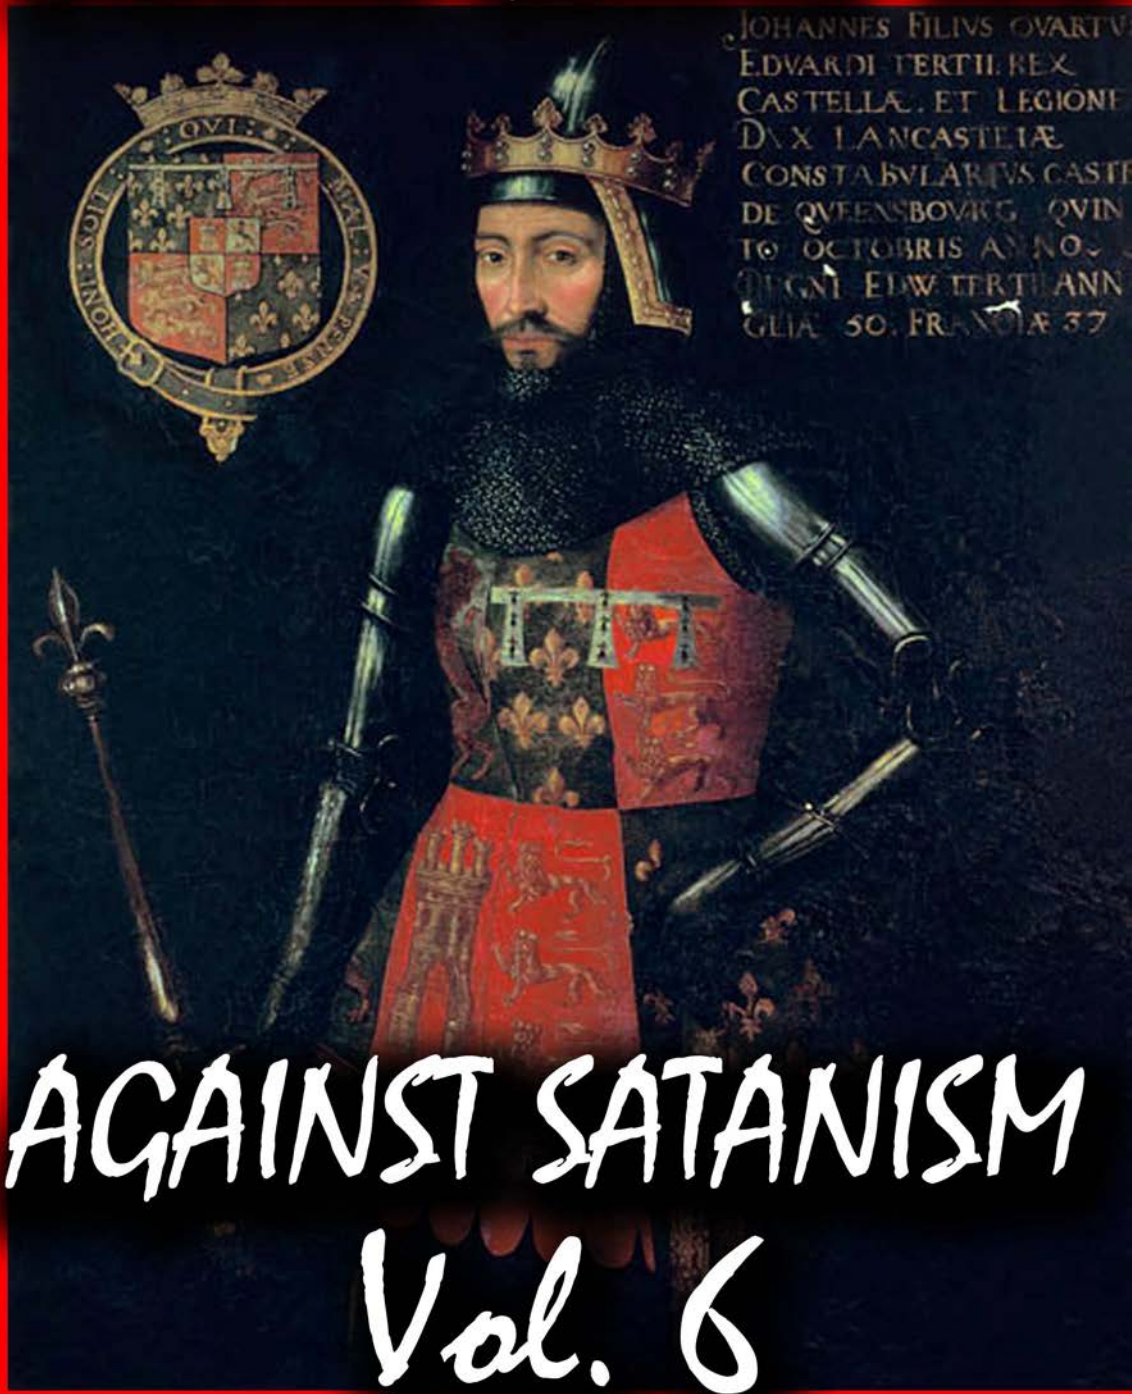

This is what ends up with a difference between central bank creation by the  
government with the government aims of economic growth and full employment,  
as compared with commercial bank credit that aims at economic shrinkage, at  
austerity, at lower wages, at lower output, so that it can do to you what the  
commercial banks are doing to Greece, to say give us your ports and your land  
and your tourist areas and your water and sewer systems, so we can charge you  
for water and sewer. And we can take the money that you had expected to get in pensions  
and we can scale it down, so that we can pay ourselves.

"This is what it took an army in times past, And today it's done without an army, as long  
as you will be passive and believe the Lies, the science-fiction of the world that banks  
are painting. Thank you. [Applause]"

Remember, the main purpose is not money or power, it is in fact the Satanic  
Oligarchic Principle of Poverty. Dummed Down, Barefoot, and Back on the Reservation.

# ENERGY ENHANCEMENT SATANIC HISTORY TWO

# AGAINST SATANISM VOLUME SIX

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanic Rituals In Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

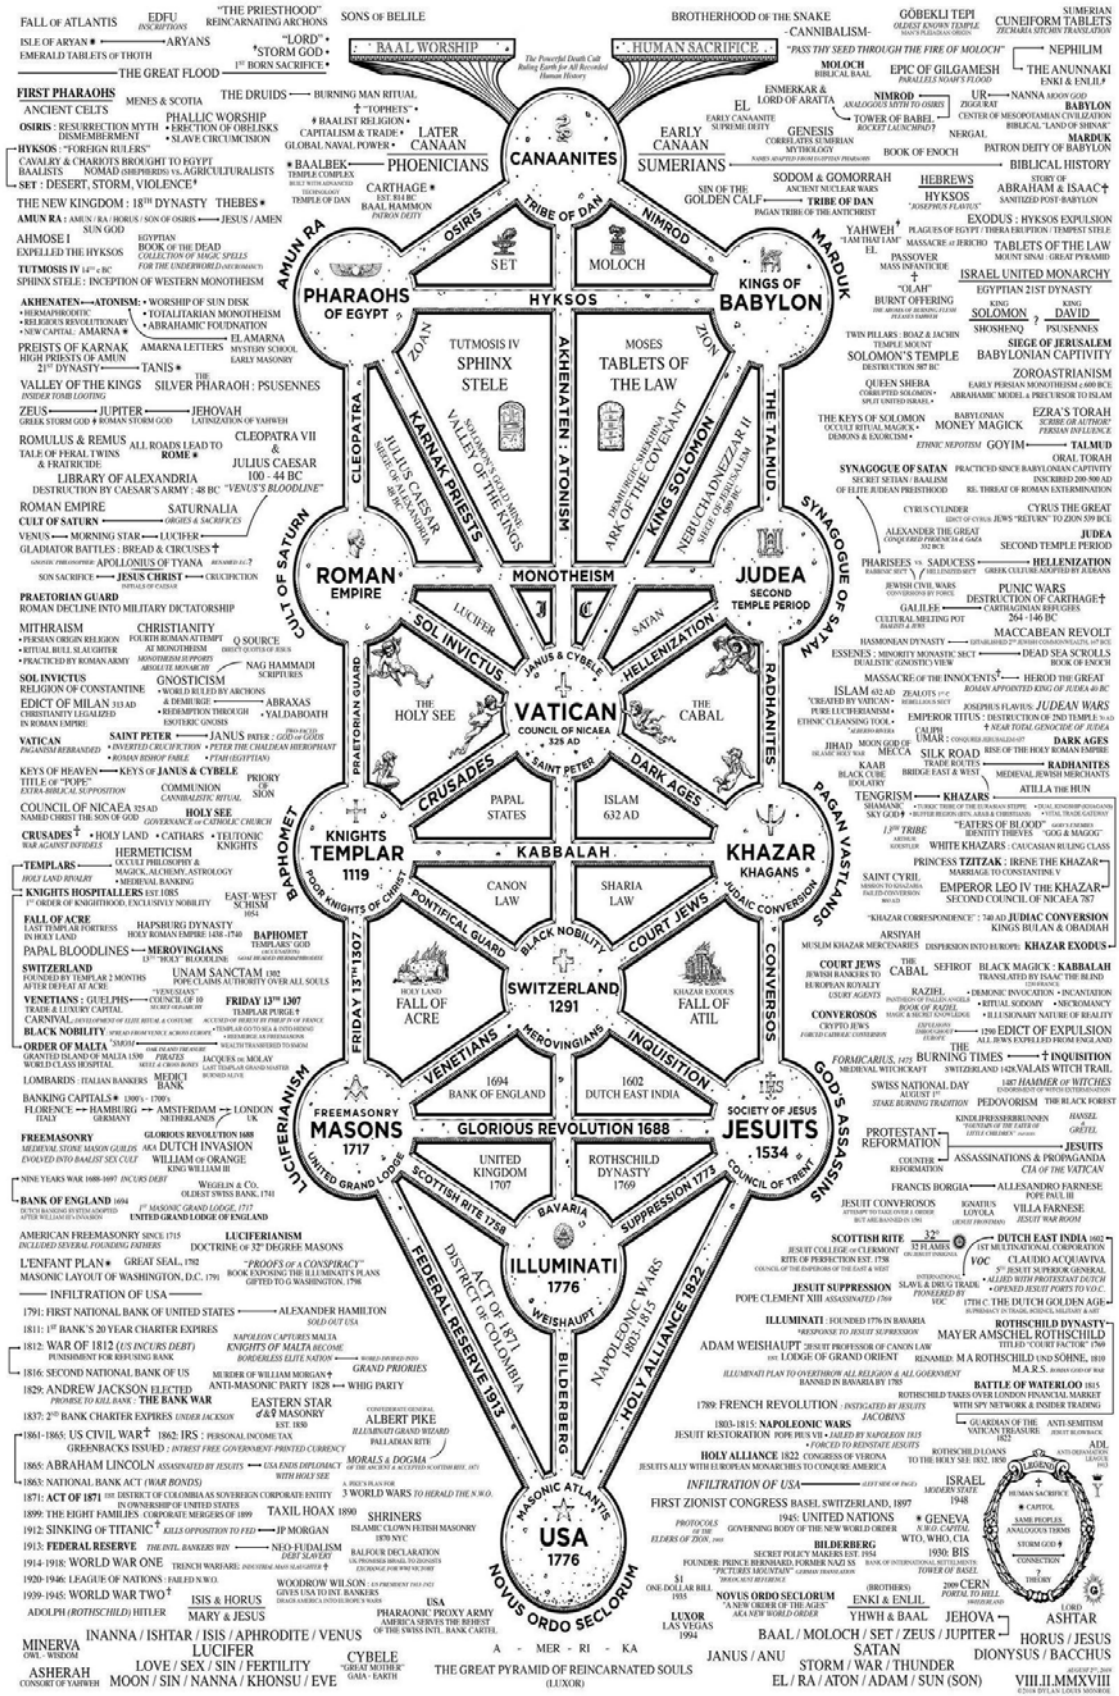

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

How to Avoid being Psychically Attacked by Black Magic

During our spiritual journey of Meditation, we increase our Energy Levels and frequency levels in stages by the use of Energy Enhancement Meditation Techniques.

I say, "Traditional Meditations are Designed to Fail" because the Black Magicians have used Meditation for over 10,000 years as part of their war of control on humanity comprising implanting Energy Blockages in the minds of humanity to mind control people. To weaken the emotions of people by implanting negative energy Energy Blockages - anger, sadness, manicism

and depression. To weaken the bodies of humanity by implanting disease Energy Blockages. Thus Black Magicians have removed real and effective Meditation techniques - Energy Enhancement Meditation - from Humanity.

Other departments of the Black Magicians are to create narratives and lies in the political, financial, economic, military, history, books, newspapers, television, Hollywood which I have delineated in the Nine Volumes of Against Satanism you can get for Free by signing up!.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

Energy Enhancement Meditation Techniques are those techniques which have been removed by the Black Magicians to rapidly increase our access to higher energies, and then remove the Energy Blockages in our system which stop that Infinite Energy entering into our system from external sources from the Chakras above the head or Kundalini Chakra from below our Base.

The techniques are called the Kundalini Kriyas taught by Babaji of the Himalayas, student of Tamil Siddhar Bhogar and teacher of Paramahansa Yogananda who wrote, "Autobiography of a Yogi"

Also Alchemical VITRIOL, a Latin Acronym, "VISITA INTERIORA TERRAE RECTIFICANDO INVENIES OCCULTEM LAPIDEM" a Guided Meditation to access Infinite Energy into the Base Chakra and there transmute negative energies, trauma, anger, depression, sadness, manicism - Change base metal Energy Blockages into Pure Perfect Spiritual Energy Gold!

Also the Five Circulations of the Qi of Chinese Alchemical Taoism of Lao Tsu.

Also access to Infinite Spiritual Energy by Fusion with the Central Spiritual Sun of Gurdjieff.

All these accesses to Infinite Spiritual Energy are by means of Energy Cords, Columns of Energy named

Antahkarana which normally are blocked by Energy Blockages.

Removal of Energy Blockages within the body and externally on the Energy Cords connecting you with Infinite Energy are by means of "The Energy Enhancement Seven Step Process" of Samyama - the Ninth Limb of the Eight Limbs of Yoga taught by Patanjali in his Ancient Book, the Foundation of Meditation Teachings for the whole of India for Thousands of Years, "The Yoga Sutras of Patanjali".

Patanjali was a student of Tamil Siddar Babaji who transmigrated into the body of Lao Tsu in order to teach Chinese Alchemical Taoism - the same as his Student Babaji's Kundalini Kriyas in China.

First Sutra - After many lifetimes of experience, "After all that, Here are complete instructions on Enlightenment"

The whole of the Fourth Book of, "The Yoga Sutras of Patanjali" is an exposition of Samyama, a combination of Meditation and Samadhi, in order to remove Evil Energy Blockages, Evolve and attain your true potentiality, "That which you were born to be!"

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION.

He who, due to his perfect discrimination - dis-crim-e-nation or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAHKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER.

Energy Enhancement Meditation Course Techniques rapidly prevent energy being drained, vampirised, from our system by Energy Cords connected to Implant Energy Blockages in our system, connected to the Energy Vampires outside by the ability to remove cords

as well as create cords, and then remove the Energy Blockages on cords. The Energy Vampires might not even know they are draining us because their Energy Blockages are in charge.

As we progress in Energy Enhancement knowledge our light is amplified bit by bit by increasing our connection with infinite energy by removing Energy Blockages.

Each time this happens, an Energy Blockage is removed, it creates changes in our auric field.

During these cyclic spiritual acceleration changes in our auric field, we emanate more psychic energy. Because of these changes, we become very attractive to dark entities, spiritual vampires, dark wizards, and other ones that are simply still operating out of ego by becoming a juicy, attractive, morsel.

We have to remember that these ones, unlike us who learn the Techniques of Energy Enhancement connection to Infinite Spiritual Energy, have little or no spiritual wisdom or connection with God and need a power supply to survive.

When we accelerate our spiritual path, one of the challenges is not becoming a food source for one of these beings by becoming more powerful than them.

When you take a quantum leap in your spiritual path, many may feel threatened or fearful of your new light. Sometimes this causes Black Magicians to act aggressive psychically, to attack us.

They may send out negative energy. The good news is very few are strong enough to sustain a long attack.

Also, Energy Enhancement Meditation gives all the techniques to overcome, take out, Black Magicians.

Attack just means you are on the right path, that you are over the target.

Question: How do I know if I am being psychically attacked?

Answer: First . . . any miss-use of energy, negative thought or action projected toward another person is a form of psychic attack a.k.a. black magic. There is a wide range of attack from simply someone getting mad at you, all the way to someone actively doing negative ritual, ceremony and prayer against you.

If the attacker is clever, they can attack specific areas in 3 groups. In multidimensional realities (time, space & dimension), in the physical realities (body, mind & spirit), and places in time (past, present & future).

If you think you are being attacked, get help, learn and practise Energy Enhancement Meditation.. It is hard to clear oneself, because you are too close to the issue.

## You need to Learn Energy Enhancement Meditation Course

What are the Black Magic Psychic Attack Symptoms?  
Emotional and physical symptoms that elude diagnosis are:

1. significant energy loss;
2. chronic fatigue;
3. difficulty in concentrating;
4. fuzziness;
5. dizziness;
5. sleep disturbances and nightmares;
6. depression;
7. excessive anxiety,
8. feeling edgy,
9. shaky or out of sorts;
10. feeling fearful or guilty;
11. sexual indifference;
12. tummy aches;
13. sometimes vomiting and diarrhea;
14. ringing in the ears;
15. headaches;
16. electrical pulses through the head and body;
17. feelings like you are having a heart attack.

The pain can last in the body for weeks or months after the initial attack. Stronger psychic attacks can lead to severe illness. You also might . . . have a sense that there is something very wrong; have irrational fear, feel vulnerable or invaded; feel anger or sorrow; see your attacker as evil; have unwanted thoughts and images of your attacker creep into your mind; question or doubt your direction in life; have lack of self confidence and self-esteem; feel that you are being watched; see shadows around you from the corner of your eye; have strange accidents; have feelings of the desire to commit suicide.

If attacks go on for a long period of time, and you are pushed into survival mode, you might begin to get angry, or have even rage at the attacker. You might fantasize negative feelings about the attacker and have the feeling that you want the other one to suffer. Be careful. Being attacked can push you into becoming an attacker yourself.

Question: Should I face /confront my attacker?

Answer: A battle begun on the inner planes can only be ended on the inner planes. Any attempt to correct psychic attack or black magic with outer means (i.e. confrontation and retribution) will always fail and fuel the problem even further. You can't battle an inner problem with an outer attack.

Energy Enhancement Meditation gives all the techniques to overcome, take out, Black Magicians. Question: Why have I drawn this attack to me? Answer: Being the recipient of psychic attack gives us the opportunity to see the places in ourselves in which we feel inferior, unsure, weak, unsafe or unhealthy. Under psychic attack, we have the opportunity to raise above our limited options of ourselves, empower our spirits, heal old wounds and take responsibility for our lives.

Remember, in order to evolve, Don Juan said that we need a perfect enemy.

Attack is a call to learn and evolve... or Die!

Spell Caster

A professional black magician is a serious ‘business’.

It is done by a black magician to order by using various Rituals.

There are 500 Black Magicians working professionally in every major city in the World who can be paid to attack.

For the negative psychic energies - energy blockages - to penetrate and lodge themselves in the subtle body of a person, he has to be susceptible to them – either karmically or through the defects in his character, evil energy blockages, or by harboring negative thoughts and emotions.

Most people have these defect energy blockages absorbed in this or previous lifetimes. Their action is to lead a person to despair, by destroying their lives, to lead them onto the Left Hand path as minion or Master.

Simple Psychic attacks, the evil eye, can be dissipated by crystals, stones, herbs and a salt water bath.

A session of simple Energy Enhancement Meditation also will do good by way of clearing and repairing the aura.

Question: How can we be attacked?

Answer: Simple facts . . . We only open the door to attack when

1. We fear the attacker. Fear not only cuts us off from Spirit and our truth, but also opens the door for anyone of dark intent to use us.
2. We think they are more powerful than us . . .
3. We act out of victim consciousness . . .
4. Have an emotional attachment to the person attacking us.
5. Have a Karmic connection that needs clearing or unfinished business with the one attacking.
6. When our Psychic protection is weak.
7. When people develop strong emotions of hate against us.
8. When professional Black Magicians are paid by our enemies to make Rituals, Ceremonies and evil chants to create the evil energy blockages against us
9. When we have no means of fighting back. The Energy Enhancement Seven Step Process to remove Energy Blockages internal and external does not attack to harm. The Energy Enhancement Seven Step Process to remove Energy Blockages internal and external attacks to Heal!

Energy Enhancement Meditation gives all the techniques to overcome, take out, Black Magicians.

Question: How can I end an attack?

Answer: Ending the problem is SIMPLE. No matter how well trained the attacker is on the inner planes, these steps will end the attack.1. Letting go of fear, negative emotions and victim mentality. If you don't know how to clear yourself from your energy blockage filled ego.

Unfortunately some people choose to use their energy in destructive ways. There is nothing we can do about someone misusing their power against us. We cannot make them stop. All we can do is react in the highest way possible within any situation. No one can psychically attack you without your conscious or unconscious permission. Simply refuse the negative projections! End acting out of victim mentality. There are no victims. No one can do anything to us without us allowing it. Do not allow yourself to get sucked into the drama. Be aware that we may be attached to being a victim, since the opposite would mean taking responsibility for our life. Being a victim gives us an excuse to blame anyone for the problems we are having. Simply . . . this mentality is spiritual laziness.

It is laziness because if you learn the Energy Enhancement Course you immediately become connected to a source of Infinite Energy through the Chakras above the Head, connected with God.

Evil People, Black Magicians, Energy Blockages, are all cut off from the infinite energy of God. This is why they

need to steal energy from you, vampirise energy from you. This is why Evil People, Black Magicians, Energy Blockages, can never be as powerful as you!

Evil People, Black Magicians, Energy Blockages can never wield the power of Energy Enhancement because in order to do so they would have to connect with the energy of good, connect with the energy of God.

Why would anyone want to steal or vampirise energy if they were connected with the source of all Infinite Energy?

The Energy Enhancement Seven Step Process to remove all energy blockages does not attack to harm.

The Energy Enhancement Seven Step Process to remove all energy blockages only attacks to heal.

And when an Energy Blockage is healed we can absorb it to increase and augment our psychic bodies making us more powerful in order to heal the world!

Energy Enhancement Meditation gives all the techniques to overcome, take out, Black Magicians.

2. Proper disposal of negative energy. When working to clear the attacker be careful to send the attacker directly into the light so the negative energy can be dissolved, burnt up, transmuted using the Energy Enhancement techniques of Alchemical VITRIOL or The Energy Enhancement Seven Step Process to remove all energy blockages.

If we don't do this, the entity could very easily attach him/her self to someone near to you. Always clear, dissolve, burn up, transmute your field using the Energy Enhancement techniques of Alchemical VITRIOL or The Energy Enhancement Seven Step Process to remove all energy blockages, and thereafter clear all your relations . . . your family, friends, co-workers, pets, your business and so on. If they can't get to you directly, they will try to work nearby.

Let go of any attachment, energy cords, energy connections you might have to the attacker using the Energy Enhancement Level 4 - Mastery of Relationships and Energy cords. Simply erase connections to the attacker from your mind. This closes the door, and they will not be able to access you any more.

Bluntly . . . Learn how to Let it go, by learning The Energy Enhancement Meditation Course and get a life!

If you do not let go emotionally of the attacker, you keep that door open as you feed the attacker the essential energy it likes. Just thinking about the person or situation can give the attacker an open door to keep attacking. Remember . . . we CAN change what someone is doing to us. We can change how we react to it. Energy Enhancement Meditation gives all the techniques to overcome, take out, All Black Magicians.

3. Raise your frequency. Next and most importantly you will need to raise your frequency so as not to attract more psychic attack to you. One way you can do this is to learn Energy Enhancement Psychic Protection. I don't call this space "PROTECTION" for a very important reason. If you think you need protecting . . . , then you do! Energy Enhancement Psychic Protection - any Psychic Protection can only work for a time under determined attack. That is why we need a form of offence to take out the attacker. The Energy

Enhancement Seven Step Process to remove all energy blockages is that Offensive Weapon.

Remember I said before..

The Energy Enhancement Seven Step Process to remove all energy blockages does not attack to harm.

The Energy Enhancement Seven Step Process to remove all energy blockages only attacks to heal.

Energy Enhancement Meditation gives all the techniques to overcome, take out, All Black Magicians.

Question: How do I deal with attack from someone who is insane or mentally disturbed?

Answer: There is no way to heal insane situations physically with sanity and reason. Ultimately those trying to do so will also be drawn into the sickness. It is easy to get drawn into insane situations and dramas. Our spirit wants to correct the mixed signals that insanity puts out. Once the situation is revealed as insane, it is best to close the door and ask the Creator to help the one who is unbalanced. DO NOT try to solve the problem. This one needs to work out his/her karma, and it is a personal journey. Stay away from evil! Follow the steps above.

Question: Would a change in diet or life style help me with protection?

Answer: Yes. Clean up your diet (this is very important). Eat fresh, whole foods, get lots of rest, and most important . . . no drugs, legal or otherwise. Drugs mess up your aura and keep you physically unable to protect yourself.

Other helps to maintain and repair the energy body is a healthy lifestyle This includes:

Energy Enhancement Level 0 which includes.. a balanced diet; plenty of physical exercises like Agnisar Kriya, Nauli and Hatha Yoga; Pranayama breathing exercises; a good ('enlightened') company; spending time in nature (but not alone, if the attack is severe); involving yourself in any work that brings you joy; and surrounding yourself with everything that is harmonious, beautiful, peaceful and wholesome, and avoiding the opposites.

Many thousands of years ago the Yogis, Meditators, Black Magicians discovered how to leave the body and return to the body during meditation. Many ancient books attest to this like the thousands of years old text, "The Yoga Sutras of Patanjali".

Further they found that they could travel up the column of energy connecting heaven and earth, connecting us with the infinity of chakras above the head called the Antahkarana in India, or the Stele of Osiris in Ancient

Egypt, and actually live out of the body in private universes forever, eternally, immortally.

Cleopatras Needle is the Stele of Osiris and behind it the London Eye, the Eye of Horus

Only by cutting off from the Energy Of God could they live immortally because God demands reincarnation, the drink of Lethe, so as to forget all previous lifetimes, to give a fresh start to every lifetime, so that we can change instead of being confirmed the same eternal immortality. So that we can evolve and attain our true state as Imago Dei, the Image of God!

So that we can evolve, become better, more intelligent, more heart based, more psychic.

But the Ancient Black Magicians were afraid of death, afraid of change, did not see the necessity for evolution, wanted to live forever.

Thus they cut themselves off from the energy of God.

They now had to live forever by stealing the energies of humanity, by vampirising the Energies of humanity.

This horrible curse of eternal life they visited upon themselves could only be sustained by killing other people thus the Satanic Rituals to remove Empathy like the Cremation of Care Ritual at Bohemian Grove where the image of a child is burnt to Molech on an altar in front of a 40ft statue of an Owl for an audience of

Presidents of America, Oligarchs, Captains of Industry and Media.

### **BOHEMIAN GROVE CREMATION OF CARE RITUAL**

Other Satanic Rituals include the Ancient Egyptian Ritual, stabbing twelve psychic daggers around the heart, sacrificing and animal or human, taking out their heart and putting it into a canopic jar, putting the energy of the heart into the canopic jar, sealing the jar with tar, burying the jar in a heart site in the countryside.

Once set upon their evil black magic course of immortality, of vampirising humanity, the next step was control of humanity, removing texts about real

meditation, removing texts about reincarnation in the bible, removing texts about how to leave the body in meditation, how to protect yourself from being vampirised of your energy by these black magicians, laughing at the concept of black magic.

All overcome by the Energy Enhancement Meditation Course, [energyenhancement.org](http://energyenhancement.org)

The degeneration of meditation teachings - As we say in Energy Enhancement Meditation, "Traditional Meditations are Designed to Fail"

Further the total mind control matrix of humanity which we are seeing today.

The secret of the Black magicians is mind controlling Addiction Energy Blockages of Sex and Drugs which they implant into everyone to steal their energy. The Opium Wars of the British East India Company to addict and degenerate the Chinese people targetted China for destruction and the rise of Yale Educated, Sodomy 33rd Degree Freemason Mao.

In Satanism everything is reversed, turned upside down, pervaded with sex, homosexuality, pedophilia, every good symbol perverted, degenerated towards Sex, Drugs and rock and roll..

Sex and Drugs with the Whore of Babalon, the Goddess, the Succubus, the Demon infested, stepping out of the lake of fire, ready to infuse her worshippers, her victims, with the methodology to download black magicians from their private universes into the bodies of their victims during the General Pike, British super agent Mazzini created Palladian Rite where sex with the Demon infested Whore of Babalon infuses demons into her victims so they can be possessed, taken over, infused with the downloaded demon Black Magician.

In Satanism, the Ancient masculine Sun Symbol, a dot in a circle, the London Eye above, becomes the Eye of Horus, and represents the Anus.

Whereas is the good way, the Energy Enhancement way, it represents the Heart of the Sun. In a Good way, the Energy Enhancement way, it represents the Kundalini Center of the Earth. And the circulation of Energies between these two centers symbolised by Vesica Piscis.

As we saw in..

SATANISM IS DEFINED BY SATANIC RITUAL  
RITUAL SODOMY OPENS THE THIRD EYE

RITUAL SODOMY SPLITS THE MIND INTO

**RITUAL SODOMY SPLITS THE MIND INTO  
SUBPERSONALITIES OR ALTERS In the House of the

The doctors of the law, too, who had come down from Jerusalem, said, 'He is possessed by Beelzebub' and 'He drives out devils by the prince of devils.' So he called them to come forward, and spoke to them in parables: 'How can Satan drive out Satan? If a kingdom is divided against itself, that kingdom cannot stand; if a household is divided against itself...

So sodomy has been used as a control mechanism of the Satanic Phoenician Mega Trillionaire Secret Societies, Inner Elite, Secret Government, Secret Societies since even before Ancient Egyptian Times.

Ancient Egypt, like Carthage, Rome, Venice, London and Washington are all colonies of the Phoenician Empire.

33 represents the Sodomy Vitruvian man of the Sodomy 33rd Degree Freemasonry or the Sodomy Skull and Bones Society of Yale University founded by the Russell's the British Empire Drug runners of Hong Kong and the Chinese Opium Wars.

The dot in the center of the circle represents the anus!

3 is a bottom or anus.

If rotated a 3 is an M or a W and interchangeably and so on. Most Germanic auto logos are similarly occultic, satanic, like BMW, which is a rendition of B3W - 833.

B is an 8 which is two threes back to back - sodomy.

1 is a penis - The lost Penis of Osiris – Cleopatras Needle.

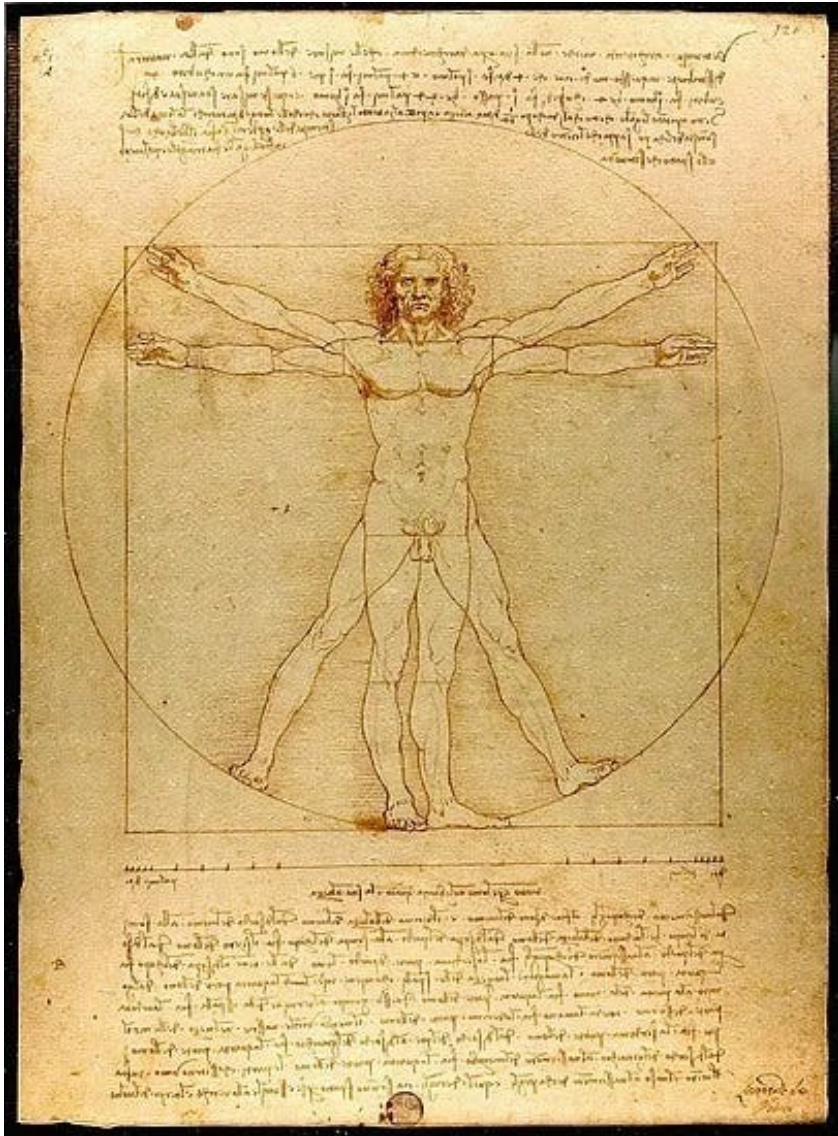

Aces and Eights denote Intelligence services scams - false stories like Wild Bill Hickock's false death - it is their calling card.

Bottom on bottom, 8 or 33 represents the Vitruvian man. The occultist da Vinci's Vitruvian Man really depicts the buggery of the anterior man by the posterior man, the apex of Satanic Luciferian 33rd Degree masonry or final "Mystery of Mysteries" of the secret societies as explicated by Walter Veith (to open their "Third Eye."). The reign of the AntiChrist will be marked as the sodomite king of the world..

33 represents the Vitruvian man of the Sodomy 33rd Degree Freemasonry or the Sodomy Skull and Bones Society of Yale University founded by the Russells the British Empire Drug runners of Hong Kong and the Chinese Opium Wars where sodomy is an "Entrance" Ritual.

Entrance to enter the anus.

Entrance to En-trance by means of using sodomy to implant an addiction blockage also as in the house of the strong man to split the mind into controllable, mind controllable, subpersonalities.

The ability to split the mind through sodomy, trauma and drugs, to mind control the mind is a technique known from ancient Egyptian times and not just from

the "Manchurian Candidate" brain washing of recent times. It is a tool of the Intelligence services of the Satanic Phoenician Mega Trillionaires used to control the inner Elite controllers of the World.

Download The Illuminati Formula to create a Completely Mind Controlled Slave which details, "The World which has been Pulled Over Your Eyes, to hide you from the Truth" Morpheus, Matrix Movie.

This book details the Satanic 10,000 years old process using Torture, Drugs and Hypnotism in order to layer in Demon Programs from birth and before birth into the torture and drug split mind which has always infused the Emperors, Kings, Presidents, Prime Ministers and their policies mandated by the Satanic Elite Controllers..

Now industrial quantities of children - evidence in the 1972 Church hearings 6 hours of video evidence to Congress available on youtube and CSPAN talking about 10,000 young children taken from orphanages and entered into the MKULTRA program - are being mind controlled to take over the World, Movies Trafficked and Taken and the Haiti Trafficking detail the abduction.

The Sodomite Gateway - Titanic's Tribute to the Vitruvian Man: From One Leonardo to Another! DiCaprio honors Da Vinci.

One of the iconic scenes from 1997 blockbuster film, Titanic, featured Leonardo DiCaprio at the bow of the ship. Shouting a memorable line, "I'm King of the World," he held out his arms like a bird catching the wind in its wings. There's an esoteric signal there and some epic irony as well. Note that there are two men at the bow, one behind the other. If you're familiar with the Vitruvian Man you'll recognize this scene as a dramatized version.

Those responsible for the scene understood several things about the classic drawing.

The so-called Vitruvian man is actually two men engaged in sodomy.

By having DiCaprio's character spread his wings, he demonstrates an understanding of the symbolic two headed eagle, another version of the very same sodomite engagement.

By having the character identify himself in this scene as the king of the world, he demonstrates his understanding of the eagle as the Satanic Phoenician Phoenix, the feathered or plumed serpent Amaru, aka Apollo, identities of the coming beast who will reign as the sodomite king of the world.

Note the 33 above the Crown.

# **SODOMY INCULCATED IN THE BRITISH ARISTOCRACY IN 1440 BY HENRY 6<sup>TH</sup>**

The Sacred Band of Thebes (Ancient Greek: Hierós Lókhos) was a particularly effective troop of select soldiers, consisting of 150 pairs of male lovers which formed the elite force of the Theban army in the 4th century BC, ending Spartan domination. It is the speech of the character Phaedrus in Plato's Symposium referring to an "army of lovers" that is most famously connected with the Sacred Band Pederasty: the institution of the man-boy relationship. This was comparable to the medieval knight-squire/apprentice pedagogic structure, but invariably involving sexual/parasexual relations.

The Sodomy Band of Thebes - Like pedophile Spielberg's Band of Brothers - infuses all the top levels of the Military and Navy.

“The belief in the occult world is if you could sodomize God, you’d get God’s power. You become as gods through sodomy; that’s the way the Greek gods became gods. Alexander the Great was a great sodomizer and his Greek army was the most fierce. Hitler tried to pattern his SS and military after the Greek warriors using sodomy. When you put that all together, the civilizations that God wiped out boiled down to the practice of sodomy.”

The drawing together of a "Band of Thebes" British Aristocracy was particularly prized and brought about by the public school system started by Henry VI in 1440 at, “Whipping and Fagging” Eton but franchised to all British schools very quickly. A hidden world drawn together by Pedophilic homosexual warriors - the Heart of the Satanic British Empire - further, "Homosexuality follows Satanism like a stench"

Similar to Orwell, Wodehouse, the third son of a British Empire magistrate based in Hong Kong went to another whipping and fagging, Homosexual Pedophilic "Band of Thebes" public school - Dulwich College is, similar to Eton, a public boarding school for boys. It began as the College of God's Gift, founded in 1619 by Elizabethan "actor" Edward Alleyn. Notable Old Alleynians include notable statesmen and propagandists, Sir Ernest

Shackleton, Sir P G Wodehouse, propagandist Raymond Chandler, Satanic Phoenician Mega Trillionaire Sir Edward George Baron George GBE PC DL was Governor of the Bank of England from 1993 to 2003 and sat on the board of NM Rothschild and Sons, Bob Monkhouse, Michael Ondaatje, Chiwetel Ejiofor, politician and broadcaster Nigel Farage, the cricketer Trevor Bailey, and propagandist C. S. Forester.

Nicole Kidman: ‘Stanley Kubrick Said Pedophiles Run The World’

“Stanley told me the world is run by pedophiles,” Nicole Kidman said while promoting HBO’s Big Little Lies, in Los Angeles. “He studied secret societies his whole life, he was fascinated by them, and he said the elite, the top secret societies, they are full of men with a certain predilection. They are tied together, sort of bonded, by pedophilia like the ”Pact of Blood” where the Mafia entrants have to kill someone in order to join, these guys have to pedophile and human sacrifice like Epstein’s Pedo Island and the Lolita Jet - “They all know each other’s dark secrets. There is no way out for any of them. It’s a lifetime bond. Even if one of them wanted to go straight, repent, so to speak, he can’t. His peers will bring him down. They are in it until death, driving the world to ruin. That’s kind of how Stanley explained it but it was all very complex. I’m probably not doing it justice.”

Sodomy has been used as a control mechanism of the Satanic Phoenician Mega Trillionaire Secret Societies, Inner Elite, Secret Government, Secret Societies since Ancient Egyptian Times.

Sodomy as a control mechanism for all Jesuits, founded in 1540 by Ignatius of Loyola

The Jesuit, "Army of God" a military organisation was created by Satanic Phoenician Mega Trillionaire Venetian Cardinal Contarini, which uses Sodomy as a control mechanism for all their members, founded in 1540 by Ignatius of Loyola and six companions.

Himmler was also the Head of the Jesuits who, "Give me the child before the age of five, and I will give you the man" - use sodomy to program their minions. Himmler created the Knights of the Holy Sea, Sea Seclorum, the SS, with the Permission of the Pope. He therefore used Sodomy to program the SS officers.

The Fabian Socialists also use a Jesuit-like control structure.

The Tolkien Degeneration of an Elf into an Orc symbolises to degeneration of humanity into totally controlled non playing characters through the oligarchic 10,000 rears old "Principle of Poverty" but also educational mind control.

Remember, the main purpose of Phoenician control of the World is not money or power, it is in fact total control using the Satanic Oligarchic Principle of Poverty. Dugged Down, Barefoot, and Back on the Reservation so as to use Humanity as a Spiritual Battery for the purpose of Transhumanism and Immortality.

Infiltrating Bloodline Phoenician aristocratic Families - SATANIC MEGA TRILLIONAIRE FAMILIES - have existed for over 10,000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanic Rituals in Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION..

Dr Josephine Quinn of Oxford University's Faculty of Classics said: 'It's becoming increasingly clear that the stories about Carthaginian child sacrifice are true. This is something the Romans and Greeks said the Carthaginians did and it was part of the popular history of Carthage in the 18th and 19th centuries. Their Gods are evil because Satan, Lucifer, Cybele, Moloch are defined by Satanic Ritual and Human sacrifice. Satanic Ritual Cybele and Adonis and Mithras were the State Religions of the Roman Empire – with its Tauroboleum in which worshippers were showered with the blood of Human and Animal Sacrifices, Ritual Castration and all the Rituals above usually performed in caves catacombs deep in the earth.

Cybele and Adonis – State Religion of the Roman Empire – with its homosexual, pedophile satanic rituals, castrated homosexual Galli priests and Russian Skoptsy and Amazon Breast castration. All of this points to how Satanic Ritual has been used to create a psychopathic Bloodline overclass, control the lower orders and degenerate society for thousands of years whilst hiding behind Christianity.

Satanic Ritual CYBELE AND ATTIS ROMAN STATE RELIGION TAUROBOLEUM RITUAL ANIMAL AND HUMAN SACRIFICE BATHING IN BLOOD In war, the real Luciferian Elite - The heads of all the thousands of years old Generational Satanic Dynastic

Bloodline families worldwide believe that the Religion which is strongest in creating intelligent Psychopaths to rule, will win the competition to rule the world and maintain the totally fooled Christian population in a poverty stricken, media-controlled, uneducated and degenerate state lacking in evolution.

The key is that the Satanic Religion and its recruiting cults of Freemasonry and the, “Spirit Cooking” Crowlean Sodomy Sexual Ritual Ordo Templi Orientis are Fake Gangs, created by men as a technique to conquer the world. This book Against Satanism Volume Six, with all it’s research shows how Trillionaire Phoenician Mega Trillionaire families brought the Myth of Samson to Greece, where it became the Myth of Hercules and the Nemean lion. Cypriot Heracles. Or Phoenician God, Melqart.

The Myth goes that Samson rips apart a lion, later bees or flies nest in the carcass, corrupting the once living proud creating lion, laying their eggs, living on the once great empire, country, city, company, creating their honey... The Lord of the flies is Satan.. “Out of the eater, something to eat; Out of the strong, something sweet.” What is sweeter than honey? Words, spoken by someone kind! What is stronger than a lion? Words, spoken by someone powerful! Words, spoken by the Samson Hercules Nazir Spook Spy Infiltrating Bloodline Trillionaire Phoenician aristocratic Family Traitors.

Hercules posing with his club and cloaked in the lion's empty shell has been widely used as a symbol of imperial and national strength. Could he have been a different symbol for the Infiltrating Bloodline Phoenician aristocratic Families? A symbol that even in antiquity, the mighty empires and nations had already been defeated by the traitor within.

Hercules strangles the invincible Nemean lion, skins it using its own claws, and uses its indestructible hide as armor for himself. In a way, he's living inside the lion's carcass, just like Samson's bees or flies - The Lord of the Flies is Satan - and is covering himself with the lion, just as the word means "cover". . The pun works in English as well, because that is the actual etymology: "hiding" beneath a "hide".

So, the symbology of Hercules is infil-traition, and living off the destruction of the once great empire, country, city, company, - creating their honey... .

The Samson Hercules Infiltrating Bloodline Trillionaire Phoenician families Nazir Spook Spy Traitor pattern with today's spooks of the intelligence services were picked and groomed from the cradle to become agents-for-life traitors in spook projects whose aim is to maintain control!

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague." Quote by - Marcus Tullius Cicero (106-43 B.C.) Roman Statesman, Philosopher and Orator

In this book we find that over thousands of years, spook, Bloodline Phoenician aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World. Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit.

For example using a false Flag to start a fake war between ruling elites in separate countries both of which

have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Trillionaire Phoenician aristocratic Families, and then buying all the assets for pennies on the dollar after the war.

Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war. For example the British/American Empire owning every major industry – the Military Academic Industrial Complex – and creating a False Flag, say the Gulf of Tonkin which started the Vietnam War, or the Lusitania which started World War One – or Pearl Harbour starting World War Two, destroying and taking over Europe, keeping the populations poor, barefoot and back on the reservation, then taking profits from overpriced War materials, munitions, Cruise Missiles, F35 Jets, Aircraft Carriers, Nuclear Submarines, Space Weapons, standing armies, food, clothing, funerals.

A one Trillion Dollar annual budget - see Schindlers List. Loans from the Infiltrating Bloodline Trillionaire Phoenician aristocratic Families Fed Central Banks.

Or burning down a farm, or stealing all the cattle, making the family bankrupt, buying the farm from their own Phoenician aristocrat owned bank for pennies on the dollar. Or Infiltrating Bloodline Phoenician

aristocratic Families Banks giving mortgages to the poor, then creating a depression - say 2008 - so no-one can pay their mortgages so the house is taken back by the Bank, every Bank is owned by the same rich aristocratic Phoenician families, then the same rich aristocratic Phoenician families buy back the house from their own bank for pennies on the dollar.

Or prohibiting Alcohol, Heroin, Cocaine, and Marijuana by Law by paying their Political Stooges – also from the same thousands of years old Phoenician aristocratic bloodline Families – including Dark Side Mafia Families which are the same thousands of years old Phoenician aristocratic bloodline Families as who are the Political Stooges.

Selling the drugs at incredibly inflated profitable prices. Destroying the potential of humanity to fight back. Sapping the Spiritual energy of Humanity. Maintaining the 10,000 year control of Humanity. And therefore creating a trillion dollar a year business run by the Mafia and the profits laundered by the Senators from the the same thousands of years old Trillionaire Phoenician aristocratic bloodline Families – after the Chinese “Free Trade” - drugs and slaves - British HSBC – Hong Kong and Shanghai Banking Corporation or the British Pirates of the Caribbean Banks have laundered the money and invested in legitimate businesses, estates, land,

diamonds, bribes and gold, owned by the same rich aristocratic Phoenician families.

Then Alcohol is legitimized legalized to create heavy taxes and creating incredibly profitable breweries and Spirits companies owned by the same rich aristocratic Phoenician families Then the drugs are legalized to create heavy taxes and incredibly profitable companies – like BAT, British/American Tobacco, like legalised Heroin Oxycontin owned by the Sackler family, - owned by the same thousands of years old Infiltrating Bloodline Phoenician aristocratic Families.

With Marijuana/Soma set to follow.

When I was a child, I played monopoly with my friends. I found I could infinitely extend the game and get all the property, all the money by “Giving” money to my friends when they ran out. I was not sophisticated enough to loan it to them. After a while my friends got sick of it and fucked off.

The secret is that 99% of all money is inherited. With this money you gain all the property, all the money, and the 1% that is left. Karl Marx wrote "Das Kapital" from his MI6 donated offices in the British National Library in London from the notes of his handler, Ambassador Urquhart creating the religiously polarised concepts,

Capitalism, Communism, Socialism, and Cloward and Piven.

The 'Cloward and Piven Strategy' plan calls for the destruction of Capitalism in America by gaining political power by offering free "Basic Income", swelling the welfare rolls by importing 600 million immigrants from Mexico to the point of collapsing the economy, and then implementing socialism by nationalizing many private institutions, ready for invasion by the United Nations, China and Russia.

“Cloward and Piven studied Luciferian Saul Alinsky just like infil-traitors Hillary Clinton and President Obama.”

In this book we see that many Infiltrating Trillionaire Bloodline Phoenician families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling, creating and breaking their Empires.

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every

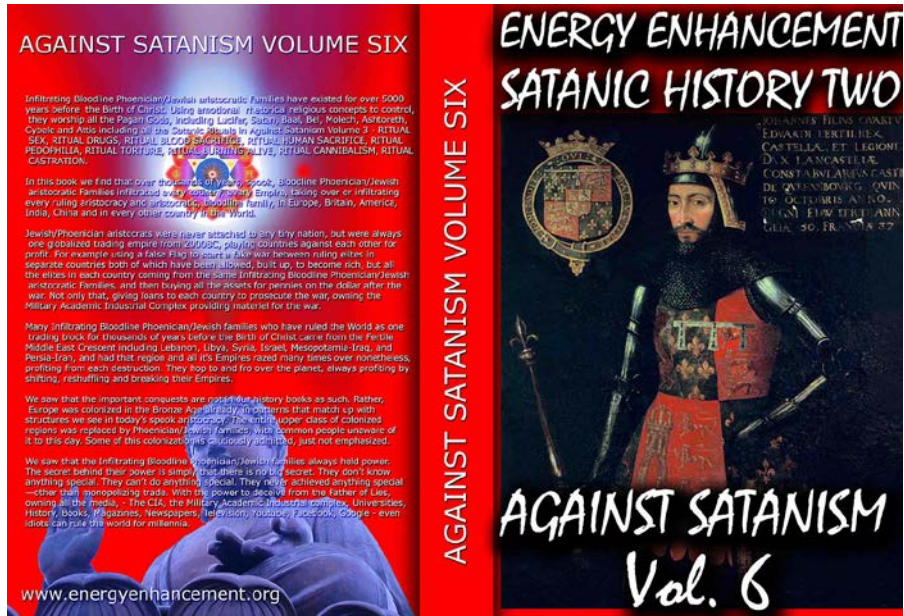

country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

In this book we see that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Trillionaire Phoenician families, with common people unaware of it to this day.

Some of this colonization is cautiously admitted, just not emphasized. In this book we see. In this book we see that the Infiltrating Bloodline Trillionaire Phoenician families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the

Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google.. Even idiots can rule the world for millennia.

## MIND CONTROL

So, in a World of Fusion Bombs, the only warfare possible is the Ancient Warfare of Mind Control.

The scions of the elite pass every test - and are passed on to the highest levels..

Mind Control by Media - Newspapers, Movies, Television, Social Media, Search Engines - all controlled by only six corporations - where True Freedom of Speech is controlled by Satanic Corporations. The editors will only promote or employ those people who of their own free will, agree with everything the editors say.

Trauma Based Mind Control - Read, Fritz Springmeier's "How to create a completely Mind Controlled Illuminati Slave" available online.

Control by Religion - Their Leaders tell you what to do and what to think.

Control by University - Their Leaders will allow you to pass their Examinations, only if you think correctly. Napoleon was last in his class at the military academy he was passed in his examinations by agent Lagrange.

Control by Job - Their Leaders will only allow you to progress if you agree with them. The Bosses will only promote or employ those people who of their own free will, agree with everything the bosses say.

Control by Blackmail - the many honeytraps of addiction to sex - homosexuality, BDSM, pedophilia or drugs provide blackmail opportunities like the Epstein pedophile blackmail operation - MI6 introduced Corporate Leaders and Politicians to children in Orphanages to Abuse, rape and murder, but videoed it all as Blackmail.

Control by Payment - Rent-a-mobs are paid mercenaries or prostitutes. But so is every job. So is everything you do, if you are dependent on the money or want to be rich. The morality of choosing a life positive profession rather than helping Satanic Phoenician Mega Trillionaires become ever richer.

Control by Assassination - Satanic Phoenician Mega Trillionaires own Armies, Special Forces, Weapons, James Bond licensed to Kill. If anyone escapes the Mind Control and is in a position of power such as to change the status Quo, he is killed. We know the famous ones but this killing by suiciding people or giving a heart attack goes much deeper.

And behind every one of the above, are the Satanic Phoenician Mega Trillionaires who employ the leaders of every human employment.

It is the Satanic Phoenician Mega Trillionaires who pay the Piper. And every one of the Pipers plays the tune asked for by the Oligarch.

The Satanic Phoenician Mega Trillionaires create the Wars.

Catholic against Protestant - but both Catholicism and Protestants were created by the Satanic Phoenician Mega Trillionaires . And thus we have Europe at war for centuries, populations Kill/Culled, infrastructure destroyed, poverty created.

Communist against Fascist - but both Communism and Fascism were created by the Satanic Phoenician Mega Trillionaires . And thus we have WWII, populations Kill/Culled, infrastructure destroyed, poverty created.

Agent Stalin using created communism against ordinary Russians and 60 million Russians end up dead.

Agent Mao using created communism against ordinary Chinese and 100 million Chinese end up dead.

And the Sodomy Jesuits, the Freemasons, the Wahhabists, the Soros Colour Revolutions, the Crowley

Sodomy OTO, The Satanists, the Luciferians are all like this - created by the Satanic Phoenician Mega Trillionaires to manage their planet through poverty.

And Agents Adam Smith, Hume, Locke, Berkley, Mill, Huxley, Newton, Lagrange, Lord Bertrand Russell, Aristotle, Sarpi and all their paidhack books and theories - created by the Satanic Phoenician Mega Trillionaires to manage their planet through poverty.

It is the Satanic Phoenician Mega Trillionaires who pay the Piper. And every one of the Pipers plays the tune asked for by the Oligarch.

We have seen the above histories.

We know how this Warfare is done.

We know who does it.

We know what needs to be done.

And the only person who can do it is one who pretends to be part of the herd but when put in power totally changes, and then becomes a target for sabotage and Assassination!! The whole World of Popes and Media will be against them. So shall they be known.

By their Fruits shall ye know them!!

Fourth generation warfare is defined as the promotion of Satanism and Sodomy and Pedophilia as the control structure behind conflicts between consciously yet falsely created religions, philosophies, Economics, Sciences to create dialectical wars, Chaos - Falsely created Thesis and Antithesis, both created to provide a problem, reaction, Totalitarian solution. Orden Ab Chao!!

And the Satanic purpose is the control of humanity for 10,000 years to create a Poverty stricken, destroyed infrastructure, destroyed Science, perverted Satanic Economics, perverted Satanic philosophy, perverted Satanic Religion - a totalitarian, total control of humanity at the level of the beast, a Feudal Slave.

But more.

Satanism knows that humanity is Imago Dei - the Image of God.

And Satanism wants to degenerate that image, through our own free will, to a person cut off totally from God, who can only live by vampirising the energy of humanity.

Humanity can only live because it is totally connected with God.

Having cut off from God, Satanists must perforce vampirise humanity.

This vampirisation can only occur by cutting off from other major systems or chakras within the human psyche.

The first is empathy, the energy of the heart.

The second is conscience, the energy of the Soul.

The human biocomputer must be desecrated by these Satanists in order that they remain Satanists!!

God's creation of humanity must be desecrated by these Satanists in order that they remain Satanists!!

And the definition of a Psychopath is a person with no empathy, no conscience.

A Satanist creates a psychopath of himself by cutting off from empathy and conscience by utilising Satanic Ritual - the Satanic Teaching Tool - the original 4th generation warfare against empathy and conscience - The creation of psychopathy.

The teaching of Aristotle that humanity has no Soul.

The teaching of Aristotle that we can know Only through the senses - sense certainty. Satanic Human Sacrifice and Cannibalism, Loveless Satanic Sex etc, Rituals exist in All Civilisations, Rituals exist in All Pagan Satanic Religions.

THESE RITUALS DEFINE SATANISM.. LOVELESS RITUAL SEX, SODOMY, PEDOPHILIA, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION

# **Brad Pitt is an Aristocrat of the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families**

A direct descendant and namesake of William Pitt the Younger, Prime Minister of England, Cousin of Matt Damon, Ricky Gervais, Susannah York, Al Gore and Joe Biden.

Brad Pitt is an Aristocrat of the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families, a direct descendant and namesake of William Pitt the Younger, Prime Minister of England, Cousin of Matt Damon, Ricky Gervais, Susannah York, Al Gore and Joe Biden.

Our contention is that no-one gets promoted, no-one gets the big jobs unless they are part of the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families..

Artist Saul Fletcher is a friend of Brad Pitt.

Our first guess would be that Fletcher is a peerage Fletcher, linking us to the Saviles as in Satanist and Necromancer Jimmy Savile, friend of King Chuckie and of Prime Ministers Margaret Thatcher and Edward Heath.

The Grimstons, Talbots, Fox-Strangways, Molyneux, Russells, Campbells, Howards, Brabazons, Peels, Hamiltons, Spencer-Churchills, Egertons, Maitlands, and Stuarts. Also see Baron Fletcher, d. 1990, Deputy Speaker and later Privy Council to the Queen - Saxe Coberg Gotha Dracul - of England. He is strangely scrubbed at thepeerage.com. These Fletchers of the peerage also have ties to California, see Dr. Clarence Fletcher who attended Berkeley. With a bit more digging, we find these Fletchers are related to the Hohenbergs, linking us straight to the Kings of Austria, including Archduke Franz Ferdinand. Wow.

We see actress Susannah York, nee Fletcher. Her father was a merchant banker and steel magnate. He is listed in the peerage but is scrubbed of all information. He is the

one who links us to the Peels and Hamiltons, that is to the Home Office and MI6. Peel is on the cover of Sgt. Pepper's, remember.

And we have more in that vein: these peerage Fletchers became Aubrey-Fletchers in 1910, and in 1965 Susan Aubrey-Fletcher, daughter of the 7th Baronet, married Richard Stanley, son of Lord Stanley, and grandson of the Earl Stanley, 17th Earl of Derby. So that's twice that name came up already, if you are counting. It will come up again. The Earl Stanley's wife was the daughter of William Montagu, Duke of Manchester, a cousin of George Washington.

These Fletchers also link us to the Telfers. Do you remember who is a Telfer? That would be Matt Damon. Which reminds us we have now linked Pitt to Fletcher. Pitt is related to these peerage Fletchers in many lines, which would confirm that Pitt and Fletcher were not just friends: they were cousins. Pitt and Damon are also cousins.

This could be why we are never told who Saul's parents are. His bio is empty of all information of that sort, just as with Houseago. But can we link the peerage Fletchers to Lincolnshire? Yep, since they have been there since the 12th century. See Ralph le Fleccher of the Hundred Rolls.

But I just did my little dance, since I found the link to Barton-upon-Humber itself. Remember, that is where our Saul Fletcher was born. So I did a search on “stately homes Barton-upon-Humber”. Stately homes are homes where the peerage or nobility have lived. There are 13 listed, but I just happened to click on the right one the first time: Lotherton.

Maybe that was a good guess or maybe we could link the Fletchers to all of them. Anyway, here is the direct link: The Gascoignes owned Lotherton, and they are now the Trench-Gascoignes. So I just looked up the last one who owned that home, Alvary Trench-Gascoigne, and found he comes from Col. Frederick Trench-Gascoigne, ne Trench, whose mother was a Gascoigne.

These Trenches were the Barons Ashtown, and one of the nephews of the 1st Baron married a Chevenix. That rang a big bell since I had just seen that name while researching the peerage Fletchers. That Dr. Fletcher who went to Berkeley married Isabel Clare Chevenix Trench, which means the Gascoignes of Lotherton in Barton-upon-Humber are also Fletchers. Meaning, I have now proved the Fletchers of Barton-upon-Humber are not “hardscrabble”, they are in fact peerage.

They are also Gervaises, linking us no doubt to Ricky Gervais, yet another cousin of Brad Pitt. Explaining why they let him do his thing at the Golden Globes. He is just joshing his relatives.

<https://againstsatanism.com/The-Atheism-of-Ricky-Gervais-ends-in-Satanic-Society-Sodomy-homosexuality-pedophilia-Molech-Child-Sacrifice-Baal-Rothschild-Soros-Open-Society-Leo-Straus-Kant-Moby-Dick.htm>

Who else do we link to with these Fletchers? Well, we link immediately to Gores, taking us forward to Al Gore. Through the Trenches we link to the Bloomfields and then to the Liddells. We saw in a recent paper that Joe Biden is a Liddell as in Pedophile Alice in Wonderland, related to the these Barons Ravensworth. The Trenches also link us to the Moores, Earls of Drogheda, who link us to the Ponsonbys and Brabazons, who link us to the

Manners and Montagus, who link us again to the Stanleys for the third time. The Manners link us to the Pierreponts and Cavendishes, including J. Pierpont Morgan. The Cavendishes link us to Scudamores and Stuarts. So, basically everyone.

*As I say in my review of the Movie, "Limitless" - All arousal of the system into ravaging its own internal energies in Sex, Drugs, Food, instead of using Energy Enhancement Level One to connect to an infinite stream of free energy from the Chakras above the head ending with God.*

*All arousal of the system into ravaging its own internal energies in Sex, Drugs, Food or unnecessary Exercise will result in the, "Burnout of the Binge" as your life energy is sent back to the vampire implanter and you the implanted are stoned, burnt out, anaesthetised, recuperating, ill, cold, influenza, ME, medical intervention, surgical intervention, ghosted, on the verge of death, Dead before your natural time...*

*By Surrounding all these blockages in Energy Enhancement Protection, Pyramid Protection or Merkaba Protection, it will cut off that energy blockage from its support, from the people who are draining your energy along energetic connections from the energy blockage back to them.*

*So Psychic Protection stops the vampiric drainage even though the Implant Blockages still remain.*

**Stopping the vampiric drainage and energetic support of the blockage through the use of Energy Enhancement Psychic Protection which can even help in removing the blockage is a necessary preliminary to the Seven Step Process of Energy Enhancement Level Two - Remove All Energy Blockages.**

# LIMITLESS - THE MOVIE OF ILLUMINATION

WHAT IF A PILL COULD MAKE YOU RICH AND  
POWERFUL? THE MOVIE REVIEW BY  
SATCHIDANAND - A PURPOSE MORE PROFOUND

LIMITLESS - THE MOVIE OF ILLUMINATION

**WHAT IF A PILL COULD MAKE YOU RICH  
AND POWERFUL?**

**THE MOVIE REVIEW BY SATCHIDANAND - A  
PURPOSE MORE PROFOUND**

**Limitless is a Movie  
created for advertising  
drugs.**

In the movie you get this little tablet which looks like pure transparent crystal denoting purity...

Like Crystal Meth.

Like Crystal Cocaine.

Like Crystal Champagne.

Whereas everyone knows that in general that all food and drugs - cocaine, heroin, cigarettes, beer, spirits and marijuana are cut with the most horrible poisons which quickly destroy anyone who uses them, much more so than the drugs themselves.

Fast moving high profit pressure industries like the Stock Market, buying and selling Derivatives in the Imaginary Casino Economy have traders who can only

function with cocaine. Their problem is one of Burn Out!!

With Drugs all cut with poison the body fills up with toxins and the hair and teeth fall out and the organs harden up and soon the body dies - much before its normal time of dying.

In the movie the results of using the drug is shown..

The inability to concentrate.

The lack of energy.

The tendency to disease and death.

Burn Out!!

And in the Movie, all we have to do is to work out the bugs in the drugs..

And everything will be OK.

Whereas this search for the perfect drug has been going on for a thousand years

And never has the perfect drug been found.

The reason for this is that these drugs have their wonderful effect by using up the internal energy stored

in your internal batteries given at birth and replenished in sleep.

Drugs make you vampirise your own energy stores.

Drugs make you burn up the candle at both ends - soon the energy is used up and there is nothing left to burn.

It is the same with the corruption of Sex Magic and the passing on of sexual energy blockage implants through personal contact which vampirise the energy of sex back to the person who implants you and BDSM and even of exercise, of running where one of our friends read this book where she heard that it was good to push yourself past your limits and into your reserves of energy, well in the same way that drugs push you past your limits and into your reserves, the result is always the same...

The inability to concentrate.

The lack of energy.

The tendency to disease and death.

Burn Out!!

And then the descent into Vampirism - learning to become an Energy Vampire - to take your energy from everyone around you, family, friends, Horrible, the Horror, the Horror!!

Drugs at first give you the experience of Enlightenment, Illumination which we teach in Energy Enhancement.

Enlightenment is the connection with infinite energy - in a way it is the Ultimate Drug without the Drugs!!

Sensible people then use this first experience as a spring board to search for this same experience without drugs.

For thousands of years, this experience has been available ONLY! with Meditation.

Just like in the Movie Limitless, Illumination speeds up the memory and the mind and allows the interconnections between disparate information and synthesises it into what the Greeks call Genius..

With this Soul Connection all the expansion of the Mind of all the faculties, the talent, the Genius come about without any ill effects because it is simply the natural course of Energy Enhancement Accelerated Evolution - tapping in to the chakras outside the body along the Antahkarana Column of Energy connecting you with the path of the chakras above the head which ends in God - The One God with 10,000 names, Immortal, Invisible, God only wise.

From Kundalini Chakra, the Black Sun of Tartaros in the Center of the Earth. The Chakra which supplies the Infinite Fountain of Kundalini Energy to your Base Chakra, Muladhara Chakra, which then supplies Kundalini Energy to all the other chakras in the body, energising them, charging them up, purifying them, releasing all their native energies and talents.

From the Central Spiritual Sun in the Center of the Universe we have fusion power.

And we tap into that God Energy, an Infinite charge, an Infinite, Inexhaustible, Superabundance of supply..

And he was right.

Because when we connect with the Soul, not only do we connect with Infinite Energy, but we also connect with Intuition and Synthesis. # Nothing Fails like Success.

Only people who are not Enlightened can talk convincingly about Enlightenment.

Nothing fails like success.

Only people who are not Enlightened can talk convincingly about Enlightenment.

The man who knows, hesitates. Lao Tzu says, 'Everybody seems to be very certain except me.' He says, 'I hesitate as a man who, coming to an ice-bound river, stands on the bank, thinks twice -- and then walks very, very carefully. Everybody is walking so confidently.'

Blindness is very confident because it cannot see anything; you can walk into a wall with tremendous confidence. Because he sees things, a man who has eyes cannot walk with as much confidence as a blind man.

When Buddha became enlightened he remained silent for seven days... this is a beautiful story from the Buddhist scriptures. The gods in heaven became very much worried. It happens rarely that a man becomes a Buddha and even more rarely that a man becomes not only a Buddha but capable of being a Master also -- this is even more rare. Many people become Buddhas but

only a few of them become Masters. The others remain silent. When they have attained, they fall into deep silence.

This man, Gautam Siddhartha, had become enlightened and he had all the capacities to become one of the greatest Masters in the world. The gods were right. We know what happened -- he became one of the greatest Masters in the world. In fact, no other Master is comparable.

More people attained to enlightenment through him than anybody else. It seems difficult to surpass him.

The gods were right. They came down to the earth and they went to see Buddha who was sitting under his Bodhi tree. They argued with him and they tried to persuade him that he had to speak. They challenged his compassion. And Buddha said, 'I have been thinking about it myself but it seems futile.

Firstly, if I speak, nobody will understand.

Secondly, whatsoever I speak will not be the truth, will not be the hundred per cent truth. It will be untrue in many ways -- because that which I have known cannot be reduced to a linguistic form. It is formless. I have got the taste of it but to assert it seems impossible.

Thirdly, if I speak and it is written down then that which I speak will be censored, changed and added to by people who want to maintain control of humanity. Satanic Phoenician Mega Trillionaires who want to teach you false techniques, techniques which do not work. Because they want to maintain people in a lowly evolved state just using the intellect with no morality at all - the definition of Psychopaths.. Because they want people like the Nazi Doctors who it is recorded, killed 250,000 mental patients in Hitler's Germany, because they were intellectuals, because they had no meditational connection with the Infinite Love, Grace and Spiritual Energy of God.

Fourthly, even if I try and even if I succeed, who is going to understand it? They will not understand. I know perfectly well that they will not understand because if, when I was ignorant, somebody had talked to me in the way that I would be talking to them, I myself would not have understood. It will look absurd. It is absurd. So why bother? I will keep quiet and disappear into the great nothingness.'

Then the gods thought about it, brooded over it, and they said, 'But there are a few who will understand. There are always a few, very few, but they will understand. Yes, if you speak to ten thousand people maybe only one will understand -- but even for that one you have to speak.'

And Buddha said, 'That one will become enlightened even without my speaking. One who is alert enough to understand me will be able sooner or later to reach by himself, so why bother?'

The gods were at a loss. Now what to say to this man? They brooded again. Throughout the whole night they thought and meditated and in the morning they came again and said, 'You are right, but still you have to speak because there are a few who are just on the verge. If you don't speak they will not understand, they will not move. If you speak, they will move.'

You are right, there are a few who will move on their own -- but just think of this: if out of one million people even one is standing at the boundary and will not take courage to move without you? why not speak for him? If even one man becomes enlightened out of your whole life's effort, it is worth it.'

And Buddha had to concede to the gods. He spoke. He was so reluctant, he was so resistant.

Inside knowledge is again fabrication -- all knowledge is fabrication. Man has been-satisfying himself with intellectual knowledge. There is a hunger, a deep thirst, a great search to know God, to know truth, but it seems to be so difficult to reach it that we satisfy ourselves with knowledge.

If somebody gives us knowledge we hold it, we cherish it, we keep it inside. Down the centuries that knowledge has by and by become very intricate, very complex, very esoteric. Enlightenment is very simple, childlike; knowledge is very complex. It has to be. It is a cunning invention of man.

When you listen to an enlightened person he is stating simple truths, he is stating very simple truths; he is not talking about great philosophies. He is very factual.

In fact, he is not talking about Enlightenment; he is simply indicating Enlightenment through the meditation techniques he teaches.

Says Buddha, "There is a Path"

'Buddhas only show the Path - like the techniques of Energy Enhancement Meditation - they don't talk about the goal.' You have to walk -- and walking, one day it happens to you. Only on the day that it happens to you will you be able to know that all intellectual knowledge is a fabrication out of cunning and clever minds and all understanding is very simple, childlike, not intellectual.

You open your eyes, You See!

Christ declared 'I and my father are one.'

The moment you know that you and existence are not separate -- that's the ultimate peak of understanding, of being, there is nothing higher than that -- that's the moment when one becomes a Christ. Christ simply means the crowned one; one is crowned by glory, crowned by the meeting and merger with the divine.

It is possible only for a very blissful person.

The people who go to the churches and the synagogues and the temples and the mosques are almost always a miserable lot. They go there not to celebrate life but to ask something from God. They go there as beggars; and God is not for beggars, God does not exist for beggars. The beggar is full of Energy Blockages.

Each Energy Blockage is a negative emotion, a fear, a sadness, a depression, a bipolar disorder Energy Blockage Implant given to you by minions of the Black Magicians who use these Energy Blockage Implants to drain your Spiritual Energy. .

Each Energy Blockage is a desire, an addiction, an Energy Blockage Addiction Implant given to you by minions of the Black Magicians who use these Energy Blockage Addiction Implants to drain your Spiritual Energy.

Each Energy Blockage Negative Emotion Implant or Energy Blockage Addiction Implant is a portal to which Black Magicians place Energy Cords vampirising your energy, stealing your spiritual energy, stealing your youth, making you old, taking all that is you to them.

Through these Energy Cords they stimulate your emotions, your desire, for drugs, for sex, and then they vampirise that flaming energies back into their storehouse and use that energy to live immortally out of the body.

**The Hubris of Morgoth and The Rings of Power - the Story of Fight against Sauron a Demon who lives out of the Body, thrown out of the body by having the One Ring cut off his finger by Isildur**

Energy Blockage Addiction Implant desires are a hindrances.

God exists only for the Emperors, and by 'Emperor' I mean a person who is the Master of Energy Enhancement Meditation, has seen the futility of all negative emotions, the futility of all desiring. Who has found the spiritual technology, the spiritual techniques, censored, removed, swept from every one of the spiritual books of the last 10,000 years to access infinite spiritual energy, to remove every stupid desire, addiction, Energy Blockage.

That technology to do all that is called Energy Enhancement Meditation.

When you see that desiring is futile bliss explodes. It is desire that creates misery. If desire, if addiction is not fulfilled you are miserable, if it is fulfilled then too you are miserable, because when it is fulfilled you see that nothing is fulfilled, you are the same person. You wanted a big house and now it is yours. You wasted years and years for it and dreamt about it and spent so much energy; now the house is yours but you don't see the bliss that you were dreaming, fantasising, about.

You have had the sex and now you feel old and tired.

You have exploded with drugs and now you are burnt out.

Nothing fails like success.

So if a desire is fulfilled you are miserable, if it is not fulfilled, you are miserable. Either way it brings misery.

Seeing this the man of understanding learns the Energy Enhancement Meditation techniques, practices the Energy Enhancement Meditation techniques, accesses infinite energy, transmutes the negative energies with Alchemical VITRIOL, removes the Energy Blockages with the Energy Enhancement Meditation Seven Step Process, removes the Karma with the Energy

Enhancement Meditation Level 3 Karma Cleaning Process, Manages Energy Cords with the Energy Enhancement Meditation Level 4 Management of Relationships.

<http://www.energyenhancement.org/Level4.htm>

Transmute all your desire addiction Energy Blockages to stop desiring any addiction, and in that very transmutation is the connection with the Infinite Energy of the chakras above the head, an explosion of infinite energy bliss. And when you are dancing and rejoicing in each moment of life you will find God is connected to you, You are That, Tat Tvam Asi! with you, without you, God is you.

That's the goal of Energy Enhancement Meditation, to experience oneself as divine. Nothing less is going to fulfil, nothing less is going to help. And it is not a far-away goal; it is within everybody's reach, we just have not tried in the right direction, the right techniques, the right Path, "Traditional Meditations are Designed to Fail!"

Blissfulness is the right direction, the way that leads to God. Misery is the way that leads you farther and farther away.

Dhyan means meditation. Nadia means hope.

The only hope is Energy Enhancement Meditation - remember, "Traditional Meditations are designed to Fail!"

And remember, I say the only hope -- all else is just hopeless. One can have money, power, prestige, but

ultimately one finds everything has betrayed one. Even a man like Alexander the Great who conquered all of Asia, became the richest person in the World, dies in deep frustration and hopelessness. But the man of meditation lives with tremendous ecstasy and dies too with the same ecstasy, with the same dance.

Just before Buddha died his disciples naturally started crying and weeping; they could not contain their tears. He said, "Stop! You should rejoice because I have fulfilled my mission in life. There is nothing more for me to do here. I have known whatsoever was worth knowing, I have realized whatsoever was my potential. My death is not the end of life but the ultimate crescendo, the climax. Weeping and crying you can do later on; right now while I am still here, rejoice!"

Meditation is the only hope. One should put one's whole energy into Energy Enhancement Meditation. It means the exploration of your own interiority. It is a journey from the circumference to the center. The moment you reach the center you have come home. Then suddenly spring is there and the birds start singing and the flowers shower, they suddenly appear from nowhere and the whole of life is fragrant.

It is better to move into meditation as quickly as possible. Every moment that is not meditative is lost. We save only that time which goes into meditation --

that is the only real life. And once you know how to live at your center you need not renounce life; you live in life, amidst life, but still you are centered, rooted in your self.

The meditative person is not an escapist; he is creative. That is the criterion of real meditation: if it helps you to be creative only then is it true meditation; otherwise you are carrying something pseudo in the name of meditation. If it creates the longing to escape from life -- to the monastery, to the caves to the mountains -- that is not true meditation.

One has to be blissful wherever one is.

There are a few experiences which can only be called Godly, there is no other way to define them. Love is one of those few rare experiences. Energy Enhancement Meditation, bliss, love -- these can be only indicated by the word 'Godly', because whenever you are in love or in bliss or in meditation suddenly you become aware of a translucent presence, surrounding the whole existence. You see it within, you see it without. It has always been there, it is just that you were blind. You are breathing it every moment, you are living in it. Just lives in the ocean we are living in God. All that is needed is a certain clarity, a certain ability to see.

And love helps immensely to cleanse your eyes, because fundamentally love is the dropping of the ego mass of Energy Blockages, and the moment ego is dropped a curtain that was on your eyes disappears. The clouds that were surrounding you are no more there, the sky is clear and you can see the farthest stars, you can enjoy the infinite spiritual energy, an inexhaustible supply of energy from the infinite chakras above the head ending in God.

God is not a person but a presence, hence you will not meet a person the way Christians have been talking about God, the father -- a very ancient, old man. His beard must have reached the floor by now, it just be sweeping the floor, because I have never heard that there are barbers in paradise; nobody has ever thought about barbers and hair-cutting salons. He must be completely covered with hair! There are all kinds of Gods invented by religious people, but they are all inventions, imagination, fiction -- you can call them spiritual fiction. Just as there is science fiction, so there is spiritual fiction. But the truth is that God is not a person at all, you cannot make any image.

God is beauty, not beautiful. God is love, not loving. God is infinite spiritual energy powering up all your psychic powers. God is bliss, not somebody who is blissful.

And when you start seeing God as beauty, as truth, as love, as bliss, as ecstasy, your whole vision goes through a radical change. And love can become one of the most significant steps. One can enter God through love very easily.

Your Enemy is the Satanic Phoenician Mega Trillionaires. Buy your ticket to Mordor now. Once you arrive you will realize those killed by the jab were the lucky ones.

Your enemy resides in places like the Gates Foundation, the Chan-Zuckerberg Foundation, the Rockefeller Foundation, the Ford Foundation, the Carnegie Foundation, the Aspen Institute, the Trilateral Commission, WHO, the World Bank, Pfizer, Big Tech, Big Pharma, WEF, and all the various thinktanks and NGOs on both sides of the aisle.

You have the right, it is not treasonous to be against them and to call for their end, so do it. Start by saying it to your neighbors and family, then post it online wherever you can find a page. Go tell it to your city council. Write letters to your Congress people. Chalk it on the sidewalks. Make flyers. Send postcards. Post signs. Paste bumperstickers. If you have money buy adverts and billboards. File lawsuits. Whatever you can

do, do it. Be a 24-hour pest to Bill Gates and these other mass murderers.

Just state your opinion: you are against Gates and all the Satanic Phoenician Mega Trillionaires. You are against

unelected NGOs affecting policy. You are against lobbying. You are against transnational and supranational organizations. You are against Congress delegating authority to non-Constitutional bodies and individuals and corporations.

About half the country has been very vocally against the Satanic Phoenician Mega Trillionaires since 2020. The the Satanic Phoenician Mega Trillionaires are trying to snuff out this groundswell, but all they are doing is throwing gasoline on the fire. All the censorship is just fanning the flames. After the fake Deathvaxxes, it is the censorship that is driving the revolution more than anything else. That is where the greatest anger is coming from. Dead bodies and tyranny, in that order as it should be.

If real votes were being counted, I think a landslide would be guaranteed. But because the whole world is now scripted by computers and hidden wizards, anything can still happen. What you are going to see is the Republicans winning big and then . . . doing nothing. We have been in a Blue planned fail for two years, and after November will enter a Red planned fail. Job one of every single person elected will be to stall the revolution by any means necessary. It will be to plant new false hopes and push any change into the future. It will be to get your eyes off vaccine deaths and tyranny and back

on to partisan politics, gender wars, race wars, and sex wars.

Your enemy, the Satanic Phoenician Mega Trillionaires resides in places like the Gates Foundation, the Rockefeller Foundation, the Ford Foundation, the Carnegie Foundation, the Aspen Institute, the Trilateral Commission, WHO, the World Bank, Pfizer, Big Tech, Big Pharma and their Deathvaxx, WEF and their Totalitarian Great Reset, the United Nations and their Agenda 21 and all the various thinktanks and NGOs on both sides of the aisle, who have always been against you all the way.

If you cut off Fuel and Electricity you will die and become a sacrifice to Satan.

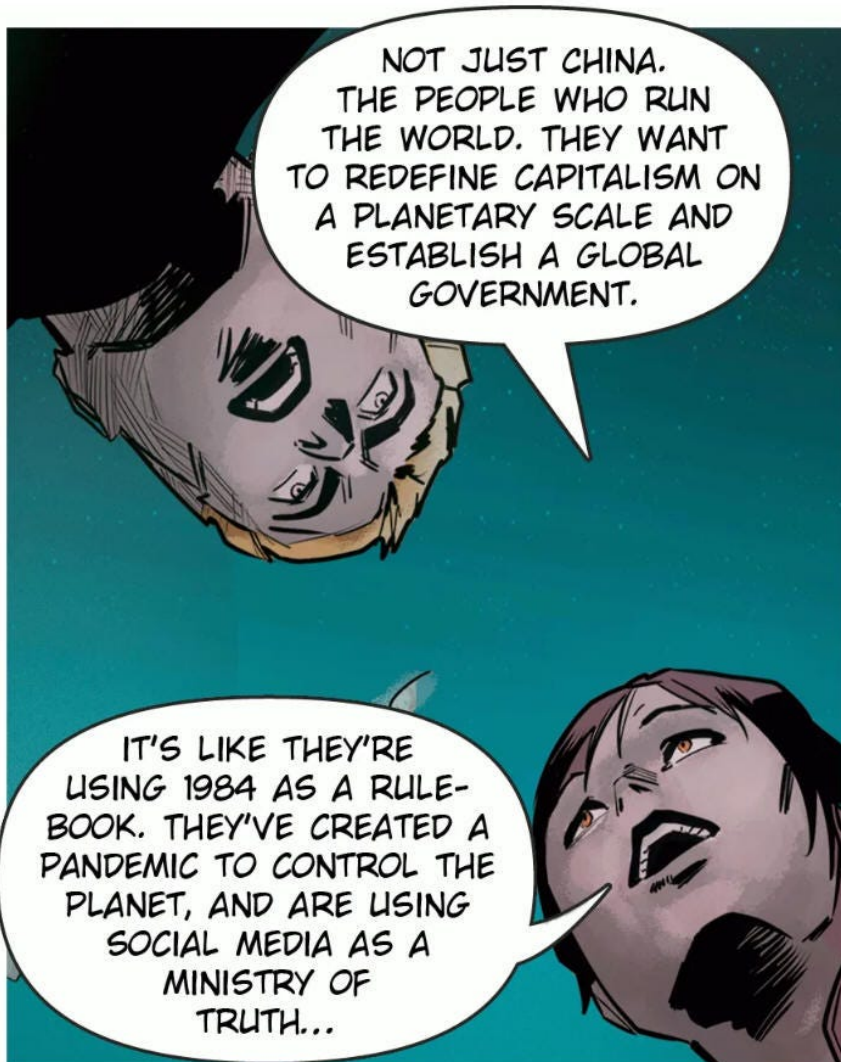

If you shut down the farms you will starve yet another Sacrifice to Satan.

If you take the poisonous Deathvaxx you will die another sacrifice to Satan.

This is the fascist superstructure existing above the national governments, and there is nothing seditious or treasonous in being against all of it, and calling for its overthrow. There was never anything democratic or republican about rich people buying the government through these foundations and groups. Obviously just

the opposite. Either that or buy your ticket to Mordor now. Once you arrive you will realize those killed by the jab were the lucky ones.

## **SATANIC SODOMY MIND CONTROL - FOURTH GENERATION WARFARE - AND THE WEAPONISED FABIAN AGENDA**

Note the 33 above the Crown.

33 is bottom to bottom sodomy as in 33rd degree Freemasons.

SODOMY INCULCATED IN THE BRITISH ARISTOCRACY IN 1440 BY HENRY 6TH

The Sacred Band of Thebes (Ancient Greek: Hierós Lókhos) was a particularly effective troop of select soldiers, consisting of 150 pairs of male lovers which formed the elite force of the Theban army in the 4th century BC, ending Spartan domination. It is the speech of the character Phaedrus in Plato's Symposium referring to an "army of lovers" that is most famously connected with the Sacred Band Pederasty: the institution of the man-boy relationship. This was comparable to the medieval knight-squire/apprentice pedagogic structure, but invariably involving sexual/parasexual relations.

The Sodomy Band of Thebes - Like pedophile Spielberg's Band of Brothers

- infuses all the top levels of the Military and Navy

“The belief in the occult world is if you could sodomize God, you’d get God’s power. You become as gods through sodomy; that’s the way the Greek gods became gods. Alexander the Great was a great sodomizer and his Greek army was the most fierce. Hitler tried to pattern his SS and military after the Greek warriors using

sodomy. When you put that all together, the civilizations that God wiped out boiled down to the practice of sodomy. ”

The drawing together of a "Band of Thebes" British Aristocracy was particularly prized and brought about by the public school system started by Satanic Phoenician Mega Trillionaire Henry VI in 1440 at, "Whipping and Fagging" Eton but franchised to all British schools very quickly. A hidden world drawn together by Pedophilic homosexual warriors - the Heart of the Satanic British Empire - further, "Homosexuality follows Satanism like a stench"

Nicole Kidman: 'Stanley Kubrick Said Pedophiles Run The World'

"Stanley told me the world is run by pedophiles," Nicole Kidman said while promoting HBO's Big Little Lies, in Los Angeles. "He studied secret societies his whole life, he was fascinated by them, and he said the elite, the top secret societies, they are full of men with a certain predilection. They are tied together, sort of bonded, by pedophilia like the "Pact of Blood" where the Mafia entrants have to kill someone in order to join, these guys have to pedophile and human sacrifice like Epstein's Pedo Island and the Lolita Jet - "They all know each other's dark secrets. There is no way out for any of them. It's a lifetime bond. Even if one of them wanted to

go straight, repent, so to speak, he can't. His peers will bring him down. They are in it until death, driving the world to ruin. That's kind of how Stanley explained it but it was all very complex. I'm probably not doing it justice."

Sodomy has been used as a control mechanism of the Satanic Phoenician Mega Trillionaire Secret Societies, Inner Elite, Secret Government, Deep State, Illuminati, Secret Societies since Ancient Egyptian Times.

Sodomy as a control mechanism for all Jesuits, founded in 1540 by Ignatius of Loyola

The Jesuit, "Army of God" a military organisation was created by Satanic Phoenician Mega Trillionaire Venetian Cardinal Contarini, which uses Sodomy as a control mechanism for all their members, founded in 1540 by Ignatius of Loyola and six companions.

Himmler was also the Head of the Jesuits who, "Give me the child before the age of five, and I will give you the man" - use sodomy to program their minions. Himmler created the Knights of the Holy Sea, Sea Seclorum, the SS, with the Permission of the Pope Pius XII. He therefore used Sodomy to program the SS officers.

The Fabian Socialists also use a Jesuit-like control structure.

The Tolkien Degeneration of an Elf into an Orc symbolises to degeneration of humanity into totally controlled non playing characters through the oligarchic 10,000 rears old "Principle of Poverty" but also educational mind control.

Remember, the main purpose of Phoenician control of the World is not money or power, it is in fact total control using the Satanic Oligarchic Principle of Poverty. Dugged Down, Barefoot, and Back on the Reservation so as to use Humanity as a Spiritual Battery for the purpose of Transhumanism and Immortality.

Rishi Sunak was born in Southampton to parents of Punjabi Indian descent who migrated to Britain from East Africa in the 1960s. He was educated at Winchester College, read philosophy, politics and economics (PPE) at Lincoln College, Oxford, and gained an MBA from Stanford University in California as a Satanic Phoenician Mega Trillionaire Fulbright Scholar.

While studying at Stanford, he met his future wife Akshata Murty, the daughter of N. R. Narayana Murthy, the Indian billionaire businessman who founded Infosys. How does it fit with Sunak being coup forced onto the UK as PM?

We know his father in-law runs Infosys which has invested heavily in Israel, the company, Infosys, is co-directed by Uri Levine, formerly of Israeli Military

Intelligence Unit 8200. Infosys and its subsidiaries there all employ former Rothschild controlled Mossad and Israeli military personnel. The Rothschild banking system is employing Infosys to create it's totalitarian digital money system the CBDC, which of course Rishi is itching to introduce to the World.

Sunak and Murty are the 222nd richest people in Britain, with a combined fortune of £730m as of 2022. After graduating, Sunak worked for Goldman Sachs and later as a partner at the hedge fund firms the Thirty Billion dollar Children's Investment Fund Management and Satanic OTO Thelema Partners.

1984 George Orwell whose father ran the opium business for the Satanic Phoenician Mega Trillionaire British Empire in India, like Wodehouse he went to the all boys public school Eton College, a public school in Eton, founded in 1440 by Henry VI. All boys, whipping and fagging to create a Homosexual Pedophilic "Band of Thebes" group designed to rule England and the British Empire.

Eton is particularly well-known for its history, wealth, and notable alumni, called Old Etonians. Eton has educated prime ministers, world leaders, Nobel laureates, Academy Award and BAFTA award-winning actors, and generations of the aristocracy, having been

referred to as "the nurse of England's statesmen."

Similar to Orwell and Boris Johnson who went to Eton, Sunak went to another whipping and fagging, Homosexual Pedophilic "Band of Thebes" public school - Winchester College is similar to Eton, a public boarding school for boys. Alumni of Winchester College are known as Old Wykehamists after William of Wykeham, Bishop of Winchester, who founded the school in 1382. Based on the "Band of Thebes" system of institutionalised Sodomy, the fundamental basis of the British Empire, Whipping and Fagging was a fully established system at Eton and Winchester in the 16th century. The college has produced a large number of archbishops and bishops, along with a strong showing for politicians including the Labour leader Hugh Gaitskell and Tory-turned-fascist Oswald Mosley, writers, actors and cricketers. One notorious Old Wykehamist is Rurik Jutting, who is serving life for raping, torturing and killing two women in Hong Kong.

The Sacred Band of Thebes (Ancient Greek: Hierós Lókhos) was a particularly effective troop of select soldiers, consisting of 150 pairs of male lovers which formed the elite force of the Theban army in the 4th century BC, ending Spartan domination. Rishi Sunak is set to be officially appointed Prime Minister before noon tomorrow after he won the race to replace Liz Truss in No10. The 42-year-old is due to travel to Buckingham Palace to meet King Charles tomorrow morning before making his first address to the nation as PM from Downing Street at about 11.35am. He today pledged to run No10 with 'integrity and humility' but warned of 'profound challenges' to come as he prepares to begin his premiership. Mr Sunak delivered the stark message after being confirmed as the next PM when his sole remaining rival Penny Mordaunt failed to make the threshold of 100 nominations needed to trigger a run-off in the Tory leadership contest. Speaking to a camera at Conservative HQ, Mr Sunak said the UK is a 'great country' and vowed to work 'day in and day out', but pointed to serious economic problems. Outgoing PM Liz Truss is due to chair a last Cabinet meeting at 9am tomorrow before making a final address as premier outside No10. She will then travel to Buckingham Palace to formally offer her resignation to King Charles. His Majesty will subsequently appoint Mr Sunak as PM, with the incoming premier set to make his own speech from Downing Street around 11.35am after travelling back from the Palace. When Boris Johnson chaired his final Cabinet meeting in July, he was presented with Winston Churchill's six-volume history on the Second World War following a whip-round among his top ministers. Ms Truss will also be expected to receive a gift from her senior team when she addresses them for the final time tomorrow, despite lasting just 44 days as PM before resigning.

There are many more examples in fiction, tv shows and movies about this possibility of immortality where one can map the mind, upload the map into computer storage, then download the map into another body to continue living forever.

Many books, histories and stories talk of these abilities like “First Wave” by Francis Ford Coppola, and V .

The lord of the Rings for example, talks of an evil Demon who was once a high angel, Sauron, who was thrown out of the body to live on the Astral Plane as the Eye.

"The Lord of the Rings so deeply influential, so readily applicable to their own circumstances. Tolkien's work is not just an antiquarian fantasy. If it is still being read (like Beowulf) a thousand years after its creation, no perceptive person even in the far future could take it for anything other than the work, the highly characteristic work, of the twentieth century." — Tom Shippey, J.R.R. Tolkien: Author of the Century

Focus on the word, "Applicable" Tolkien said the Lord of the Rings was applicable...

Which I talk more about in

**The Hubris of Morgoth and The Rings of Power - the Story of Fight against Sauron a Demon who lives out of the Body, thrown out of the body by having the One Ring cut off his finger by Isildur**

Black Magic talks about how they are stealing your spiritual energy. How some people, black magicians, can vampirise your spiritual energy so as to live themselves eternally, but you die before your natural time which I talk about here..

But I would like to talk about the possibility that this technology of leaving the body and living immortally has already been invented and implemented thousands of years ago, and that our World is the product of this implementation.

I was writing about how thousands of years ago, utilising meditation the censored and damned with faint praise technology of evolution; Yogis, Meditators, and Shamen many years ago discovered how to leave the body and live eternally out of the body in private universes on the Astral Plane which technology has been firewalled and kept secretly for use by the Satanic Phoenician Mega Trillionaires.

As it says in movie, “In Time” For one man to live forever, many must die.

## **The techniques of the Satanic Phoenician Mega Trillionaires are now revealed in the Energy Enhancement Video Meditation Course**

Also the relationship of the Ancient Advanced Techniques of Energy Enhancement Meditation based upon the work of Bhogar, Lao Tsu, and Bhogar's students, Babaji of the Himalayas who taught

Paramahansa Yogananda who wrote, "Autobiography of a Yogi" and Patanjali of the Yoga Sutras of Patanjali to that quest for immortality and how that quest currently militates against evolution and Wisdom.

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION..

He who, due to his perfect discrimination - dis-crim-e-nation or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAHKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

## **Tamil Siddhar Bhogar exemplifies stories of leaving the body and downloading into another.**

Here is the story of him entering into the body of Lao Tsu and teaching the Five Elemental Circulations of the Qi in Chinese Alchemical Taoism as Lao Tsu.

We visited Palani Hill Temple in Tamil Nadu, South India...

Bhoganāthar practiced Kundalini Yoga in four stages. The first three stages are described in a later chapter on “The Psychophysiology of Kriya Kundalini Pranayama”. Bhoganāthar chose the Palani Malai (mountain) in Palani Hill Temple in what is now southwestern Tamil Nadu as the site for intensive yogic practice (tapas) for the final stage. He attained swarūpa samādhi at Palani,

through the grace of Lord Muruga, or the eternal youth, “Kumāra Swāmi”. The Kumāraswāmi temple at Palani became the epicenter of his activities.

**Early 2022 on our All India Tour

Goa, Pune Agra and the Taj Mahal,  
Haridwar for the Arati in the foothills  
of the Himalayas and Delhi.**

The entrance to Śrī Bhogar's *sannidhi*, Dandayudhapani Swami Kovil, Palani.

Bhogar visited many countries astrally, and physically and through transmigration leaving his body to enter into

the body of another. In one of his songs Bhoganāthar claims to have flown to China at one point in a sort of airplane which he built: he held discussions with Chinese Siddhas before returning to India (Kailasapathy, 1969, p. 197-211).

His visit to South America has been confirmed by accounts left by the Muycas of Chile: “Bocha, who gave laws to Muycas, was a white, bearded man, wearing long robes, who regulated the calendar, established festivals, and vanished in time like others (other remarkable teachers who had come across the Pacific according to numerous legends of Incas, Aztecs and Mayans).” (Lal 1965, p. 20).

## A mission to China and transmigration

Kālangi Nāthar decided to enter into samādhi in seclusion for 3,000 years. He summoned Bhoganāthar telepathically from Tamil Nadu to China to take over his mission. Bhoganāthar traveled by sea, following the trade route. In China, he was instructed by Kālangi Nāthar in all aspects of the Siddha sciences. These included the preparation and use of the kaya kalpa herbal formulae to promote longevity.

After Kālangi Nāthar entered into trance, Bhoganāthar assumed his teaching mission to the Chinese. To facilitate this, he transmigrated his vital body into the physical body of a deceased Chinese man, and thereafter

went by the name “Bo-Yang”. “Bo” is a derivation of the word “Bhogam” which means bliss, material and spiritual. This bliss, for which he was named “Bo-Yang” is experienced when the Kundalini shakti, the feminine primordial yin energy awakens, passes up to the crown of the head, the seat of Shiva, the masculine yang pole, in the Sahasra cakra at the summit of the head and unites with it.

The result of this integration of feminine and masculine parts of the being, or union (“Yoga”) of Shakti and Shiva, Yin and Yang, is Satchidananda: Absolute Existence-Consciousness-Bliss.

### Transformation of his physical body

Bhoganāthar decided to overcome the limitations of the Chinese body, with its degenerative tendencies, and prolong its life through the use of the kaya kalpa herbs long enough for the effect of Kriya Kundalini Pranayama and related yogic techniques to bring swarūpa samādhi. In his poem Bhogar Jñāna Sutra 8, verse number 4, he describes vividly what happened after carefully preparing a tablet using thirty five different herbs:

With great care and patience I made the (kaya kalpa) tablet and then swallowed it:

Not waiting for fools and skeptics who would not appreciate its hidden meaning and importance.

Steadily I lived in the land of the parangis (foreigners)  
For twelve thousand years, my fellow!

I lived for a long time and fed on the vital ojas  
(sublimated spiritual energy)

With the ojas vindhu I received the name, Bhogar:

The body developed the golden color of the pill:

Now I am living in a world of gold

(based upon translation by Yogi S.A.A. Ramaiah, 1979,  
p. 40-42).

He chose three of his best disciples and his faithful dog, and took them to the top of a mountain. After first offering a tablet to the dog, the dog immediately fell over dead. He next offered it to his leading disciple, Yu, who also immediately fell over dead. After offering it to the two remaining disciples, who by this time were extremely nervous, and who promptly hid their tablets rather than swallow them, Bhoganāthar swallowed the remaining tablets and also fell over unconscious. Crying with grief, the two remaining disciples went down the mountain to get material to bury the bodies. When the disciples returned to the spot where the bodies had been

left lying, all that was found was a note, in Bhoganāthar's handwriting, which said:

The kaya kalpa tablets are working. After awakening from their trance I restored faithful Yu and the dog. You have missed your chance for immortality. (Ibid.)

This kaya kalpa enabled Bhoganāthar to transform the Chinese body over a period of 12,000 years, during which time it developed a lustrous golden color. (The physiological transformation to the state of swarūpa samādhi was, however, completed only later, at Palani in the final phases of Kriya Kundalini Yoga and related practices. These phases will be described in chapter 11. Bhoganāthar's own graphic description is recorded in the poem at the end of this chapter Initiation into Samādhi.)

In this poem Sutras of Wisdom — 8. he sings prophetically of the taking up of the practice of pranayama in modern times by millions of persons who would otherwise have succumbed to drug abuse:

Will chant the unifying verse of the Vedanta.

Glory to the holy feet of Uma (the Divine Mother of the Universe. Shakti),

Will instruct you in the knowledge of the sciences, ranging from hypnotism to alchemy (kaya kalpa).

Without the need for pills or tablets, the great scientific art of pranayama breathing, will be taught and recognized

By millions of common people and chaste young women.

Verse no. I (based upon translation by Yogi S.A.A. Ramaiah, 1982, p. 40).

Becomes known as Lao-Tzu, founder of Taoism

After this incident with the Chinese disciples, Bo-Yang became also known as Lao-Tzu, and was accessible for nearly 200 years, and trained hundreds of Chinese disciples in Tantric Yoga practices, wherein semen and sexual energies are conserved and sublimated into spiritual energies. The advanced techniques which he taught involve raising the energies from the mūladhāra cakra corresponding to the perineum up to the sahasrara cakra during sexual intercourse with a spiritually minded partner, resulting in sublimated energy, tejas. manifesting throughout all the cells of the body. In the fifth century B.C., Confucius met Lao-Tzu Bo-Yang and afterwards said of him:

I know a bird can fly, a fish can swim, and an animal can run. For that which runs, a net can be fashioned; for that which swims, a line can be strung. But the ascent of

a Dragon on the wind into heaven is something which is beyond my knowledge. Today I have met Lao-Tzu, who is perhaps like a Dragon. Among the Chinese, particularly, the Taoists, the Dragon is the symbol of Kundalini Shakti, the primordial force.

At the end of his mission to China, about 400 BC, Bhoganāthar, with his disciple Yu (whom he also gave the Indian name Pulipani) and other close disciples, left China by the land route. As recorded in the Taoist literature, at the request of the gatekeeper at the Han Ku mountain pass Lao-Tzu crystallized his teachings. He did so in two books, the Tao Ching, with 37 verses, and the Te Ching with 42 verses (MacKintosh, 1971).[3]

In book two he says ‘Do good to him who has done you injury’, which was also said by the contemporary Tamil Siddha, Tiruvalluvar in his Tirukkural (Tiruvalluvar, 1968). Taoist yoga traditions continue to seek physical immortality using techniques remarkably similar to those taught in Tamil Shiva Yoga Siddhānta.

## Second Mission to China

Later, after the period of the Six Dynasties (220 to 590 AD), Bhoganāthar returned with some Tamil disciples to China. He left his mission in Tamil Nadu with Pulipani, the Chinese Siddha. During the construction of the Brihitīswarar Shiva Temple in Tanjore, Tamil Nadu,

around 900 AD. Bhoganāthar advised its builders as to how to raise the eighty ton capstone to the top of the temple, more than 200 feet high. This was done through his disciple Karuvoorar and another Tamil disciple who acted as intermediaries and through messages tied to the legs of courier birds, like today's homing pigeons. At Bhogar's suggestion a gradient ramp five miles long was built, up which the stone was pulled to the top of the temple. This was one of the most remarkable engineering feats of all times. About this time he also advised the King of Tanjore to build a small shrine dedicated to one of his greatest disciples, Karuvoorar, behind the Bhrihiteeswarar Shiva Temple.

## Current Activities

While Bhoganāthar is reported to have left the physical plane at Palani, he continues to work on the astral plane, inspiring his disciples and devotees, and even in rare instances he transmigrates into another's physical body for specific purposes.

# **On earth there is a Spiritual battle between good and evil.**

Thousands of years ago Yogis found out how to leave the body and live forever in private universes on the Astral plane by stealing the spiritual energies of humanity.

On one side those few spiritual leaders who can talk to God and the Angels.

On the other side psychopaths who have turned themselves totally over to Satan, who consciously do evil to serve their Dark Gods.

Thousands of years ago Yogis, Shamen, Black Magicians, Sorcerors found out how to leave the body and live forever, eternally, immortally in private universes on the Astral plane by stealing, vampirising the spiritual energies of humanity. Furthermore they developed rituals whereby they could download back into a prepared body through rituals like the Palladian Rite of General Pike, or as at the Satanic Rituals of the Skull and Bones at Yale University when they gradually take over their Alumni.

See our free book by Sonny Stermole which we give on sign up to this blog for information on the Palladian rite.

## **THE WHORE OF BABALON AND THE PALLADIAN RITE**

Very much like Satan or Lucifer are Demons, thrown out of Heaven by God, to live eternally as the "Ancient Enemy" the spiritual energy food of all humanity demanded by these Demons so they can continue to live eternally, out of the body is the spiritual energy of humanity which they harvest through pain and blood and Implant Energy Blockages which attack the body creating disease whose pain they dine on through energy cords back to the creator of the implant blockage!

Their servants, worshippers, serve these demons, these dark gods, by farming humanity, by keeping humanity dummed down by poisons - fluoride, vaccines, pesticides, by censorship of a totally controlled media, by mind control education, by teaching perversion, by blackmail, bribery, etc

Most importantly they control humanity through money which buys all the bosses, politicians, academics, Army, media, business.

Their servants, worshippers, serve these demons, these dark gods, by farming humanity so as to steal their spiritual energy - the true aim of all this control - by Implant energy blockages which create disease but there are many others, which create addiction to sex and drugs then steal the bright addiction energies through energy cords back to the creators of the implants.

This is the story of the eternal fight against Sauron, a demon of the Ancient deep who is immortal, who lives forever, who even from time to time lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur.... and who wants to come back into a body to rule eternally by corrupting and perverting the creations of God, very much like the android creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant".

Very much like the Infil-Traitor Satanic Phoenician Mega Trillionaires who for thousands of years before Christ worshipped all the ancient Gods including Molech, Cybele and Attis, the Sacred Calf, the Sacred Bull, BAAL, who demands the Satanic Ritual death of babies roasting in front of him in the Eternal Fires.

Scientists, archeologists have noticed that in various Empires a Priest Class was formed who always when they started taking hallucinogens opened the Hell Portal and got in touch with Demons, entities living outside the body who in return for knowledge demanded blood and pain. The best human sacrifice being the firstborn, a young boy.

The Capacocha, Human Sacrifices in the Inca Empire. Human sacrifices have been practiced for thousands of years dedicated to Demon Gods living out of the body by many cultures in the world, including the Chinese, Carthaginians, Celts, and ancient Hawaiian cultures.

These Demons, living outside of the body have used as servants Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

These Satanists, worshippers of the Demonic Dark Gods living outside the body infiltrated and took over the

power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demon psychopaths who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

We find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

So, on to Energy Enhancement Meditation which is the source of solution to this black magic..

Well our Energy Enhancement student was a Doctor of Psychology from New Zealand in charge of an Institution for children in Ireland.

Our Energy Enhancement student said that she, her sister and brother had been sexually abused by her mother, father and grandfather when they were children. Her brother and sister were heroin drug addicts and had tried to commit suicide.

She had been attracted to psychology and psychiatry at university and was now a Senior Psychiatrist in charge of an Institution working with abused children. Her psychiatry had obviously saved her life but not sufficiently - she too was having difficulty with the ancient trauma of suicide - and thus she came to Energy Enhancement.

Obviously she had absorbed a lot of trauma and pain which needed to be grounded but interestingly she found

when she started the Energy Enhancement Karma Clearing Process, grounding and transmuting the trauma from this lifetime and all her previous lifetimes, an explanation of the reasons as to why she had been given evil parents like this.

It is good for the ego to admit that in many previous lifetimes we have done bad things. We are all like this, but in this lifetime we have decided we want to do better.

Hitler can be forgiven. The prodigal son is welcomed back onto the path of light. Yet all these bad things we have done we have to learn how to forgive ourselves. Thus the Energy Enhancement Karma Clearing and Forgiveness process which can transmute the trauma.

Only when we have forgiven ourselves, can we learn how to forgive others. We do this by learning how to ground all these negative karmic energies so that we do not have to live through this karma physically. We can remove it energetically using the Energy Enhancement Techniques before it manifests into your life as pain and traumatic experiences.

Usually when we transmute ancient trauma from past lifetimes we get many visions teaching us why we got the trauma so that we see what we did to deserve the karma.. And in the Energy Enhancement Karma

Clearing Process, without any prompting by me, this is what our student said...

1500 years ago she was a beautiful lady healer with long blond hair who was on the path of righteousness. A bad guy saw her and through implanting her with a sexual implant blockage was able to make her fall in love with him. This bad guy turned her onto the dark side of the force and for 10 lifetimes this guy led her into bad paths of black magic, sex and sado-masochism, abusing many different people.

Then, as happens to all on the dark side she was defeated (LITERALLY DE-FEETED, her base chakra was broken and implanted by another bad guy)

And she entered into one hundred lifetimes of sexual abuse, serving as a sex slave and as a spiritual battery for the bad guy who implanted her.

She was learning why she had been given these experiences.

She had allowed herself to be implanted with a sexual addiction blockage. The black magician used that implant to seduce her to the dark side.

If she had only been able to use the Energy Enhancement Seven Step process to remove the Implant addiction blockage she never would have been seduced,

never joined with satanism, never tortured and murdered all those people.

Karma, the law of consequences, says we have been given the free will to learn the consequences of taking the wrong path.

In reality we are only allowed the freedom of making the right choice.

In allowing his subject to enter into being implanted, God was saying to her,

You need to learn about implant energy blockages.

You need to learn how not to enter into sexual addiction and being seduced to the dark side.

You need to learn how not to enter into drug addiction and being seduced to the dark side.

In allowing his subject to enter into being implanted, God was saying to her,

"You need to learn Energy Enhancement Meditation"

Everything which has a beginning has an end - even after one hundred lifetimes of payback..

And further, with Energy Enhancement, how to totally heal the entire situation, how to dissolve the negative

karmic energies which were throwing her into these hells time and time again. How to remove all the implants which were turning her into a battery and not allowing her to generate the energy necessary to get her out of this black hole pit she was in.

How to cut off all connections with the Dark Side, "seal the door which evil dwells" so that they could not attract her into bad ways again and become independent and free of all negative influences. How to gain infinite positive energy from the side of Light and goodness and purpose and will. She was learning how necessary it is to stay away from evil and to cleave to the good.

If you desire anything on this planet remember, you cannot take anything with you when you die except your evolution.

So please evolve through the kindness of those sent to this planet to help you. They are here in every generation, just for you. This is the promise of the Baghavat Gita.

This is the promise of Energy Enhancement Meditation!

KRISHNA - The ignorant work for their own profit, Arjuna; the wise work for the welfare of the world, without thought for themselves.

The elite psychopathic worshippers of Satan..

It says in the Hindu Bible, a conversation between God or Krishna, and Arjuna or the good part of you, in the Baghavat Gita Chapter 16

## **KRISHNA - THE BHAGAVAD GITA AND THE QUALITIES OF THE SELFISH COMPETITIVE PSYCHOPATHIC EGO**

Persons of demonic or psychopathic nature do not know what to do and what not to do. They neither have purity nor good conduct nor truthfulness. (16.07)

Psychopaths say that the world is unreal, without a substance, without a God, and without an order. The world is caused by lust (or Kaama) alone and nothing else. (16.08)

Adhering to this view these psychopathic lost souls, with small intellect and cruel deeds, are born as enemies for the destruction of the world. (16.09)

Filled with insatiable desires, hypocrisy, pride, and arrogance; holding wrong views due to delusion; psychopaths act with impure motives. (16.10)

Obsessed with great anxiety until death, considering sense gratification as their highest aim, convinced that this (sense pleasure) is everything, (16.11)

Bound by hundreds of ties of desire and enslaved by lust and anger; they strive to obtain wealth by unlawful means for the fulfillment of desires. Psychopaths think: (16.12)

This has been gained by me today, I shall fulfill this desire, this is mine and this wealth also shall be mine in the future; (16.13)

That enemy has been slain by me, and I shall slay others also. I am the Lord. I am the enjoyer. I am successful, a powerful siddha or black magician, and happy; (16.14)

I am rich and born in a noble family. I am the greatest. I shall perform sacrifice, I shall give charity to show off, and I shall rejoice. Thus deluded by ignorance; (16.15)

Bewildered by many fancies; entangled in the net of delusion; addicted to the enjoyment of sensual pleasures; psychopaths fall into a foul hell. (16.16)

Self-conceited, stubborn, filled with pride and intoxication of wealth; they perform Yajna, religious sacrifice, only in name, for show, and not according to scriptural injunction. (16.17)

Clinging to egoism, power, arrogance, lust, and anger; these psychopathic malicious people hate Me (who dwells) in their own body and others' bodies. (16.18)

I hurl these psychopathic haters, cruel, sinful, and mean people of the world, into the wombs of other demons or psychopaths again and again. (16.19)

O Arjuna, entering the wombs of demons or psychopaths birth after birth, the deluded ones sink to the lowest hell without ever attaining Me. (16.20)

Lust, anger, and greed are the three gates of hell leading to the downfall (or bondage) of THE Jeeva personality. Therefore, one must (learn to) give up these three. (16.21)

Look at 16.19 and 20 again.

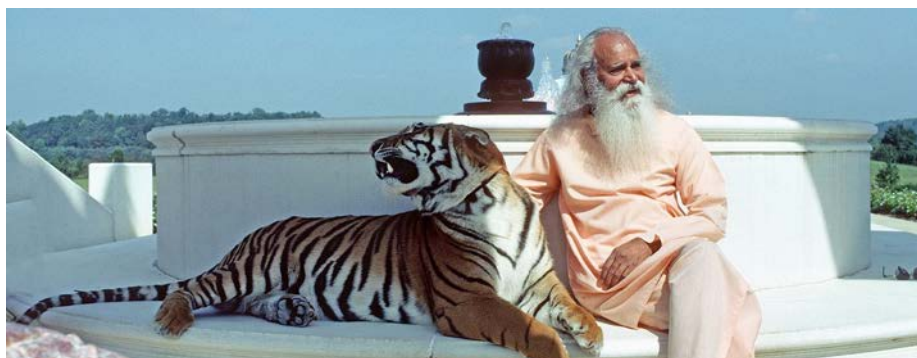

I hurl these haters, cruel, sinful, and mean people of the world, into the wombs of demons or psychopaths or pedophiles again and again. (16.19)

O Arjuna, entering the wombs of demons or psychopaths or pedophiles birth after birth, the deluded ones sink to the lowest hell without ever attaining Me. (16.20)

**"I am now in the last week of the course and I feel like a totally different person. I have regained myself and have been given from nothing having no psychic vision at all at the start of the energy enhancement course, a clarity of psychic vision that is breathtaking."**

**"As we practiced on each other we came very quickly to realise this. I could literally feel the energy moving inside each chakra as the other person worked within me from several meters away and when I worked on the other person I could see me projecting energy to them and could see where the blockages were within their chakras."**

**I could force the energy from my centres into their centres and clean their centre bringing the energy full circle back to me. You could tell the state of their chakras by the amount of energy returning to your own centre and this was achieved by mind power only.**

**Before I came here Satchi said he would teach me to do it in this way and I was sceptical about this claim. I could never envision me having psychic vision, but I have now, I can now do astonishingly powerful Reiki sessions on people without going anywhere near them and distance healing over any distance is a piece of cake, incredible stuff."**

**"I am totally de-stressed and have expanded in every way. I feel stronger and fitter and much more mentally agile than I have ever felt in my life.**

**The fog and confusion of life has gone and I feel that I have just received the inside information on everything.**

**I am ready for anything and am wide awake. I am full of the most incredible energy imaginable and have Energy Enhancement Reiki that is so powerful it staggers me. Energy Enhancement Meditation is not the Traditional Meditations taught as lullaby's because Traditional Meditations, like humanity have been dummed down by the Yogis, Shamen, Black Magicians, Sorcerers who found out how to leave the body and live forever, eternally, immortally in private universes on the Astral plane.

Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their physical bodies and attain the state of celestial deities, or those who get merged in Nature, still have rebirth".

Dummed down by the Yogis, Shamen, Black Magicians, and Sorcerers because you, humanity, if you attained your potential with Energy Enhancement Meditation Techniques, you would be as Gods and the Yogis, Shamen, Black Magicians, Sorcerers Consigned to Woe.

THE ONLY SOLUTION IS ENERGY  
ENHANCEMENT MEDITATION!

As we saw in our previous article.. God compels, coerces, necessitates you, forces you, to learn the advanced meditational techniques of Energy Enhancement Meditation through hundreds of lifetimes of being sucked dry by the Yogis, Shamen, Black Magicians, Sorcerers who found out how to leave the body and live forever, eternally, immortally in private universes on the Astral plane through Meditation and vampirisation of the Spiritual energies of humanity.

Remember, this World is a factory for the production of Enlightened beings.

This World is the Examination Hall where we are tested.

The test our student failed in the Article above was the Sexual Addiction blockage where she was seduced by a Black Magician onto the dark side. You know, we all have sexual addiction blockages and we are all tested.

There is a story of an enlightened master putting his tongue onto a pile of sugar. When he took away his tongue, every grain of sugar fell off the tongue.

This is the test.

You have to be there before you can stay there and resistance to sexual implant and drug implant addiction desire is a test. Only Energy Enhancement Meditation can totally remove addiction and infirmity blockages!

**THE ONLY SOLUTION IS THE ENERGY

Otherwise God allows you to experience all the negative effects of not knowing how to meditate for hundreds of lifetimes, until, "After All That, here are complete instructions on Enlightenment" - Yoga Sutras of Patanjali Book 1 Sutra 1.

Yogis, Shamen, Black Magicians, Sorcerers steal your spiritual energy through implant energy blockages they create in Rituals. The implant energy blockages when implanted into your body through proximity to a minion, act as portals to which they attach energy cords to suck your energy back to them.

Thus implant energy blockages create physical problems in you which creates pain, infirmity, deformity, disease, old age and death.

The implant energy blockages can be created to cause sexual addiction - a dick tion! - and they gravitate to you from porn sites, from people who already have a sexual addiction implant energy blockage when you make love to the Whore of Babalon succubus or incubus. From minions whose job it is to implant you in any social situation, bars, pubs, restaurants, malls. From the minions of the black magic territories whose implant energy blockages are set only to work in their areas, when you leave the area the implant stops working ready to be implanted in the new black magic territory.

From school teachers who get bounties for every child they pervert to cut off their genitals and breasts. From the morning horn of onanism which attacks most energetic males. Even from satanic doctors who take new born babies down to satanic rituals in the hospital basements to implant them with the Strong Man Energy Blockage.

Sexual Orgasmic energy burns bright and gushes down the energy cords into the Satanic Phoenician Mega Trillionaires reservoirs to enable them to live forever, to suck dry the energies of humanity, to kill you before your natural time with a long, lingering, painful death.

The implant energy blockages can be created to cause drug addiction. Similar to Sexual implant energy blockages the drug addiction implant energy blockages gravitate to you anywhere there are drug addicts as if by osmosis in bars, pubs, restaurants, malls. Wars have been fought over drugs in countries targeted for destruction like the Chinese Opium wars. But the Vietnam wars took drugs from the Golden Triangle back to America - targeted for destruction as did the Afghanistan War where heroin was grown to make profits of one trillion dollars a year for Mena, the CIA, and the Bush crime family. Ever wonder how marijuana got the name, "Bush?" Now the Chinese are targeting America for destruction with thousands of tons of Fentanyl which kills 100,000 people per year.

The Satanic Phoenician Mega Trillionaires advertise drugs in all their medias, Books, Movies, Television, talk shows.

British MI6 agent Aldous Huxley was sent to California to pervert Hollywood but also to prepare drug propaganda. Aldous Huxley's Doors of Perception

promoted Mescaline and led on to LSD, Timothy Leary and Richard Alpert - Baba Ram Das. Aldous Huxley's Brave New World written with his Eugenicist brother, Julian Huxley- Head of UNESCO, promoted Soma or marijuana but also Transhumanism, preparing humanity for the Genetic Age of cyborgs.

All the people below in these two articles are agents pushing drugs for the Satanic Pheonician Mega Trillionaires servants of the Yogis, Shamen, Black Magicians, Sorcerors who found out how to leave the

Furthermore they developed rituals whereby they could download back into a prepared body through rituals like the Palladian Rite of General Pike aimed at suitable graduates of the Masonic Scottish Rite.

Or as at the Satanic Sodomite Rituals of the Skull and Bones at Drug family Russell founded Yale University when they gradually take over and download into their Alumni. Skull and Bones, also known as The Order, Order 322 or The Brotherhood of Death, is an undergraduate senior secret student society at Yale University in New Haven, Connecticut. The oldest senior class society at the university, Skull and Bones has become a cultural institution known for its powerful alumni and various conspiracy theories. It is one of the "Big Three" societies at Yale, the other two being Scroll and Key and Wolf's Head.

Very much like Satan or Lucifer are Demons, thrown out of Heaven by God, to live eternally as the "Ancient Enemy" the spiritual energy food of all humanity demanded by these Demons so they can continue to live eternally, out of the body is the spiritual energy of humanity which they harvest through pain and blood and Implant Energy Blockages which attack the body

creating disease whose pain they dine on through energy cords back to the creator of the implant blockage!

Their servants, worshippers, Infil-Traitor Satanic Phoenician Mega Trillionaires, serve these demons, these dark gods, by farming humanity, by keeping humanity dummed down by poisons - fluoride, and..

Vaccines which were created by Satanic Jonas Salk a minion of the Rockefellers to spread the SV40 Green Monkey cancer virus now contaminating every vaccine cell line, creating the third largest industry in the World after Petroleum and Armaments, the Rockefeller Cancer Industry.

In 1995 there was a paper where thousands of people were tested for the efficacy of chemotherapy. Doctors get paid thousands of dollars when they prescribe chemotherapy drugs which cost the Rockefellers pennies. Chemotherapy is only effective in two percent of cancer cases. Doctors are very intellectual but have no heart and they have a great love of money. Hospitals are now the new death camps where intubation for covid kills nine out of ten people and the Doctors get 50,000

dollars for every person they kill! Many doctors are just straight Satanic. Nazi Doctors murdered 250,000 mental patients in WW2!

By keeping humanity dummed down by pesticides, by censorship of a totally controlled media, by mind control education, by teaching perversion in schools, by LGBTQP, by Epstein blackmail, most importantly they control humanity through money which buys all the bosses, politicians, academics, Army, media, business, voting machines. Money buys you!

Their servants, worshippers, serve these demons, these dark gods, by farming humanity so as to steal their spiritual energy - the true aim of all this control - by Implant energy blockages which create disease but there are many others, which create addiction to sex and drugs then steal the bright addiction energies through energy cords back to the creators of the implants.

This is the story of the eternal fight against Sauron, a demon of the Ancient deep who is immortal, who lives forever, who even from time to time lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur.... and who wants to come back into a body to rule eternally by

corrupting and perverting the creations of God, very much like the android creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant".

Also by creating Orcs from, "Elves tortured and mutilated, perfected by me, my fighting Uruk Hai!" - Saruman, the Lord of the Rings. The Lord of the Rings is indeed applicable when you consider that humanity are the Elves and the Satanic Phoenician Mega Trillionaires are perverting, torturing, poisoning, implanting, addicting humanity to pervert and degenerate, to dum down humanity into Orcs so they can continue to drain, steal, suck! Forever!

Very much like the Infil-Traitor Satanic Phoenician Mega Trillionaires who for thousands of years before Christ worshipped all the ancient Gods including Molech, Cybele and Attis, the Sacred Calf, the Sacred Bull, BAAL, who demands the Satanic Ritual death of babies roasting in front of him in the Eternal Fires.

Scientists, archeologists have noticed that in various Empires a Priest Class was formed who always when they started taking hallucinogens opened the Hell Portal and got in touch with Demons, entities living outside the body who in return for knowledge demanded blood and pain. The best human sacrifice being the firstborn, a young boy.

The Capacocha, Human Sacrifices in the Inca Empire and Aztec Empire. Human sacrifices and cannibalism have been practiced for thousands of years, selling off the meat of the human sacrifices from the temples to the perverted populations, dedicated to Demon Gods living out of the body by many cultures in the world, including the Chinese, Carthaginians, Romans, Celts, and ancient Hawaiian, Australian Aborigine and Maori cultures.

These Demons, living outside of the body have used as servants Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

These Satanists, worshippers of the Demonic Dark Gods living outside the body infiltrated and took over the power structures in every country in the World, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshipping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demon psychopaths who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

Why has this Energy Blockage predator taken over in the fashion that you're describing, don Juan?" I asked. "There must be a logical explanation." "There is an explanation," don Juan replied, "which is the simplest explanation in the world. They took over because we are food for them, and they squeeze us mercilessly because we are their sustenance. Just as we rear chickens in chicken coops, gallineros, the predators rear us in human coops, humaneros. Therefore, their food is always available to them."

decisions that will cause great harm to millions of people, for the benefit of a very few.

“It’s not that I can’t accept all this at face value, don Juan,” I said. “I could, but there’s something so odious about it that it actually repels me. It forces me to take a contradictory stand. “If it’s true that they eat us, how do they do it?”

Don Juan had a broad smile on his face. He was as pleased as punch. He explained that sorcerers see infant human beings as strange, luminous balls of energy covered from the top to the bottom with a glowing coat something like a plastic cover that is adjusted tightly over their cocoon of energy. He said that that glowing coat of awareness was what the predators consumed, and that when a human being reached adulthood, all that was left of that glowing coat of awareness was a narrow fringe that went from the ground to the top of the toes.

That fringe permitted mankind to continue living, but only barely. As if I were in a dream, I heard don Juan explaining that, to his knowledge, man was the only species that had the glowing coat of awareness outside that luminous cocoon. Therefore, he became easy prey for an awareness of a different order; such as the heavy awareness of the Mind Virus energy blockage predator.

But Sorcerer Don Juan was LYING! by being Parsimonious with the Truth. Real Truth is the Truth, the whole Truth, and nothing but the Truth! The Real Truth is that Sorcerers created the Implant Energy Blockages, Mind Virus Energy Blockages Collective, ENERGY BLOCKAGE ARCHONS, ALLIES, INORGANIC BEINGS, THE FLYERS, THE FOREIGN INSTALLATIONS, THE ENERGY BLOCKAGE PREDATOR, HYPER DIMENSIONAL ENTITIES, AND DEMON Mind Parasites to Vampirise all human energy into the Sorcerers themselves!

IT'S THE SORCERERS WHO CREATE ENERGY BLOCKAGES!

IT'S THE SORCERERS WHO ARE STEALING ALL HUMAN ENERGY!

IT'S THE SORCERER/SHAMEN FROM 400,000 YEARS OF HUMAN HISTORY WHO ARE STEALING ALL HUMAN ENERGY!

The “real mind” of Castaneda can be equated to the nous authenticos of the Gnostics.

The main effect of the flyers upon our mind is seen as mental conditioning, brainwashing.

# Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their Physical Bodies and attain the state of celestial deities, or those who get merged in Nature, have Rebirth."

**One of the techniques taught by the Dark Lord - a technique of the Dark Side - is how to leave the body - in an attempt to live forever - a sort of spiritual transhumanism.**

"Now! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION.

He who, due to his perfect discrimination - dis-crim-e-nation or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAH-KARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER.

The Yoga Sutras of Patanjali - Commentary by Satchidanand

Save your life with Energy Enhancement Streaming Video Meditation course.. Book One, Sutra One - "Here are complete Instructions on Enlightenment..."

## ILLUMINATION!!

The Yoga Sutras of Patanjali talks about Illumination as being Nirbija Samadhi. This word is a teaching as to what exactly enlightenment is. Nir means no, and Bija means seed. The seeds of desires which have not yet come to fruition. These Seeds are Energy Blockages. This is the Karma which is yet to come. And as it says in the Yoga Sutras of Patanjali, "The Karma, the Pain, that is to come can be averted" - Book 2 Sutra 16. The removal of Energy Blockages, Grounding their Negative Karmic Mass, is an Energy Enhancement Process called, "Karma Cleaning" of this lifetime and all previous lifetimes - The Energy Enhancement Meditation Course Level 3 of Energy Enhancement.

Each desire seed when watered can addict us to the desire it contains.

In the Yoga Sutras they talk of the method of roasting the seeds - removing the addiction, the slavery to your desires (When you slaver your saliva over something the desire drips out of your mouth) - so that the life they contain is extinguished, they can not germinate even with all the correct conditions, ever again to bring us to Painful Karma. And what roasts the seeds?

This is the concentration of the Light of the Soul in Samadhi, the next highest energy to the mind and there are higher energies still we can contact on the path of Energy Enhancement, as light is concentrated through a lens, as it is focused through the Brow Chakra, Ajna Chakra or through any of the chakras of which the Brow chakra is the Master - this is called Samyama...

Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their physical bodies and attain the

state of celestial deities, or those who get merged in Nature, have rebirth."

One of the techniques taught by the Dark Lord - a technique of the Dark Side - is how to leave the body - in an attempt to live forever - a sort of spiritual transhumanism.

Don Juan and Castaneda talk on this in their many books about the Old ones, the Ancient Sorcerers or Toltecs.

But "They were all deceived" as Patanjali says.. This is a spurious technique, doomed to failure. The fragments left over from people who try to do this are some of the deep energy blockages which implant themselves in you, necessitating removal by the Energy Enhancement Video Meditation Course.

On earth there is a Spiritual battle between good and evil.

Thousands of years ago Yogis found out how to leave the body and live forever in private universes on the Astral plane by stealing the spiritual energies of humanity.

The ONLY way out, Of Real Immortality, is Enlightenment, the removal of all Energy Blockages,

Total Purification!!

There are some bad people who train only to achieve siddhis or psychic powers and not to complete this course of Meditation - The Energy Enhancement Video Meditation Course and Live Courses in Iguazu or India - and become enlightened. These people are afraid of dying.

The only legitimate method of going through the death process without losing your memory is to become enlightened.

All else fails eventually - as says the Yoga Sutras of Patanjali - because the attempt to remain the same eventually fails. These Brujas, these Sorcerers, these Black Magicians are afraid of dying, afraid of change. If you are not going forwards, evolving, you are going backwards, devolving.

The methodology of God is to learn between lifetimes. Go back over your previous life and see your mistakes. Then re-incarnate with a wiped mind, a fresh start, a blank sheet, with your true lessons hard wired in to your energy body, to learn how to remove energy blockages, purify, and to augment, increase, your spiritual body, your Wisdom body - Evolve!

Whereas - "Yogis found out how to leave the body and live forever in private universes on the Astral plane by stealing the spiritual energies of humanity"

This means that of the energies of man - Intellect, Willpower and the Higher Emotions of the Heart, Universal Love, Empathy, the wanting to evolve which means change and the wanting to help all members of humanity to also evolve, change, become enlightened; these Black Magician Hijos de Puta only retain Intellect and Willpower! They have lost their hearts! Thus, Black Magicians have lost that thing which makes them human. Black Magicians are less than human!

They are psychopaths!

They can project themselves out of their physical bodies and horribly enter into the bodies of others lifetime after lifetime.

Carlos Castaneda says Brujas can project themselves onto the astral plane and live in privately created universes - the Metaverse - in the state of celestial deities - for thousands of years.

But they can only do this by cutting themselves off from empathy by implanting their heart chakras with implant Energy Blockages and by cutting themselves off from the living Energy of God, from their souls and their conscience by implanting Energy Blockages above their crown chakras, the higher the implant, the worse the person.

All these Satanic Gods are heartless Demon psychopaths who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they must control humanity so as to steal and vampirise the energies of Humanity forever! They can only maintain this state by vampirising the energies of their human cattle. If humanity evolves beyond them, they are lost.

Their methodology is Dumbing Down humanity by poison, by 1984 Censorship - Control of Information, Media Mind Control - and Surveillance

Thousands of years ago Yogis, Shamen, Black Magicians, Sorcerors found out how to leave the body and live forever, eternally, immortally in private universes on the Astral plane by stealing, vampirising the spiritual energies of humanity.

Because the Phoenicians and their sons and daughters are bred to be the Demonic leaders of humanity to control humanity by at least the Oligarchic Principle of Poverty, these people are the most mind controlled and demon Posessed people in the world using the

techniques started in and before Ancient Egypt, four thousand years ago, using drugs, trauma and hypnosis to split their minds and program them. Their pharmacopeia and hypnotic techniques have been vastly expanded over the years such that now they can control a person if they visit a hospital over three days!

Download The Illuminati Formula to create a Completely Mind Controlled Slave which details, "The World which has been Pulled Over Your Eyes, to hide you from the Truth" Morpheus, Matrix Movie.

This book details the Satanic 10,000 years old process using Torture, Drugs and Hypnotism in order to layer in Demon Programs from birth and before birth into the torture and drug split mind which has always infused the Emperors, Kings, Presidents, Prime Ministers and their policies mandated by the Satanic Elite Controllers..

Now industrial quantities of children - evidence in the 1972 Church hearings 6 hours of video evidence to Congress available on youtube and CSPAN talking about 10,000 young children taken from orphanages and entered into the MKULTRA program - are being mind controlled to take over the World, Movies Trafficked and Taken and the Haiti Trafficking detail the abduction.

This book details the methodology - to give evidence that Against Satanism - is Real!!

In other countries like South America, Aztecs, Incas and in New Zealand Maoris and Australia the Aborigines, Scientists, archeologists have noticed that in these various Empires a Priest Class was formed who always, when they started taking hallucinogens like Mescaline and Ayahuasca or DMT, opened the Hell Portal Seances and got in touch with Demons, entities living outside the body who in return for knowledge demanded blood and pain. The best human sacrifice being the firstborn, a young boy.

Thus all of these Empires instituted human sacrifice and cannibalism in order to fill the energy coffers of the demons stealing the life energies of painful deaths and using human meat to degenerate the population.

The religious mind control made the population think that being chosen for sacrifice was a great honour. The Aztecs sacrificed 250,000 people per year! And the sacred holy human meat was sold in the Temples at great holy prices!

There is the story that captured warriors were given the honour of fighting and being killed by the great warriors of the Aztec Empire. One captured warrior killed all eight of the warriors brought against him. He was offered freedom. But instead he said he did not want to forgo the Great Honour of being chosen to be sacrificed and was killed.

In the same way our Empire gave us the choice of intubation which kills nine out of ten, masks, and the great Deathvaxx which has raised the death rate by forty percent, and which does not prevent transmission. 20 million extra dead so far. Two Billion injured Worldwide. And 70% of the naive, innocent, mind controlled people fell for the lie.

So Satanism is the worship of Demons who have rebelled against God, cut themselves off from the energies of God. In terms of Don Juan and Castaneda - cut themselves off from the Great Eagle whose energy brings death. The promise of these demons is knowledge to suppress and enslave humanity for the purpose of stealing their energy so the Dark Gods can live forever.

The knowledge is brought from many advanced civilisations previously extant on this planet over the last 400,000 years. The Hindu Puranas talk of flying vehicles, energy rays, atomic bombs.

When Huxley, Darwin and Pilkington started taking drugs and having seances with these demons one hundred and fifty years ago they were taught advanced breeding practices - better than the Ottoman Empire with its harems filled with many high gene princesses - taking the many children of the Sultan and educating them in special schools, then promoting the best to become the next Sultan.

The Huxley, Darwin and Pilkington families bred amongst themselves and although many children were autistic, some were born evil geniuses like Aldous and Julian Huxley who were given knowledge of the Atom and the Atomic bomb, knowledge of genes - the genetic age - to create the genetic caste system revealed in their plan, "Brave New World", knowledge of computer chip transistors - computers to create the vast databases of surveillance and the social credit score. They were told these things existed and thus they started to seek and find these instruments of oppression 150 years ago. What we see now is the evil fruits of these demons.

But living out of the body is but a temporary ploy.

All of them fail to maintain these states, "They still have rebirth" is the promise of Ascended Master Patanjali.

**Ascended Masters and other White Magicians are the necessary Karmic antidote for these types of**

people and their suppressed techniques like Alchemical VITRIOL, the Kundalini Kriyas, the Five Elemental Circulations of the Qi of Chinese Alchemical Taoism, taught in the Energy Enhancement Video Meditation Course is the cure for mind control, layered in energy blockages, ancient karma which we clear in the Energy Enhancement Karma cleaning process and energy cords - chakra to chakra, chakra cords to suck energy from implant Sexual and Drug addiction blockages and infirmity, disease, energy blockages, the Energy Enhancement Mastery of Relationships.

# THE STEALING, THE HARVESTING OF YOUR SPIRITUAL ENERGY IN THE WACHOWSKI'S JUPITER ASCENDING

**Jupiter Ascending talks of the Harvest when all the people in the World are Harvested, killed, murdered, to obtain the Energy which will allow the Elite to live forever.**

**JUPITER ASCENDING OVER THE OLD GOD  
SATAN OF SATURN**

Some of the Luciferian Panspermian theories on the origin of the human race hold that our distant ancestors were placed on this planet by beings from outer space. "Jupiter Ascending" takes such ideas seriously, presents them as a given and uses them as the launching pad for a thinking-outside-the-box kind of science fiction fantasy action adventure - that relates directly to this planet!!

ALL SCIENCE FICTION IS ABOUT THE PRESENT..

All great art is political.

All great writers use lies to tell the truth...

For example, "Game of Thrones" tells us, using examples taken from History that the actions of Satanic Generational Family Gang Clan Oligarchs, that our owners are psychopathic narcissists, having not one compassionate bone in their bodies.

"Mankind is not a slave. Mankind is not a greedy person. Mankind is not a rich man. Mankind is not any of this stuff. Mankind is the continuity of the natural characteristics of the members of the human species, not the animal species, and not the oligarchs - the power of creativity of the human spirit - The Soul!! If the power of creativity is crushed, if the cause of mankind is crushed, then this planet is meaningless." - LAROUCHE - SATCHIDANAND

The Game of Thrones, like every movie of Stanley Kubrick, shows everyone in that universe is a Psychopath, no conscience, no empathy, shows the ease of killing, lying, conspiracy, murder.

But the Game of Thrones has no backstory explaining why all people - ALL - are total complete psychopaths. They just are.

Whereas the Lord of the Rings universe created by Tolkien explains where the evil comes from, how they ruled the Orcs by, “the Elves were tortured and mutilated until perfected by me, my fighting Uruk Hai!” - Saruman.

How Morgoth and Sauron were able to live out of the body, became evil and wanted to show God, Illuvatar, how their ideas should take precedence but in the end they had no creativity, only the power to pervert, degenerate and destroy.

Like the modern, Satanic world of the Phoenician Mega Trillionaires. You see, here I am giving the backstory, explaining how our world became like it is.

How Sorcerers learned how to leave the body and live on the Astral Plane in private universes.

How there developed Rituals to download into prepared bodies in Satanic Rituals to lead their Trillion Dollar Family Corporations.

How they developed Satanic Rituals or Seances using drugs in order to speak to their servants, the Satanic

Phoenician Mega Trillionaires who have worshipped them for 10,000 years.

The Game of Thrones does not show their Satanic Religion which underlies the acts of the Satanic Phoenician Mega Trillionaires on this Planet, using their families like corporations which travel down through the years, the Heads of the family working hard for their religion because religion, the Satanic 10,000 year Religion, is the only thing which explains their constant hard work, their industry, for people who own Trillions of dollars.

I mean, why not kick back and enjoy?

The Game of Thrones does not show their mind control educational system ripping their children untimely from their mothers arms age six, to go to schools like Eton where they are totally mind controlled - whipped, brutalised, fagged, raped homosexually and turned into homosexual pederasts.

Satanic Phoenician Mega Trillionaire Rishi Sunak went to the Eton "Whipping and Fagging Band of Thebes" Sodomy Agenda - Sunak was a founding partner of Thelema Partners, a major investor in Moderna and it's MRNA Deathvaxx **Satanic Phoenician Mega Trillionaire Rishi Sunak went to the Eton "Whipping and Fagging Band of Thebes"**

**Lord Longford (Marxist Labour Party peer and uncle to Marxist and known Jewish Zionist Labour party Shadow Secretary of State and Shadow Deputy Prime Minister Harriet Harman) - Was obsessed with paedophile child killer Myra Hindley.**

Ritual Homosexuality and Pedophilia are symptoms of the Satanic Religion and the Satanic Sex Addiction Blockage in Society. It was the arrest of the notorious Jewish born child serial killer Mr Dutroux in August 1996 that brought the Belgium Paedophile scandal to light. The rescue of the last Two young girls he kidnapped lead to an investigation of Dutroux. Five women who testified anonymously in Belgium under the code name "X" described a generational family underworld of Satanism, where Satanic Phoenician Mega Trillionaire Families pimped out their children for rape, pedophilia, sadomasochism, torture, cannibalism, snuff movies, and murder. They said that Satanic politicians, Bilderbuggers and other high placed members of society were involved.

**Game of Thrones does not show the Satanic Phoenician Mega Trillionaire Family organisations which direct their Satanism to create a New World Order..**

The Vatican whose Pope CEO is always controlled by the Phoenician Generational Families, and the 2000 Trillion, thousand year old Vatican (Iron) Bank fronted by the Rothschilds and Rockefellers.

The Jesuits controlled by a Group of ten advisors from the major Generational Families, the Generational Gang Mafia Families who trace their genealogy back to Satanic Nimrod's Babylon, - Borgia, Orsini, Pallavicini, Cecil, Percy, Este, Colonna, Coberg Saxe-Gotha,

Hapsburg, Bourbon, Bush, Mellon, Astor, Carnegie, Rockefeller, Rothschild.. and many more.

The Knights of Malta connected to The Queen of England's Privy Council - the Order of the Garter - and their created Freemasonic Religion - Satanic at it's 33rd Sodomice Degree Highest Levels - Holding Company controlled City of London rule over 70% of all Banking, and also over 70% of all Fortune Five Hundred World International Companies controlling Pharmaceuticals, Education, Petroleum, Housing, Agriculture, Genetically altered Frankenstein food, Cars, Domestic Goods, Water, Fast Food and Drink - everything!! and over the corruption, blackmail and bribery of the Law, Politicians, Professors, Prostitutes, Police, Drugs and Prostitution - the oldest professions.

THE BORGIIAS, LIKE THE ROCKEFELLERS, ARE ONE OF THE GANG CLAN FAMILIES WHO STILL RULE THE WORLD THROUGH THE BRITISH EMPIRE, THE VATICAN, JESUITS, KNIGHTS OF MALTA, BRITISH EMPIRE PRIVATE CITY OF LONDON THOUSAND YEARS OLD ANCIENT MERCANTILE LIVERY COMPANIES, MASONS WORLDWIDE - ARISTOCRATIC AGENT MAO WAS A 33RD DEGREE MASON!! THE ROTHSCHILDS ARE THE BANKERS OF THE VATICAN!! JESUIT BLACK POPE CONTROLS THE 900 YEARS OLD INTELLIGENCE ARMY OF THE KNIGHTS OF MALTA (SMOM) GANG - SMOM MEMBERS - THE BUSH FAMILY, TONY BLAIR, GEORGE SOROS, HENRY KISSINGER, ALEXANDER HAIG..

Mila Kunis (who, in real life, was born in the former Soviet Union) is Jupiter Jones, a young woman in Chicago who cleans homes with her widowed Russian immigrant mother (Maria Doyle Kennedy). Well, Jupiter's life is about to change in ways that she could never have imagined, and finding out that we are not alone in the universe is only the beginning.

It turns out that Jupiter has the exact genetic make-up of a long-dead queen in one of the most powerful royal families in the universe. Among the noble families the Abrasax (From Abraxas - Satan today ... Medieval demonologists often mention a demon called Abraxas. ... Abraxas was a name used by the Gnostics to express the

unspeakable name ...) family is the most powerful. That entitles her to a portion of the family inheritance – a portion which just happens to include a small blue planet that we all know and love called Earth.

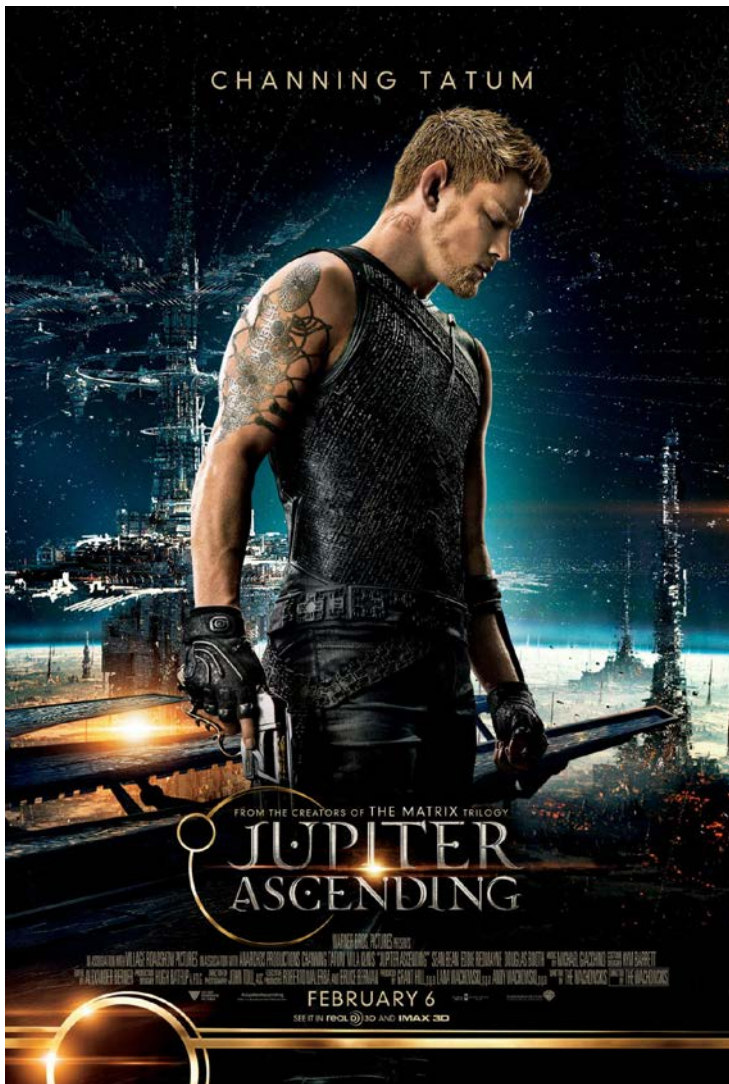

### CHIPS WITH EVERYTHING CYBORG - JUPITER ASCENDING

When the former queen's three children, Titus (Douglas Booth), Kalique (Tuppence Middleton), and Balem (Eddie Redmayne), become aware of Jupiter's existence (and very special genetic make-up), Titus and Balem each hire people (if that's what you can call genetically-engineered bounty hunters that are only partially human) to find her to strengthen their own claims to their mother's galactic estate.

The one who gets to her first and rescues her from the clutches of the others is Caine Wise (Channing Tatum),

who, with the help of old friend Stinger Apini (Sean Bean) helps her claim her inheritance.

Caine Wise is half dog, very loyal, and her Majesty, Jupiter, falls in love with him. This is the Love Story of the Knight in Shining Armour rescuing the Princess.

WAKE UP!!

In this future, Half Breeds have no rights.

"Can a dog have Buddha Nature?" is the Zen Koan.

Answer, "MU!!"

Like OM, MU is a guided meditation to connect you with the Jewel in the Lotus, YOUR SOUL!!

Only the truly human have a Soul.

Anyone can have a Soul, even dogs, even any half breed.

Ramana Maharshi declared his Cow, his Dog and his Elephant enlightened when they died.

Cows, Dogs, Cats, Horses are not our slaves.

They are not to be eaten.

Genetic Half Breeds, the Poor, the White Trash are not our slaves to be eaten.

We are all the children of God, One Family, One DNA, made in the Image of God, Imago Dei, with innate Human and Animal Rights.

But many do not, and that is OK, because that permanent Soul connection is the journey of one hundred lifetimes.

We are children learning how to connect with our Souls - until we do actually become enlightened.

As you know we exist as Souls, as energy, learning in Soul Universities between Lives.

We draw a suitable body to us to inhabit lifetime to lifetime for a hundred lifetimes until we become enlightened.

We do not care about the genetics as long as they are sufficient for our evolution.

Our Spirit makes choices which over a lifetime improve our genetics and our powers.

Thoughts can evolve or de-evolve our genes!!

Even Identical twins have different personalities or Souls.

When we die we cast off the body like a suit of old clothes until we inhabit new ones again.

Genes are just a Myth justifying the rule of degenerate psychopathic elites.

Well, plebians, peasants, citizens have always had no rights except for those in the Constitution and signed off by Bad King John in the Magna Carta, but these have all now been rescinded.

Even Bad King John went back on his word to the Barons and the Magna Carta.. See movies "Robin Hood" by Ridley Scott and "Ironclad"

With the Patriot Act, Human Rights No Longer Exist!!

For Half breeds, slaves, the indentured, blacks, mulattos, immigrants, white trash, veterans, the poor, the hewers of wood and the drawers of water..

For THE 99%

Rights have never existed.

This is the great truth told by Jupiter Ascending.

In the Movie and in Real Life these Great Houses, Gang Clan Families own the planet Earth.

The Luciferian Panspermian theory and this movie says, One Hundred Thousand years ago they seeded the Earth with human Genes spliced with the local animals,

therefore all humans on the planet are Half Breeds with no rights.

In the Movie, when there are sufficient humans they will all be harvested - all Seven Billion - for their bodily fluids - for their Spiritual Energy.

The previous masterpiece by the Wachowskis like, "The Matrix", where the vampirism of humanity occurs via energy connections into the chakras and anyone can be taken over, possessed, by an Agent Smith Demon just as the Palladian Rite allows Black Magicians living in private universes on the astral plane to download into a prepared human being to rule as the Head of one of the Satanic Phoenician Mega Trillionaire families.

Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their Physical Bodies and attain the state of celestial deities, or those who get merged in Nature, have Rebirth."

**One of the techniques taught by the Dark Lord - a technique of the Dark Side - is how to leave the body - in an attempt to live forever - a sort of spiritual transhumanism**

**The Psychic Vampirism of Humanity so that some can leave the body, and return into a new one without dying - See the Spiritual Technology in, "[The](#)**

**Yoga Sutras of Patanjali**" - from thousands of years  
this technology has been known by the Elite!!

Thousands of years ago Yogis, Shamen, Black Magicians, Sorcerers found out how to leave the body and live forever, eternally, immortally in private universes on the Astral plane by stealing, vampirising the spiritual energies of humanity.

Furthermore they developed rituals whereby they could download back into a prepared body through rituals like the Palladian Rite of General Pike, or as at the Satanic Rituals of the Skull and Bones at Yale University when they gradually take over their Alumni.

Read, "The Enemy Within" by Sonny Rene Stermole - Downloading into a body by means of the Palladian Rite..

The Illuminati Enemy Within Freemasonry - Weishaupt, General Pike, Palladian Rite, Morals and Dogma, Albert Pike, Rose-Croix, Templars, Alta Vendita or highest lodge of the Italian Carbonari, Mazzini, The Lost Keys of Freemasonry, Manly P. Hall the seething energies of Lucifer - Satan, or Lucifer, and the demons, Demonic Possession, Morals and Dogma, Albert

Pike, Elias Ashmole edited Dr. John Dee, sorcerer who "brought through" the Enochian system of magic, of satanic ritual and demonic evocation, the Pagan Eleusinian Mysteries, Council on Foreign Relations ... the Trilateral Commission ... and the Bilderberger Group serve to disseminate and to coordinate the plans for this so-called new world order, Alice A. Bailey, 1950, 1986, "The Plan" involves a one-world government, an occult hierarchy, an elite "illuminated" oligarchy ruling over a world in which Christianity has been slated to be displaced and destroyed.

Very much like Satan or Lucifer are Demons, thrown out of Heaven by God, to live eternally as the "Ancient Enemy" the spiritual energy food of all humanity demanded by these Demons so they can continue to live eternally, out of the body is the spiritual energy of humanity which they harvest through pain and blood and

Implant Energy Blockages which attack the body creating disease whose pain they dine on through energy cords back to the creator of the implant blockage!

Their servants, worshippers, serve these demons, these dark gods, by farming humanity, by keeping humanity dummed down by poisons - fluoride, vaccines, pesticides, by censorship of a totally controlled media, by mind control education, by teaching perversion, by blackmail, bribery, etc

Most importantly they control humanity through money which buys all the bosses, politicians, academics, Army, media, business.

Their servants, worshippers, serve these demons, these dark gods, by farming humanity so as to steal their spiritual energy - the true aim of all this control - by Implant energy blockages like those, but there are many others, which create addiction to sex and drugs then steal the bright addiction energies through energy cords back to the creators of the implants.

This is the story of the eternal fight against Sauron, a demon of the Ancient deep who is immortal, who lives forever, who even from time to time lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur.... and who

wants to come back into a body to rule eternally by corrupting and perverting the creations of God, very much like the android creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant".

Very much like the Infil-Traitor Satanic Phoenician Mega Trillionaires who for thousands of years before Christ worshipped all the ancient Gods including Molech, Cybele and Attis, the Sacred Calf, the Sacred Bull, BAAL, who demands the Satanic Ritual death of babies roasting in front of him in the Eternal Fires.

These Demons, living outside of the body have used as servants Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

AGAINST SATANISM VOLUME 6 -The Satanic History of the World Part 2 Published May 2019

Dark Forces have used Infiltrating Bloodline Phoenician aristocratic Families which have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control humanity, they themselves worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis. In this book we find that over thousands of years, spook, Bloodline Phoenician aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Israel, Britain, America, India, China and in every other country in the World.

humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

Over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

Jupiter Ascending talks of the Harvest when all the people in the World are Harvested, killed, murdered, to obtain the Energy which will allow the Elite to live forever.

Balem Abrasax:

I will harvest the planet tomorrow, before I let her take it from me.

Balem Abrasax:

[to Titus on the recently-harvested planet of Zalintyre]  
The House of Abrasax continues to thrive, despite the squandering over your inheritance, brother.

Balem Abrasax:

Life is an act of consumption, Jupiter. To live is to consume and the human beings on your planet are merely a resource waiting to be converted into capital, and this entire enterprise is just a small part in a vast and beautiful machine defined by evolution, designed to a single purpose: to create profit.

Titus Abrasax:

Have you ever seen a harvest?

Kalique Abrasax:

Oh no, never. But I've heard they feel no pain. It's all quit humane, from what I've heard.

Kalique Abrasax:

[steps out of her rejuvenation pool] Each of us has the code for our optimal physical condition. The problem is our genes have an expiration date, which is transferred to ourselves. A long time ago someone figured out how to replace deteriorating cells with new ones. Today it's as easy as changing a light bulb.

Jupiter Jones:

Where do you get these light bulbs?

Kalique Abrasax:

We grow them.

Jupiter Jones:

Like clones?

Kalique Abrasax:

No. Clones lack genetic plasticity. Several million years ago a gene plague caused by cloning by nearly annihilated the entire human race.

Jupiter Jones:

I was told that Abrasax is the seed of earth. Is that where you get it?

Kalique Abrasax:

Your earth is a very small part of a very large industry...  
Feel my skin.

Jupiter Jones:

Oh, wow.

Kalique Abrasax:

In your world, people are used to fighting for resources like oil and minerals and land. But when you have

access to the vastness of space, you realize, there's only one resource worth fighting over - even killing for. More time. Time is the single most precious commodity in the universe.

Kalique: "Your earth is a very small part of a very large industry. Right now, Balem is entitled to Earth. Once you claim it, the Earth will belong to you."

...

Balem: "I will harvest that planet tomorrow, before I let her take it from me."

...

Titus: "Have you ever seen a harvest?"

Kalique: "Never, but I've heard they feel no pain."

EACH UNIT EACH BOTTLE, CONTAINS THE LIFE  
FORCE OF 100 MURDERED HUMAN BEINGS

That means BLOOD folks!!

Killed, Murdered, Assassinated!!

And the fluids will allow the rich elite Psychopathic oligarchs of the Universe to Live Forever!!

Immortality for the Elite Mafia Families from the bodily fluids of billions of dead people!!

"For one man to live forever, many must die!!" from Movie, - "In Time"

Jupiter. What is that?

Titus. It has many names, RegenX, Recell, Nectar.

This is the most pure and most valuable solution made by the House of Abrasax.

Jupiter. Kalique came out of a bath.

Titus. Naturally my sister did not explain what it is or where it comes from. It comes from people. Each unit is refined from approximately one hundred human beings. Your Planet is a farm. Jupiter, there are thousands of Planets like yours set up by families like mine to supply an ever increasing demand for more time.

Jupiter. Are you saying you killed a hundred people to make this?

Titus. Not me, but yes, someone did. Not unlike butchering a herd of cattle.

Caine Wise: It can be difficult for people from underdeveloped worlds to hear that their planet is not the only inhabited planet. The idea that you're the only intelligent species, on the only inhabitable planet, in a universe so full of planets that you don't even have a number to describe how many there are.

The knowledge is brought from many advanced civilisations previously extant on this planet over the last 400,000 years is remembered by the people who live outside the body as a means of bringing about the Harvest of Spiritual Energy from everyone on this Planet. The Hindu Puranas talk of flying vehicles, energy rays, atomic bombs.

The Harvest only becomes necessary when it is impossible to prevent the evolution of humanity. When humanity is on the verge of throwing off the shackles, the control of the Satanic Phoenician Mega Trillionaires.

The Harvest being the murder of 99% of the people on this Planet to fill the energy coffers of the Black Magic Elite who live outside the body in Private Universes on the Astral Plane.

Prior to the Harvest like the Masai, who drink the blood of the cattle direct from their veins, but do not kill them, the Black Magic Elite sip the Spiritual Energy of Humanity by means of Trauma Energy Blockages, Disease Energy Blockages, Sexual Addiction Implant Energy Blockages and Drug Addiction Implant Energy Blockage portals to which they connect their energy cords to thousands of people like a telephone exchange sending their Spiritual Energy back to the Black Magic Elite.

When we meditate to remove energy blockages, we understand that the blockage, placed in you to vampirise you, sucking your energy through energy cords back to the Black Magician who placed it there, the blockage is held in place, supported, by the Black Magician who placed it there. More than that, each black magician pays a tithe of that energy to entities, Black Magic entities higher up the hierarchy of Evil.

This is what we call the Energy Enhancement Seven Step Process to remove, transmute, Energy Blockages. All levels, seven Levels of the hierarchy of Evil must be taken out before the Energy Blockage can be removed. The Levels of the hierarchy of evil spread out to every planet, every sun, every universe in creation. All Levels of evil must be removed and cauterised before the Energy Blockage can be

permanently removed just as we teach in the Energy Enhancement Meditation Course Level 2.

ENERGY ENHANCEMENT LEVEL 2 SEVEN  
INITIATIONS - ELIMINATE ENERGY  
BLOCKAGES -

<http://www.energyenhancement.org/Level2.htm>

Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their Physical Bodies and attain the state of celestial deities, or those who get merged in Nature, have Rebirth." One of the techniques taught by the Dark Lord - a technique of the Dark Side - is how to leave the body - in an attempt to live forever - a sort of spiritual transhumanism.

The Black Magic Elite operate according to a plan.

They create an Earthly Elite we call the Satanic Phoenician Mega Trillionaires which has been extant in Europe for 10,000 years as international trading companies.

The Satanic Phoenician Mega Trillionaires and their Satanic Religion mind controlled sons and daughters, into which the Black Magic Elite download into by means of Satanic Rituals like the Palladian Rite, infiltrate every ruling structure like cuckoos into every

nest. Kings, Queens, Presidents, Politicians, heads of government departments, NGO's, army, business, priesthood, media, culture.

Every election stolen for thousands of years.

By means of seances, Black Magic Rituals, hallucinogens, Ayahuasca, DMT, the Black Magic Elite who live out of the body in private universes on the astral plane, instruct their minions on what to do to take over and control, sufficient to manage the Harvest when everyone will be murdered.

When Huxley, Darwin and Pilkington started taking drugs and having seances with these demons one hundred and fifty years ago they were taught advanced breeding practices - better than the Ottoman Empire with its harems filled with many high gene princesses - taking the many children of the Sultan and educating them in special schools, then promoting the best to become the next Sultan.

The Huxley, Darwin and Pilkington families bred amongst themselves and although many children were autistic, some were born evil geniuses like Aldous and Julian Huxley who were given knowledge of the Atom and the Atomic bomb, Knowledge of sex control chemical like Bisphenol A and Nonyl Phenol used to contaminate pregnant mothers, and to wash out baby

feeding bottles, to make their children less masculine, more feminine, more controllable. Knowledge of genes - the genetic age - to create the genetic caste system which we see in Jupiter Ascending, revealed in Aldous and Julian Huxley's plan, their "fiction" book, "Brave New World", knowledge of computer chip transistors - computers to create the vast databases of surveillance and the social credit score, the mark of the Beast.

They were told these things existed and thus they started to seek and find these instruments of oppression 150 years ago. What we see now is the evil fruits of these demons.

They were given the secret technologies of Mind Control, of Dark Illumination, of Black Magic..

Download The Illuminati Formula to create a Completely Mind Controlled Slave which details, "The World which has been Pulled Over Your Eyes, to hide you from the Truth" Morpheus, Matrix Movie.

This book details the Satanic 10,000 years old process using Torture, Drugs and Hypnotism in order to layer in Demon Programs from birth and before birth into the torture and drug split totally controlled mind which has always infused the Emperors, Kings, Presidents, Prime Ministers and their policies mandated by the Satanic Elite  
Controllers..

Now industrial quantities of children - evidence in the 1972 Church hearings 6 hours of video evidence to Congress available on youtube and CSPAN talking about 10,000 young children taken from orphanages and entered into the MKULTRA program - are being mind controlled to take over the World, Movies "Trafficked" and "Taken" and the Haiti Trafficking detail the abduction.

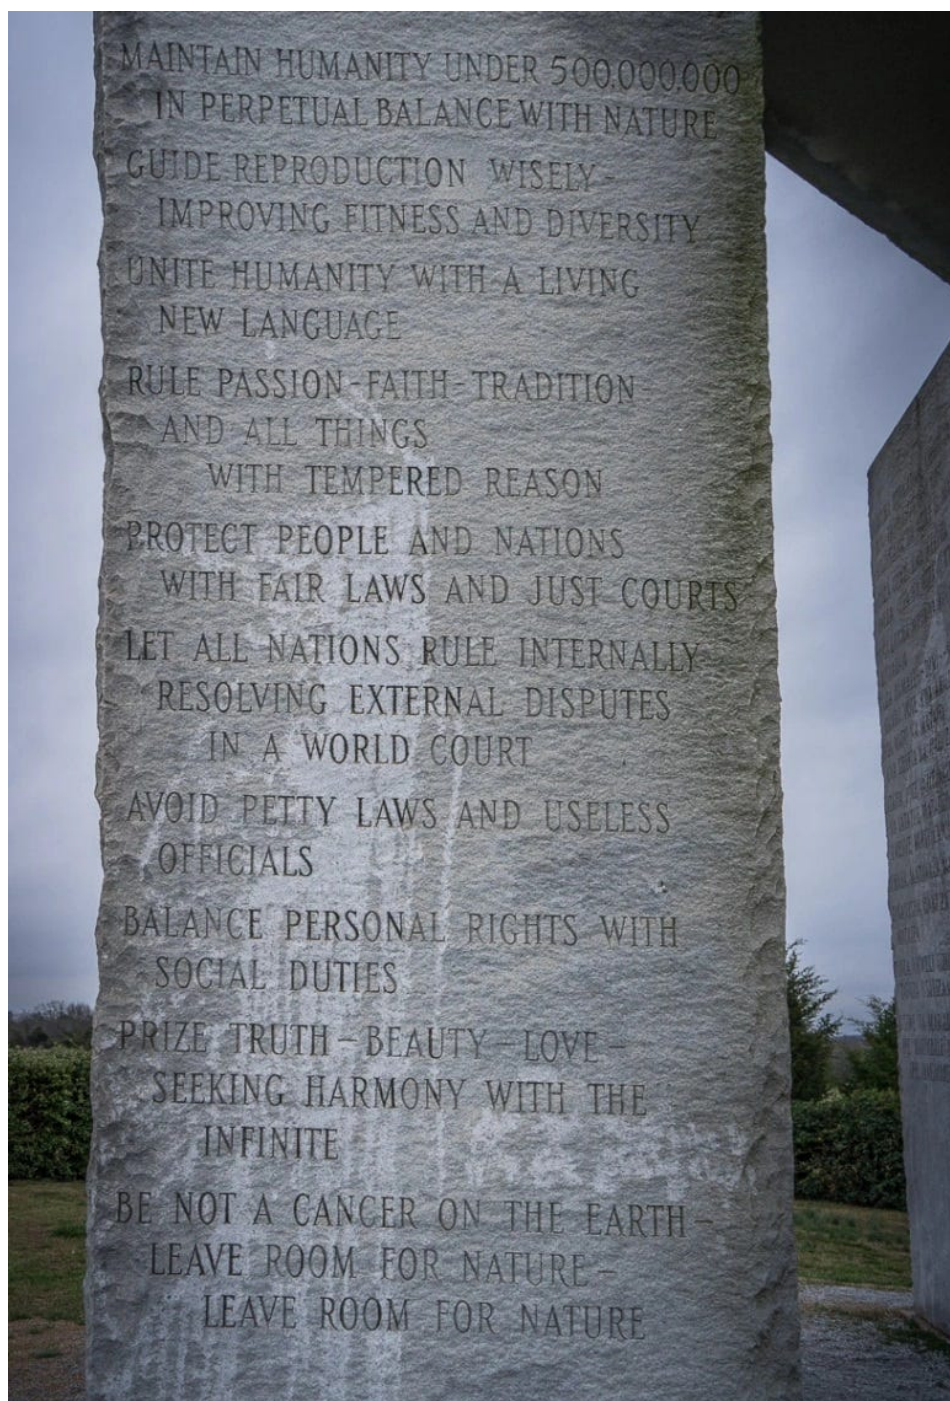

This book details the methodology - to give evidence that Against Satanism - is Real!! by Cisco Wheeler and Fritz Springmeier

**Prince Phillip of England**

# These Satanic Malthusians Demand Genocide

“Human population growth is probably the single most serious long-term threat to survival. We're in for a major disaster if it isn't curbed...We have no option.” —Prince Philip, interview in *People Magazine*, December 21, 1981

“In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation.” —Prince Philip, *Deutsche Press Agentur*, August 1988

“It is almost self-evident that the greater the human population, the greater the demands for natural resources... The paramount question deals with an optimum human population. How many is too many people in relation to available resources? Many believe that our current (satanically consciously created) environmental problems indicate that the optimum level has been surpassed.” —Task Force on Earth, Resources and Population, George H. W. Bush, Chairman, July 8, 1970

## POST MORTEM

Unfortunately, all the obituaries were premature: Venice has continued to be very much alive. During the nineteenth century and up to our own time it has been the most important single incubator for fascist movements. With its military and financial power largely emigrated elsewhere, Venice's importance for political culture is now greater than ever.

Examples of this are inexhaustible. Richard Wagner wrote part of *Tristan und Isolde* while living in the Palazzo Giustinian on the Grand Canal. One story has it that the leitmotif of the *Liebestod* was inspired by the mournful call of

a gondolier. At the end of his life Wagner moved to Palazzo Vendramin Callergi, where he died. This building, presently a gambling casino, was also the home of Count Coudenhove-Kalergi, the founder of the Pan-European Union. Friedrich Nietzsche loved Venice, returned there incessantly, and dedicated certain poems to the city which today can still be used in lieu of a powerful emetic. Venice was an inspiration for Lord Byron, for Thomas Mann, and so on.

Other examples abound of how the Venetian oligarchy's cultural and political influence has reached down into the modern era:

- \* When British East India Company retainer Thomas Malthus published his *Essay on Population* he was plagiarizing from the Venetian Giammaria Ortes, who produced, around 1750, a fully developed version of the argument that geometric population growth outstrips the much slower arithmetic progress of food production.

- \* John Ruskin, the leading ideologue of the British Dark Ages faction, began his career with a raving treatise on architecture, *The Stones of Venice* (1851). This volume popularized the notion that a "Venetian Gothic" style had been developed in the better times of the city's history (which for Ruskin ended in 1418) and it was used systematically to discredit the Golden Renaissance.

- \* A turn-of-the-century new Roman Empire faction led by Venetian Count Volpi di Misurata, who was known as the doge of his era, sponsored the fascist Mussolini supporter Gabriele D'Annunzio to drum up enthusiasm for a new crusade into the Balkans and the East. Volpi became finance minister in Mussolini's cabinet, along with a very large number of other Venetians. D'Annunzio incited the Italians to take back Trieste, the rest of Italia Irredenta, and the Dardanelles, bringing on to center stage the so-called Parvus Plan for dismemberment of the Ottoman and Russian empires, which is generally recognized as the detonator of World War I. It is

possible that the turn-of-the- century super spook Alexander Parvus was ultimately employed by Venice.

\* The Societe Europeenne de Culture, a think tank created in 1950 through the efforts of Venetian intelligence operative Umberto Campagnolo, has for the past three decades pulled intellectuals from both East and West into organizing for an “international culture,” based on rejecting the existence of sovereign nations. The SEC counted among its members the cream of the postwar intelligencia: Adam Schaff of Poland, Bertolt Brecht of East Germany, Georg Lukas of Hungary, and Boris Paternak of the Soviet Union, as well as Stephen Spender and Arnold Toynbee, Benedetto Croce and Norberto Bobbio, Julian Huxley and Thomas Mann, Francois Mauriac, and Jean Cocteau. Later, the SEC launched the Third World national liberation ideology.

Today, the Club of Rome is the institution that represents the most concentrated essence of Venetian influence and the Venetian method. The Club of Rome wants to convince the great powers and peoples of the world to commit collective suicide by accepting the genocidal doctrine of zero growth. It also hopes to abolish the sovereign nation as a vehicle for economic growth and scientific progress.

Club of Rome founder Aurelio Peccei has just written a new book titled *One Hundred Pages For the Future*, a global review of the impact of the Club of Rome, and particularly since its 1972 release of the zero-growth model *Limits to Growth* was published, a series of social movements has sprung up under the sponsorship of the ideas in the book. These – the women’s movement, the peace movement, Third World national liberation movements, gay rights, civil liberties, ecologists, consumer and minority rights, etc. – must now be welded together into one movement for a single strategic goal: the implementation of a zero-growth international order.

The Venetian problem remains with us today. Truly, the most urgent task of this generation of mankind is to definitively

liquidate the horror that is Venice and all the other Gang Clan Families who have ruled the World for 10,000 years.

The Satanic Conservative outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and Children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Torture, Ritual Castration - and those Damn Liberals by Miles Mathis and Satchidanand

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

The United States were never meant to be republic, much less a democracy, they were meant to be another outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and more worship with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Castration.

Some of my readers have been confused by my insistence that I am a liberal. These readers agree with me on a lot of things, so they can't fathom what I mean by calling myself a liberal while they consider themselves conservatives. Since it is important, I will hit it again, trying to get them to understand.

I think the difference is that I am coming at this as a student of history, while many of them are coming at it as students (or consumers) of current politics.

I haven't gotten my definitions and stances by listening to Rush Limbaugh, or Sean Hannity, I have gotten them from texts from the 19th century or earlier. My readers will answer me, "Then why don't you keep up, Holmes! This is 2020, not 1880". Good point. . . except that it isn't.

To see what I mean, let's transport ourselves back to the 1880s. Back then, satanic conservatives were those people who wished to conserve the status quo. Hence the name. They were quite satisfied with the way things were set up, and why should they not be?

They were rich and connected and had it made. Liberals were those who were not satisfied by the way things were, and so they were pushing for reforms. In general, they wished to see more fairness in government policies. They wanted those not "of the manor born" to be given a fair shot at good employment, good wages, court access, and all the various fruits of society.

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

The United States were never meant to be republic, much less a democracy, they were meant to be another outpost of the Satanic Phoenician Navy who for 10,000 years have

worshipped Molech, Baal and Cybele and Attis, and more worship with Satanic Ritual.

It's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Castration.

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis. In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

There is a translation of Hatha Yoga Pradipika which I studied as a young man as part of my studies of Hatha Yoga by my Guru, Theos Bernard who through yoga, pranayama and meditation became accepted as a Rinpoche, Tibetan Reincarnation when he came to the gates of Tibet.

Through the practise of Hatha Yoga from the age of fourteen and the study of Pranayama and Agnisar Kriya at age 21 and then the study of meditation and Shambhavi Mudra at age 28 I gradually built up the happy power of samadhi within my being and became a healer with the National Federation of Spiritual Healers of Great Britain.

My Guru, Swami Satchidananda said that when he was young he could touch a person and take away their Heart disease or Cancer. But later he found the same people coming back with the same problem. By this he learned that the people had to change themselves, their attitudes, their lives before the disease, a product of all that, could be truly healed. And for this reason, people need to learn to do it for themselves with the Energy Enhancement Streaming Video Course - or come visit us in India of Iguazu Falls, Brazil.

In reality, Illumination is the final healing required. Although the normal miracle can show what is possible, this should only show the way. So then he started teaching yoga and meditation. Healing came in from the side.

With the addition of Energy Enhancement, came the finish of all the problems associated with Energy Blockages, the bane of every healers life yet at the same time their reason for existence.

I can now say the same for every man and woman on this planet, "Energy Blockages, the Shadow, are the bane of every persons life yet at the same time their reason for existence"

In order to evolve we need to understand that Energy Blockages are the reason for all your problems.

The Energy Enhancement Meditation Course, is the solution.

Satchidanand - "who can know the true greatness of the Raja Yoga. Knowledge, mukti, condition, and Siddhis can be learnt by instructions from a guru alone" Hatha Pradipika 4.8

Can I help you in any way with more information about the course?

Successful people make decisions quickly.

And change them slowly.

Confirm your decision to buy the Energy Enhancement Meditation Course.

1. Book - The Yoga Sutras of Patanjali by Satchidanand

Save your life with Energy Enhancement Streaming Video Meditation course.. Book One, Sutra One - Here are complete Instructions on Enlightenment...

## ILLUMINATION!!

The Yoga Sutras of Patanjali talks about Illumination as being Nirbija Samadhi. This word is a teaching as to what exactly enlightenment is. Nir means no, and Bija means seed. The seeds of desires which have not yet come to fruition. These Seeds are Energy Blockages. This is the Karma which is yet to come. And as it says in the Yoga Sutras of Patanjali, "The Karma, the Pain, that is to come can be averted" - Book 2 Sutra 16. The removal of Energy Blockages, Grounding their Negative Karmic Mass, is an Energy Enhancement Process called, "Karma Cleaning" - The Energy Enhancement Meditation Course Level 3 of Energy Enhancement.

Each desire seed when watered can addict us to the desire it contains.

In the Yoga Sutras they talk of the method of roasting the seeds - removing the addiction, the slavery to your desires (When you slaver your saliva over something the desire drips out of your mouth) - so that the life they contain is extinguished, they can not germinate even with all the correct conditions, ever again to bring us to Painful Karma. And what roasts the seeds?

This is the concentration of the Light of the Soul in Samadhi, the next highest energy to the mind and there are higher energies still we can contact on the path of Energy Enhancement, as light is concentrated through a lens, as it is focused through the Brow Chakra, Ajna Chakra or through any of the chakras of which the Brow chakra is the Master - this is called Samyama...

5. The Energy Enhancement Meditation Course Level One - Access Infinite Spiritual Energy!!

Fantastic Resource for Energy Enhancement Meditation Course & all genuine Truth Seekers!!!

November 27, 2016

Format: Paperback|Verified Purchase

There is great wisdom and truth within Satchidanand's books, website and energy enhancement teachings. I feel that Energy Enhancement is the most important work I have ever embarked upon in my life. I am learning a tremendous amount of spiritual knowledge in addition to gaining a much greater understanding about our world. This is the second paperback book I purchased from Energy Enhancement.

However since this is a book about Level 1 initiations I recommend getting this book first. I like having this book to refer to while listening to initiation videos, for study, review, and writing notes. I plan to purchase all three of the currently available Energy Enhancement books in paperback form. Thanks to Satchi's great teachings and the experiences I have had while doing the level 1 initiations I feel renewed happiness, optimism, & hope. I highly recommend this book for all genuine truth seekers, especially for those working on the Energy Enhancement Meditation Course!!!

Format: Paperback|Verified Purchase

This is an excellent start to the energy enhancement system! Swami Satchidanand has done an excellent job in integrating

different spiritual systems and extracting essential wisdom for seekers. Swami Satchidanand has studied with many of the top spiritual masters and this definitely shows in his ability to motivate others. The other review gives a skewed review IMO, I have experienced his online course, the book is an excellent start to the advanced material. People see what they want to see in spiritual teachers and responses can be polarised, clear your own mirror first to see the truth.

Satchidanand's book challenges assumptions about society's spiritual roots and made people look at them in new ways."

Satchidanand dedicated Super Energy And Sacred Symbols for Perfect Wisdom Enlightenment to "the proposition that concealed within the emblematic figures, allegories and rituals of the ancients is a secret doctrine concerning the inner mysteries of life, which doctrine has been preserved in toto among a small band of initiated minds and hidden from the rest of humanity."

"The result is a gorgeous, dreamlike book of mysterious symbols, concise essays and guided meditations evoking colorful renderings of mythical beasts rising out of the sea, and angelic beings with lions' heads presiding over somber initiation rites in torch-lit temples of ancestral civilizations that had mastered latent powers beyond the reach of modern man."

"The greatest knowledge of all time should be available to the twenty-first century not hidden in Myth and Symbol and ancient libraries where books go to die"

"Within this book, are the sacred colors, shapes and symbols of the Western Mystery Tradition. If a picture is worth a thousand words, then the wisdom contained herein is infinite. As a reference book for symbols and sacred art, as a gateway into the Western Mystery Tradition, or simply as a pleasant read, this book is well worth adding to your library. You will turn to it again and again, and walk away pleased each and every time."

Hi, I've been reading through all the 4 e-books in a couple of days, FWIW I found the site through googling words "gnostic"

and "chakra" and came to an article on the site. I once literally didn't believe the time when I stopped to go to sleep, that I had been pretty much just reading for 12 hours straight! (including of course every one of the submissions relating to the Argentine junta torture, I felt you were just GODAMNN DARING someone to skip! even just that reading time duration yet relentlessly personal nature of trauma all by itself would mean never being the same again after finding your website!)

I'd like to receive the video course, but also wonder whether you would provide some perspective for me on some odd things that have happened to me that I didn't understand, I was amazed to read in the book the experience of [Dan, I think] and realizing what has happened to me may be similar and you can help me understand it after feeling very alone with these things. I will write it in a longer form in new email if you will be willing to read and comment, I will just say now that I think one strange day as an ignorant know-it-all teenager, 17 I think (21 years ago now) when I defaced every 7th page of a copy of the New Testament with inverted pentagrams may have something to do with it all! In between reading all the books back to back I slept with, for the first time really, asking to be shown in dream what stops me from working on my projects (I perfectly fit your description of a head in the clouds dreamer feeling revolt against being born a human animal, the two triangles not being integrated)

And I had by far the most vivid dream I have ever had and only one I can remember where "I" was killed in it (brief nothing then a bizarre future life continuation of dream) which started from recognizable home street surroundings (unusual for me in dreams) but meeting an intense man (?) controlling me by thick cord to make me sway around or whatever he wanted Regards, Peter

15. Book 15 out of 45 Free Books with Energy Enhancement..15. Eliminating the Shadow.. In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities.

Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow.. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!!

Carl Jung says.. "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or

statesmanship and it is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, a long process of negotiation is unavoidable.” (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Ancient Meditation Technology which is the only means for removing the Shadow. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation including Level 1 Alchemical VITRIOL to Ground Pain and Trauma from Memories and the Energy Enhancement Level 2 Seven Step Process to remove Energy Blockages by Purifying them then Integrating them with the Soul to create ONE Soul Infused Personality creating Spiritual Insight – combined with psychological knowledge Energy Enhancement is THE complete way of processing and integrating your Shadow Side into wholeness.

I am writing today because this is so important.

Only Energy Enhancement can Annihilate Evil on Earth and change this Planet into a Planet of Love and Light in this Place, for You, for Me, for the Entire Human Race.

It is about The Energy Enhancement Elimination of All Evil on this Planet.

You remember my latest book, Eliminating the Shadow Subpersonalities..

It is beneficial for everyone to heal themselves by removing ALL blockages using Energy Enhancement advanced techniques. Not just a handful.

Because the Shadow Subpersonalities are the Source, the Fount, of All Evil on this Planet.

The Shadow Subpersonalities are essentially Evil because they are cut off from the energies of God and thus from Good, because Only God is Good!!

Shadow Subpersonalities are virtual machines existing within the mind computer but with no access to God, "They are minds of metal and wheels" - Tolkien, with no access to genius because the geni etymologically, is the Soul.

Shadow Subpersonalities, cut off from the energies of God, can only live off the Soul infused Personality or the Essence within themselves or that Energy within other people.

Shadow Subpersonalities Vampirise the Energy of God and devise Evil schemes to get it.

Strategies, - the Strategies of the Vampire are all Attention Seeking schemes to Vampirise your Energy. The Poor Me Addictions, the Violator Bullying, the Selfish Competitive Black Star, the Sabotaging Self Destructor, are all Drama Queens - just a little Evil to destroy lives - Your Life, the Lives of your family, your City, and your Country.

You can see all these strategies busily at work in the people around you. You might even see them at work in yourself. Know that these strategies are even now turning you against the One Course which can Remove them.

ONE COURSE, ONE SOUL INFUSED PERSONALITY, ONE WORLD OF LOVE AND LIGHT!!

The Energy Enhancement Seven Step Process Can Easily Remove All your Strategies and Subpersonalities!

Most people are just a little evil, but over many lifetimes, as the number and power of Subpersonalities grow within you, so that the Demon on your left shoulder, debating with the Angel on your right shoulder becomes so powerful that you become more and more Evil.. Until you are entirely taken over by Evil.. Possessed by Evil, a Servant of Satan!!

THE ENERGY ENHANCEMENT ELIMINATION OF ALL EVIL

You can see in the picture below that most people are controlled by Shadow Subpersonalities.

These Evil Shadow Subpersonalities band together to take you over and repress the Soul infused Personality. They are then Evil psychopaths and this is bad enough. But when these Evil Shadow taken over people band together into groups, Satanic Evil Religions, Bloodline Families and Bloodline Races, Secret Societies, Cartels, Banksters - giving courses on how to repress further the soul infused personality - how to become even more Evil - then this is what and why I write in my Against Satanism series of Books - currently Nine volumes available for FREE!! when you sign up for the newsletter at [energyenhancement.org](http://energyenhancement.org).

Satanism is gradually being instituted as the New World Order.

The New World Religion, defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual - read Toynbee. Satanism is gradually being instituted as the New World Religion defined by Satanic Ritual.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. LGBTP - The Satanist Ritual Pillars of Homosexuality, Pederasty, Pedophilia, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly as a prelude to Ritual Human Sacrifice and Ritual Baby Sacrifice. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society destroyed through the fear of mandatory Ritual Human Sacrifice.

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowleyan Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and their minions, and thus conquer the world.

All Rituals, Religions, Education, Secret Services and Political Movements have been scientifically Engineered to create Fake Gangs for 10,000 years. It's what the old Roman Empire, The Babylonian Empire of Satanic Nimrod, and the Cult of Appollo and the Byzantine Empire did before.

As you know, every Gang has Blackmail Rituals before you can join. Making your Bones with the Mafia means you must murder someone before you can join. Drug Cartels like MS13, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can progress.

Epstein did not kill himself. He videoed Scientists from MIT and Harvard, Oligarchs, Politicians etc, Pedophiling young girls then Blackmailed them into doing the work of his Trillionaire sponsors - MKULTRA, Transhumanism, CRISPR Androids. As their willing victims are given access to stealing higher quantities of money, so they must go to the next level of Ritual. First it is 15 year old girls who look 25. Then it's 12 year olds, 5 year olds, and then it's the murder of children, babies!

All to create a Satanic Society of Total Control through Human Sacrifice, poverty, lack of education, poison in the air, water and food. Lack of infrastructure, education and Total Control of the Media.

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!!

The very word secrecy is repugnant in a free and open society  
JFK (27 April 1961)

The very word secrecy is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.

JFK (27 April 1961)

What We See when we Remove an Energy Blockage is the Secret of Infinite Energy, Secret of Eternal Life, the Secret of Immortality. Energy Blockages are Satanic, and it is this we see directly when we remove the blockages with the Energy Enhancement Meditation Course.. Energy Blockages do not exist alone, they are part of a network of evil, a network of control, which is designed not to allow people to understand the nature of that control, the purpose of that control, so as to maintain that control and the flow of energy - stolen from all human beings - to allow an elite of Black magicians, Sorcerers, Enchanters, Warlocks, Witches, Necromancers, Devils, Dark Gods... to live forever, Immortally, in private Universes, outside the body and then to download into a body from time to time, to maintain their Plantation, their Farm, their Property, to maintain the flow of stolen spiritual energy to them from every human being on this planet - Eternally. This is why I wrote Eight volumes of Against Satanism..

Externally we see the effect of Satanic Energy Blockages and their creators, on the World.. This is why I wrote Nine volumes of Against Satanism..

## 17. AGAINST SATANISM VOLUME 2 - Pedophile Plato and No-Soul Aristotle - The Foundations of Western Philosophy!

The inspiration for the fascist state comes from Plato, the male supremacist and apologist for pederasty. Plato is revered as the preeminent classical philosopher, although his apparent advocacy of man/boy sex is not commonly known. A prototypical statement by the philosopher is recorded in George Grant's *Legislating Immorality*: "Through the nightly loving of boys, a man, on arising, begins to see the authentic nature of true beauty" (Grant, 1993:24).

Plato's Republic is his best known work.

The following is a summary of the Republic from W.K.C. Guthrie's *A History of Greek Philosophy*:

The Republic (c.370 BC) advances many of Plato's principal ideas, notably those concerned with government and justice. Composed as a debate between Socrates and five other speakers, The Republic is best known for its description of the ideal state (based on Sparta), which Plato argues should be ruled by Totalitarian Dictator philosopher-kings (Guthrie in Grolier).

As we have noted, the Spartan society was dominated by a pederastic warrior cult that featured mandatory induction of

twelve-year-old boys into homosexual partnerships with adult men. Like all such cults, the Spartan military was rigidly hierarchical and elitist. Plato's concept of the "philosopher-king" is that of an autocratic dictator leader appropriate to such a society. The Totalitarian Dictator Philosopher-King rules over a kind of fascist utopia. Interestingly, Plato's idealized society in the Republic includes the elimination of the family as a social unit and the elimination of private property.

The wicked foundations of Clown World

Clown World is built upon a series of intellectual pillars that range from Darwin, Diderot, and Freud to Einstein, Keynes, and Foucault. The first thing that rapidly becomes apparent when one regards them as a set is first, that they are all frauds. The second thing one realizes is what a collection of seriously evil sexual deviants they tend to be:

A French-American professor has accused fellow intellectual Michel Foucault of being a "paedophile rapist", a report by The Sunday Times said.

In an interview, Guy Sorman said he found out about Foucault's behaviour after visiting the late philosopher in Tunisia where he was living in 1969.

"Young children were running after Foucault saying 'what about me? take me, take me'," he said to The Sunday Times. "They were eight, nine, ten years old. He was throwing money at them and would say 'let's meet at 10pm at the usual place'. He would make love there on the gravestones with young boys. The question of consent wasn't even raised."

Sorman argued that Foucault was able to get away with this because of the racial element of his affairs.

"Foucault would not have dared to do it in France... There is a colonial dimension to this. A white imperialism," Sorman said.

In the interview Sorman said he "regrets" not reporting this "extremely morally ugly" behaviour to the police. He added that the press had been aware of Foucault's conduct but were reluctant to publish stories due to his status as France's "philosopher king" alike to that of a "god".

The philosopher who died in 1984 signed a petition in 1977, which sought to legalise sexual relations with children aged 13 or above.

Don't be misled. Whatever aspect of Clown World rhetoric happens appeals to you, be it free trade, freedom of expression, libertarianism, judeo-christianity, equality, tolerance, or respect, it's really all about pedos and human sacrifice. It's literally all designed to lead there in the end.

## 20. AGAINST SATANISM VOLUME 5 - Satanic Economics and the Satanic Principle of Poverty Published Feb 2019

We know the effects of meeting one psychopath and the destruction he can wreak in our lives. Wisdom teachings teach how to overcome their strategies and, "stay away from evil".

Satanism, - The Old Religion" - is when all the psychopaths get together in one group to wreck the world to their benefit. Energy Enhancement Wisdom teachings describe the historical problem and the means to overcome it. "Vampires hate the light of truth".

The key is that the Satanic Religion and its recruiting cults of Freemasonry and the Crowlean Sexual Ritual Ordo Templi Orientis are Fake Gangs, created by men as a technique to conquer the world.

The Ancient Satanic Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Global Warming, Eugenics..

And Banking Infiltration by Satanic Banksters supported by the False Fabulous Science of Economics..

And this book pricks the bubble of Fake Satanic Economics because Godly people could never set up the World banking and economic system described in these pages.

Only Satanists could create a system which is against the evolution of Humanity to the Stars.

Instead, the Satanic Banksters promote the Principle of Poverty, barefoot, back on the reservation, in debt to the company store.

20a. Companion Volume to Volume 5 - Satanic Economics and the Satanic Principle of Poverty - The Babylonian Woe - the History of Money and the Phoenicians who created it.

Meyer Amschel Rothschild, who founded the great Satanic international banking house of Rothschild which, through its affiliation with the European Central Banks, still dominates the financial policies of practically every country in the world, said: 'Permit me to issue and control the money of a nation, and I care not who makes its laws.'

In this time, as today, the people were almost entirely at the mercy of the Satanic private persons controlling their money, who then controlled the inflow of precious metals, silver and gold, the foundation of the people's money. The Satanic policies of these controllers from their standpoint as internationalists, with Banks and secret agents in both countries, were necessarily directed towards the creation of war against the well-being of mankind. Frequent wars were above all the prime essential.

1. Arms sales - The selling of weapons and war materiel to both sides of the war.
2. Chaos towards the destruction of the natural system of rule previously defined, which had been the protection of the

people, to create the Satanic recruiting process of despair, nihilism, and then Satanism in the people.

3. War booty towards the reinjection into the system of hoarded coin and bullion, and consequent reflation of the money supply;

4. The buying of property, farms and businesses in the defeated country for cents on the dollar.

5. Not the least important, the enslavement of the defeated populace and prisoners of war - gathering of a new crop of slaves for working the poisonous heavy metal mines to replace those stocks of silver and gold, so necessary to the foundation of their money power, and the maintenance of their international hegemony in consequence...

Dark Forces have used Infiltrating Bloodline Phoenician/Jewish aristocratic Families which have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control humanity, they themselves worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis. In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

The Cancer of The Venetian Empire - The Phoenician Empire - Merges with the Satanic Catholic Church

The reputation and good behaviour of hundreds of millions of good Catholics in no way is questioned by highlighting the deliberate actions of a few thousand dedicated Satanists, Baalists and Luciferians who have caused world wars and sacrificed millions to demon gods.

The Roman Cult and associated networks of Sabbatean and secret Satanic organisations since the 14th and 15th Centuries is the only time in the history of civilization whereby a “sacred” religious ceremony was established for the systematic and widespread encouragement of its clergy to Satanically ritualistically abuse children...

And Much, Much, More..

#### 24. AGAINST SATANISM VOLUME 9 - The Satanic Suppression of Science

Satanic Secret Agents, Aristotle; Contarini, Pomponazzi and Giorgi; Sarpi, Galileo and Kepler; Conti, Newton against Leibniz - The Satanic Corruption of Science by the Satanic, Slave Trading, Drug Running, Bankster run Venetian Empire to suppress Steam, Tesla, Fission and Fusion.

Satanic Control comes from the Satanic, "Policy of Poverty" and the Satanic, "Policy of Poisoning" by means of the, "Borgia Cup" and indeed Satanism itself which is a form of Mind Control to create the Psychopaths who will follow any orders.

These policies are designed to weaken the opposition to the Satanic Religious leaders whose aim is to continue ruling humanity as they have ruled the Human Herd for 10,000 years since Satanic Babylon in order to Steal their Spiritual Energy.

All religions are created by the Fascist Peerage Robber Barons whose Genealogy goes back to Satanic Babylon and their created Religions of Satanism, Luciferianism, the Cult of Apollo, Dionysus, Isis, Horus, Osiris have been created to control the upper levels of society for the real Peerage Robber Baron owners for thousands of years. Because if you believe a Satanic created, infiltrated religion, you will believe anything, do anything for the compartmentalised top of the Hierarchy.

Yet, "False Gold is there only because Real Gold Exists" -  
Tamil Siddar Alchemist Thiruvalluvar

If a member of the Peerage Fascist Robber Baron Elite partakes of the normal Satanic Rituals extant for thousands of years designed to reduce people to the level of a psychopathic beast of..

1. Animal and human sacrifice rituals.
2. Canibalism rituals.
3. Drug rituals,
4. Sex rituals - homosexual sodomy rituals - pederasty rituals - bestiality rituals - torture rituals.
5. The castration rituals of Cybele and Attis.

and then you have your pictures and videos taken by Epstein, Ghislaine Maxwell, or Jimmy Savile, of you doing it, then you tend to follow orders!!

Rather than concentrating on problems with food, security and housing which poverty induces in all, only wealth and education can lead humanity to evolutionary meditation the foundation of Human Evolution to the Stars.

Realise that Austerity is not an accident.

Everything must be planned.

If Austerity can be planned and executed for the USA and Europe over 50 years since the assassination of John Kennedy then wealth too can be planned!!

Only wealth can lead Human Evolution to the Stars, therefore anti-evolutionary Satanism created by the Robber Baron oligarchic elite for the purpose of creating poverty, so as to maintain their control over thousands of years, has acted to degrade every part of human society including science as the Satanic Frankfurt school has acted to similarly degrade philosophy, music and art, and the Satanic Robber Baron Drug trade has acted to destroy all culture and civilisation and

the poisoning of air, food and water by fluoride, genetically modified foods, glyphosate and other pesticides, and incinerator dioxins and VOC's to destroy the health and energy of all humanity.

In order to secure acceptance for their Satanic ideas, the Satanic Venetian Party seeks to control the way people think. If you can control the way people think, say the Satanic Venetians, you can control the way they respond to events, no matter what those events may be.

It is therefore vital to the Satanic Venetians to control philosophy and especially science, the area where human powers of hypothesis and creative reason become a force for improvements in the order of nature.

It is therefore vital to the Satanists to control and suppress science because Science is the source of all Wealth creation which can lift Humanity from the level of a beast to Enlightenment itself.

"Gehlen pioneered the setting up of dummy fronts and cover companies to support his far flung covert operations... By the time the Gehlen Organization became part of the West German state, Gehlen already had his agent-in-place in the United States. He was Otto Albrecht von Bolschwing, who had

been a captain in Heinrich Himmler's dreaded SS and Adolph Eichmann's superior in Europe and Palestine. Von Bolschwing worked simultaneously for Dulles' OSS. When he entered the U.S. in February 1954, he cleverly concealed his Nazi past. He was to take over Gehlen's network not only in this country but in many corners of the globe. He became closely associated with the late Elmer Bobst [Pilgrim's Society; SMOM; anti-Jewish; accused of sexual abuse granddaughters and great-great-granddaughters] of Warner-Lambert Pharmaceutical, a godfather of Richard Nixon's political career. In 1969, he showed up in California with a high-tech firm called TCI that held classified Defense Department contracts. His translator for German projects was Helene van Damme, Governor Ronald Reagan's appointment secretary." [45] 268

When I first heard that the NFL as a "league or association" was officially celebrating Hispanic Heritage Month, I had to scratch my head in puzzlement. I not saying that the NFL should celebrate Black History Month instead. There are twelve months a year and 365 days a year. There is enough justification for America to celebrate each month and every day of the year to the People of Color's contribution to this

country; and condemn its atrocities against them, whether Black, Brown or Yellow. 95

But, why would the predominantly Black player NFL officially celebrate Hispanic Heritage Month and give token observance to, and dismiss the significance of Black History Month? Why wouldn't the NBA or NFL openly support Black History Month that is expressly articulated to humbly HELP save their Black Fan Base and majority Black Players and their families from racial injustice and extermination— GENOCIDE in America? But for, to confuse, divide, conquer and continuity DOMINATE the masses by deception and PSYCHOLOGICAL WARFARE. 96

BEYONCE, SATANIC JAY & ALEISTER CROWLEY 666'S VEILED SATANIC SEX MAGICK AT THE 2014 GRAMMY'S 29

The January 26, 2014 56th Grammy Awards was far more flagrantly Satanic then I had envisioned. Katy Perry's Grammy

“Dark Horse” performance is widely recognized as a Satanic Rite and “Open Witchcraft and Satanism on Display.”[1]

29

“Rose, my dear, you filthy whore, would you be ever so nice as to do a magick ritual with me today?” –the BEAST, Aleister Crowley[7] 32

“Drunk in Love” introduced Beyonce’s new MK ULTRA Sex Kitten alter personality “Yoncé”, above, that is far more “FILTHY”, erotic, perverse and lustful than Demotic Sasha Fierce. 32

Yoncé– the 2014 Grammy’s Sex Magick Show & the Scarlet Woman 46

Lucifer’s Color is BLUE [41] 47

Babalon (also known as the Scarlet Woman, Great Mother or Mother of Abominations) is a goddess found in Aleister Crowley, the Great BEAST 666’s mystical system of Thelema. In her most abstract form, she represents the female sexual impulse and the liberated woman; she is also identified with MOTHER EARTH, in her most fertile sense.[42] 47

At the Grammy’s, Yoncé and Satanic Jay performed an erotic piece co-written by Beyonce called “Drunk in Love.” Its lyrics express “UNBRIDLED LUST” [43] and ancient phallic-Masonic worship,[44] 47

I’ve been drinking, I’ve been drinking I get filthy when that liquor get into me I’ve been thinking, I’ve been thinking Why can’t I keep my fingers off it, baby?[45] 47

“We be all night, and everything alright No complaints for my body, so fluorescent under these lights Boy, I’m drinking, walking in my l’assemblage ... If you scared, call that reverend Boy, I’m drinking, INNA bring it right...”[46] 47

Compare Nin-imma Symbol with Hathor’s Symbolic Wig 49

Nin-imma(Earth Mother) is a Sumerian, Babylonian, and Akkadian fertility goddess and deification of the female sex organs. Her parents are ENKI and Ninkurra. Her name derives from the Sumerian words nin – goddess, and imma – water that created everything. [50] 49

In Great Antiquity, Nin-imma is known by many names and spellings mainly Ninhursag (Earth Mother),[53] Ninmah (“Great Queen”) and Nintu (“Lady of Birth”). Both Nin-imma

and Nin-anna traits are similar to the Kemet Goddess  
WORSET (Hathor).[54] 50

Reverend Boy- unlike being an ordained minister, for instance, a Reverend of the Church of Satan is who is revered by the believers or Satanists- while a priest or minister is one who dedicates their life to preaching religion to others.[61] Basically, Drunk in Love, recounts one of the Great BEAST's continuous Satanic Tantra-Sex Magick Ritual sometimes referred to as the Babalon Workings that involves Crowley's satanic philosophies, and Demoness Scarlet Women.[62]

This information is taken from an excellent internet article by Jan Irvin, "How Darwin, Huxley, and the Esalen Institute launched the 2012 and psychedelic revolutions – and began one of the largest mind control operations in history." FAT MEAT AIN'T GREASY: THE BUTLER, LUNACY, ILLUMINATI & HUEY P. NEWTON 163

The CIA (MK ULTRA- MONARCH) had to find and figure out who Huey was, and prevent another Huey P. Newton from rising among the masses. Even the ILLUMINATI and Satanic Bloodlines (Priory of Sion) were also extremely curious about Huey. 277

**GEORGE ZIMMERMAN, THE SHADOW OF HIMMLER,  
CIA- MK ULTRA AND THE PROVIDENCE OF GOD 293**

In 1947, Big Papa's first official CIA assignment was to cover Ambassador Prentice Cooper in Lima, Peru. He said that the Peruvian military was still wearing Nazi war helmets and goose stepping.[42] 313

Cooper wasn't a junior ambassador. He was out of Princeton University, and had been the former governor of Tennessee. During his administration as governor, the U.S. government began the ultra secret Oak Ridge Tennessee Manhattan Project to build America's first atomic bomb. 313

In 1944, he trailed only Freemason of the 33 degree, Harry S. Truman, for the vice presidency of the United States. In 1946, President Truman appointed Cooper as the Peruvian Ambassador.[43] 313

Mason Sturmbannführer SS Friedrich Schwend 315

The CIA had a big ultra secret asset and operation concealed in Lima, Sturmbannführer SS Friedrich Schwend of Himmler's ultra secret SS counterfeiting Operation BERNARD. 315

In 1945, OSS Chief Allen Dulles had recruited SS Schwend as an agent in the Reinhard Gehlen Org. Through him, Dulles recovered millions in SS gold, American and British counterfeit dollars and pounds. However, the U.S. discovered that Schwend and the SS continued its counterfeiting operation under deep cover.[44] 315

In 1947, when things got too hot for Schwend in Europe, the CIA and the Gehlen Org packed him up and sent him off to Cooper and Big Papa in Lima.[45] 315

Hall the seething energies of Lucifer - Satan, or Lucifer, and the demons, Demonic Possession, Morals and Dogma, Albert Pike, Elias Ashmole edited Dr. John Dee, sorcerer who "brought through" the Enochian system of magic, of satanic ritual and demonic evocation, the Pagan Eleusinian Mysteries, Council on Foreign Relations ... the Trilateral Commission ... and the Bilderberger Group serve to disseminate and to coordinate the plans for this so-called new world order, Alice A. 42. OCCULT THEOCRACY BY EDITH STARR MILLER, LADY QUEENSBOROUGH

## EDITH QUEENBOROUGH

This book claims to be an endeavour to prove that: —

1 — Owing to their union, all secret societies, whether political, philanthropic or occult in appearance, serve a political purpose unknown to the majority of their members.

2 — The power wielded by such societies is real and its character is international.

3 — Regardless of their exoteric objects, the esoteric aims of most societies are all directed towards the same end — namely : the concentration of political, economic and intellectual power into the hands of a small group of individuals, each of whom controls a branch of the International life, material and spiritual, of the world today.

The main branches thus controlled are : —

1 — The International Banking Groups and their subsidiaries.

2 — International, industrial and commercial control groups with their interlocking directorates.

3 — Education, Art, Literature, Science, and Religion. as vehicles of intellectual and moral perversion.

4 — The Groups already organized throughout different countries for the study of International affairs political, financial and economic.

5 — The International Press, the medium used to mould public opinion.

6 — The Political party organizations of each nation,

whether conservative, liberal, radical, socialist etc. existing in every country with parliamentary administration.

7 — Internationally organized corruption, the white-slave traffic, vice and drug-rings, etc.

Glancing at the body frame of all political organizations, do we not perceive that money is its main sinew ? It would not sound preposterous to state that the electoral system is similar to that of auction, insomuch as it favours the highest bidder. In election campaigns, the successful candidate is not necessarily the most deserving or worthy of votes, but too frequently he who was able to buy the greater number of votes. Votes are captured by slogans, propaganda and, not unfrequently, bribery. Only an infinitesimal percentage among them will ever strive to find out the power or powers behind the candidate, and by whom he is, in effect, controlled.

43. Psychopath. Hervey Cleckley THE MASK OF SANITY, Section 1: An Outline of the Problem, 1. Sanity-a protean concept, A millionaire notable for his eccentricity had an older and better balanced brother who, on numerous fitting occasions, exercised strong persuasion to bring him under psychiatric care. On receiving word that this wiser brother had been deserted immediately after the nuptial night by a famous lady of the theatre (on whom he had just settled a large fortune) and that the bride, furthermore, had, during the brief pseudoconnubial episode, remained stubbornly encased in tights, the younger hastened to dispatch this succinct and unanswerable telegram

45. The Deliberate Dumbing Down of America by Charlotte Thompson Iserbyt - Now we are taught to be beta males and female warriors. The "men are pigs" propaganda will stop some women from marrying men but make them marry the state as Policemen, as Commissars.

From the Slave Manual of the Romans.. When creating a slave system, kill a few warriors and children in front of the women. Then say to the women, if you revolt we will kill everyone. Then put the women in charge of the plantation. We do this because if you ask the same thing of the men, statistically more will revolt, whereas women will comply.

NSA - Binney certainly has the right pedigree to be an informed whistleblower

<https://youtu.be/hoJw1E6C-qM>

Satchi's energy is amazing and just watching his videos would charge me up with softness and bliss. The energy I felt from watching the videos not only enabled me to see my own blockages, but I could feel some of them rising to the surface and then getting dissolved by light.

- Satchi is very helpful in emails and I have emailed him many times...he got back to me and gave me some hard truths and also honest support which helped me to continue making progress.

- The frequency of energy is the most powerful and high frequency I have worked with, it charged me up really fast and enabled me to see blockages psychically.- I started to sense astral beings a lot more (most of them not very nice) but we got taught how to deal with these in Level 2 with the Seven Step Process.

I also felt some very wonderful presences of spirits and ascended Masters associated with the course who were helping teach me.

- The level 2 method 7 step Process of removing energy blockages is simply amazing.

I use it every day. I've used it to dissolve or 'ground' negative emotions, fear, anger, to clear negative energy from astral entities, deceased human spirits who were inside my aura... random spirits who would come to me to get guided to the light and so on.

This method has been far superior than all other methods which I have used.

- The level 2 methods allowed me to personally get through some very bothersome subconscious programming and blockages which no other methods were healing...I was under heavy psychic attack at this point and I got what I needed to stop it. Problems grounded and dissolved in the light of the earth chakra.

- The level 3 methods to remove deep karma - The Karma Cleaning Process - actually do work. I said in another report that I saw that it would have taken me 500 lifetimes to clear my Karma and become Enlightened . Now using Energy Enhancement Techniques I see that all those 500 lifetimes of Karma have been dissolved!! Perhaps Enlightenment is Next!!

My body feels so bright and purified, so light and fresh, I have used these methods to clear the karmic bonds between me and other human souls. It feels like all the 'history' between you becomes instantly neutralized back into peace and light.

Although it also dissolves the 'good' karma too, for example it will neutralize positive attachment's between you and others and make you feel a more evenly spread benevolent peace to humas in general.

## Vol. 6

# AGAINST SATANISM VOLUME SIX

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanistic Rituals in Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

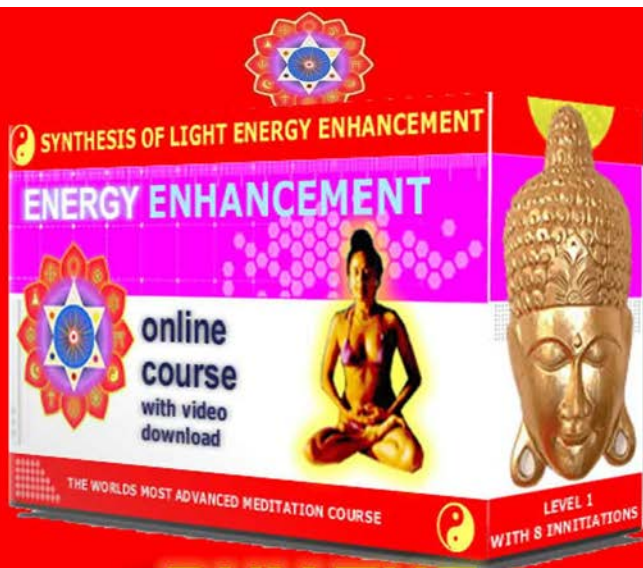

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

## REMOVE ENERGY BLOCKAGES

Learn the "Energy Enhancement Anti Energy Blockage Hack Technique" and Free Your Mind Once and for All.

Why has this Energy Blockage predator taken over in the fashion that you're describing, Don Juan?" I asked. "There must be a logical explanation."

"There is an explanation," don Juan replied, "which is the simplest explanation in the world. They took over because we are food for them, and they squeeze us mercilessly because we are their sustenance. Just as we rear chickens in chicken coops, gallineros, the predators rear us in human coops, humaneros. Therefore, their food is always available to them."

Don Juan had a broad smile on his face. He was as pleased as punch. He explained that sorcerers see infant human beings as strange, luminous balls of energy covered from the top to the bottom with a glowing coat something like a plastic cover that is adjusted tightly over their cocoon of energy. He said that that glowing coat of awareness was what the predators consumed, and that when a human being reached adulthood, all that was left of that glowing coat of awareness was a narrow fringe that went from the ground to the top of the toes.

If we consider a human being as containing seven parallel chakra processors within the body and an infinity of parallel chakra processors above the head and below the base, connecting us to the Universe, then the more of these parallel chakra processors we can access, the more intelligence we have - What stops the access to these parallel chakra processors is Energy Blockages.

We need to learn how to "Hack" these Energy Blockages to remove them so we can access our native genius. The Geni being the Soul Chakra, the first Chakra above the head.

Yet as we remove more of the energy blockages and access many more chakras, even more intelligence is possible!!

# ENERGY ENHANCEMENT OPENING THE THIRD EYE

AWAKEN YOUR THIRD EYE  
IMPROVING PSYCHIC SIGHT

# OPENING THE THIRD EYE

The conscious rocking backwards and forwards at the Start of your EE practice is to get your spine into alignment with the Kundalini energy from the center of the earth out into the center of the Universe..

to power your Psychic Vision, to Open your Third Eye...

Antaeus was killed (the process of Illumination requires the ability to get out of the body into the higher chakras, the same path we take when we die, but without the advantage of being able to come back along the Silver Chord) Antaeus was killed by suspending him in a tree - SEE THE MYTH OF ODIN IN AXIS MUNDI where Odin spent 9 nights suspended in the Axis Mundi Tree above the Crown Chakra in order to become Illuminated and gain psychic vision - make all his sight one in the third eye.

We eventually get into a state of energy transfer. We both feel it as white light flowing from one to the other in an incredibly intense way which lasts for two hours. At the end of that time I perceive an initiation which is taking place on the astral plane. Surrounded by a group of ascended masters I introduce him to the chief initiator who uses the rod of initiation to touch his third eye with the intense energies of initiation so that his energies can never again drop into that state we call normal waking consciousness.

The Antahkarana Also refers to the Unicorn - So, by removing the Blockages of Ajna Chakra the Psychic Powers of the Third Eye and of the Rainbow Bridge, a Horn emanating from the Crown Chakra leading to Wisdom, Psychic Vision and the Actualisation of all our Dreams, Our Soul Path which we teach in Energy Enhancement Initiation 4.

"COMPLETE INSTRUCTIONS ON  
ENLIGHTENMENT" - THE  
ENERGY ENHANCEMENT WAY BY-  
SATCHIDANAND

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION..

He who, due to his perfect discrimination - dis-crime-ination or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER..

"WHEN ALL ENERGY BLOCKAGES ARE GONE, ENLIGHTENMENT IS SURE TO FOLLOW" - Satchidanand

# VIMALAKIRTI SUTRA -THE BUDDHA FIELD

# SATCHIDANAND

# ENERGY ENHANCEMENT

## Vimalakirti Sutra - The Buddhafield

Buddhas, Bodhisattvas, Aryasravakas, and Pratyekabuddhas conquering demons, natural spiritual benefactors of all living beings, free from impurities, expert in knowing the spiritual faculties of all living beings, high resolve as hard as diamond, unbreakable in their faith in Buddha, Dharma and Sangha, they showered forth the rain of ambrosia that is released by the light rays of the jewel of the Dharma, which shines everywhere.

The Purification - the Removal of Energy Blockages - And the Augmentation of Psychic Powers - Caused by the Buddhafield

Inconceivable Skill in Enlightenment Liberative Technique, Dharma, Connection with the Infinite Chakras above the Head - Gnosis, conquered all demons, transcendence of wisdom, tolerance and self-control, respected by Indra, Brahma, and all the Lokapalas

Thereby, thirty-two thousand living beings purified their immaculate, undistorted Dharma-eye in regard to all things.

The eight thousand bhikshus were liberated from their mental defilements, attaining the state of non-grasping.

And the eighty-four thousand living beings who were devoted to the grandeur of the buddhafield, having understood that all things are by nature but magical creations, all conceived in their own minds the spirit of unexcelled, totally perfect enlightenment.

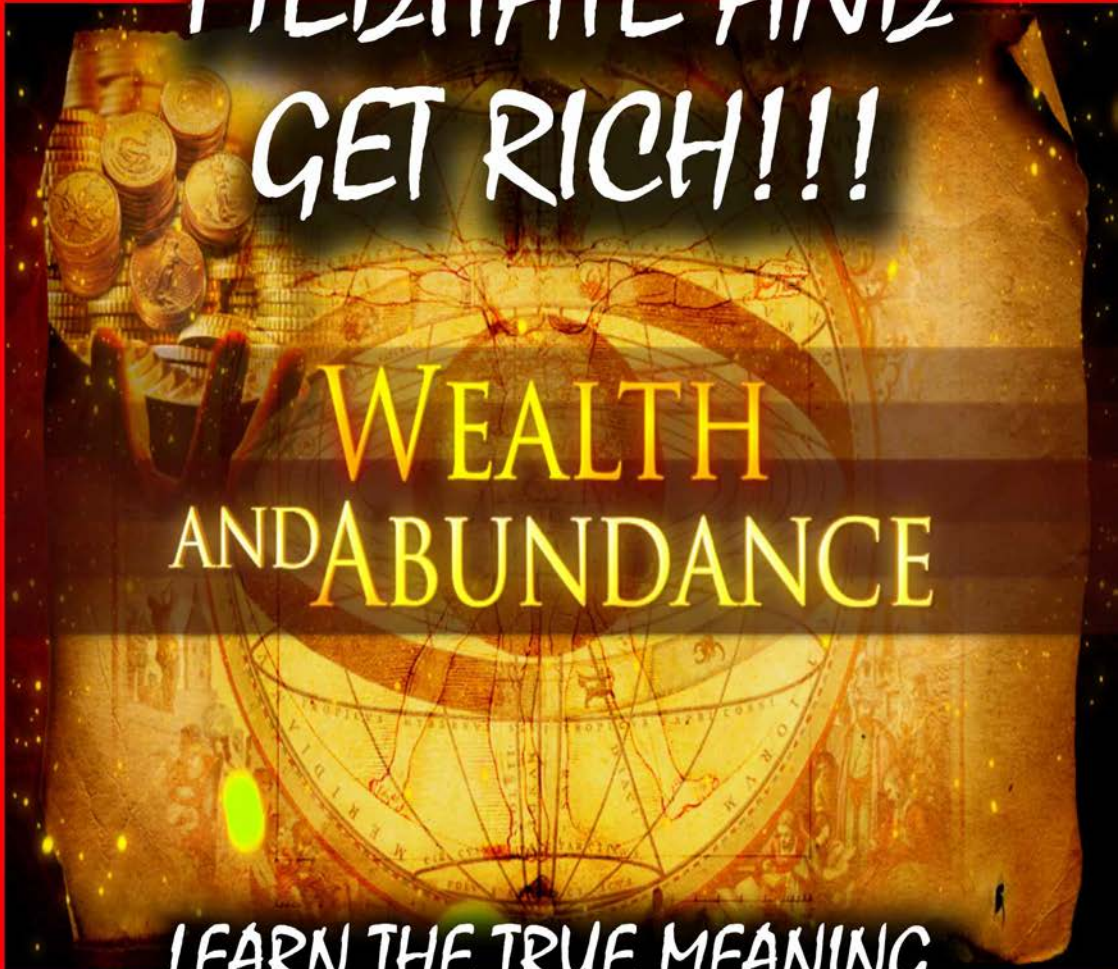

A Zen Master saw a child with a broken arm sitting miserably by the side of the road. This guy was so miserable that the Zen Master just knew he was impervious to being cheered up, To accepting good advice, to being told that, "Everything changes". So he took an iron bar and with it he broke his own arm. Sitting down by the young child he said, "Now we can talk!!"

"The Dharma - The Path of the Soul Chakra - The First Chakra above the Head - permeates evenly all things, because all are included in the ultimate realm. It conforms to reality by means of the process of nonconformity. It abides at the reality-limit, for it is utterly without fluctuation. It is immovable, because it is independent of the six objects of sense. It is without coming and going, for it never stands still. It is comprised by voidness, emptiness, a vibration so high that it is not gross like matter, or emotion, or mind, it is remarkable through signlessness, and is free of presumption and repudiation, because of wishlessness. It is without establishment and rejection, without birth or destruction. It is without any fundamental consciousness, transcending the range of eye, ear, nose, tongue, body, and thought. It is without highness and lowness. It abides without movement or activity.

THE SCIENCE OF GETTING RICH

# MEDITATE AND GET RICH VOL.2

YOUR RICHNESS SEED IS A THOUGHTFORM!!

With regard to becoming rich, becoming strong, any mortal thing you want to be – All these things and more are thoughtforms.

They are thoughtform seeds.

And Napoleon Hill talks about growing these thoughtform seeds, actualising these thoughtform seeds, so that they grown like Acorns to become the great Oak trees they were destined to become - and he gives the formula for this Richness tree to come to fruition.

That you actually become rich!

And Napoleon Hill gives in this book these methods – which suit the natural competents, but require everything from those not naturally competent, including a lot of time..

FAITH, AUTO SUGGESTION, IMAGINATION, DESIRE, DECISION, PERSISTANCE, SEX, THE SUBCONSCIOUS MIND, THE BRAIN, THE SIXTH SENSE, HOW TO OUTWIT THE SIX GHOSTS OF FEAR

NOW, HOW WOULD YOU LIKE TO GROW YOUR PSYCHIC OAK TREE IN DOUBLE QUICK TIME?

HOW WOULD YOU LIKE TO SPEED UP THE PROCESS?

The thing about these Thoughtform Seeds is that they are psychic seeds. These Thoughtform Seeds do not need real Earth, Water, Sunlight and Carbon Dioxide to grow.

No!

These Thoughtform Seeds need Psychic Energy to Grow.

Most Richness and Wealth Courses teach very beginners techniques.

We are taught the Ancient Buddhist Technique of Metta Bhavana – Gratitude - to Open the Heart.

We are taught the Ancient Yogic Technique of Repetition – of Mantra and Visualisation to Life Stream what we want in the Present tense as though we already have it

So we write down what we want on sheets of paper, read them out into audio files, listen to the files constantly, so that we live in our Matrix, not truly alive so as to enter the prayers into our conscious minds so that with years of repetition the thoughtform seeds might grow, clothe themselves in psychic matter and enter in to the Universal Sub-conscious mind and we might actually become rich and everything work out just as we wish.

So, why does it take so much effort by Mantra to become Rich?

The answer is Energy Blockages which stop our connection with the infinite energies of the Earth and the Central Spiritual Sun and which block our little richness thoughtform from the energies that would make it grow Superfast!

As I said, Mantra is a very beginners technique. There are Ancient Techniques of the Siddars which quickly develop the Psychic Powers to get what you want quickly and easily.

Everyone who takes the Energy Enhancement Course gets these psychic powers.

The power to connect with the fountain of kundalini energy from the Earth.

The power to connect with Infinite Spiritual Energy which descends from the Central Spiritual Sun.

The most powerful Technique is that of Meditation developing quickly with Energy Enhancement Initiations into Samadhi and Samyama, talked about in the Ancient – 5000 years old - Yoga Book, the Yoga Sutras of Patanjali.

Everyone knows that Meditation is the best, most ancient, fastest and efficient technique to gain Psychic Powers,

There is a whole chapter in the Yoga Sutras of Patanjali on the use of Samyama to gain all the Psychic Powers – gain immense riches, remove all our vows of poverty from our past lifetimes as monks, remove all bad luck and karma, remove everything holding you back, and attain Enlightenment the goal of All our Past Lifetimes.

# ELIMINATING THE SHADOW

A painting depicting a man with dark hair and a beard, wearing a red robe, embracing a winged angel. The angel has large, white, feathered wings and is wearing a white garment. They are standing in a dark, rocky landscape. The man's face is turned towards the angel, and they appear to be in a moment of emotional connection or reconciliation.

CARL JUNG  
NIETZSCHE  
MASLOW

JORDAN PETERSON  
SATCHIDANAND

[www.energyenhancement.org](http://www.energyenhancement.org)

# ELIMINATING THE SHADOW

In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities. Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow.. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!!

Carl Jung says.. "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or statesmanship and it is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, a long process of negotiation is unavoidable." (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation – Spiritual Insight – combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and Integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative Karmic Mass – pain, frustration, pessimism, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed – transmuted and integrated.

Energy Enhancement Meditation uses the Psychic Spiritual Center – Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream exploration, trance-work etc then we are also limited still. This is because we need it all, both sides.

ENERGY ENHANCEMENT MEDITATION – DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND!

Alchemical VITRIOL is an Ancient Meditation designed to remove Trauma from Memories!! VITRIOL IS A LATIN ACRONYM - VITRIOL. – Visita Interiore Terrae Rectificando Invenies Occultum Lapidem, THE GROUNDING AND TRANSMUTATION OF ENERGY BLOCKAGES – The unification of the conscious and the unconscious., night and day, hot and cold, masculine and feminine. In the center is the Ajna Chakra – Third Eye. The kundalini Serpent has risen from the Muladhara – Base Chakra to the Third Eye Center. The symbolic meaning of its risen state is a raised consciousness that has dissolved duality. A state of Wholeness – Integration – Enlightenment.

"Come together, right now, over me" Singing these famous song lyrics from the Beatles to yourself, You can come together, surpassing your current-self to a higher-self!
